Youth Justice

Unlike child protection agencies in most other states, FSD also serves as the state's youth justice agency. In this role, we:

- Work with youth whose own behaviors put them at risk;
- Supervise youth who are on probation for committing delinquent acts;
- Assess youth to determine their challenges and strengths;
- Place youth in temporary out-of-home care when necessary;
- Work with the youth and parents towards their safe return home; and
- Find permanent homes for youth who cannot safely return home, preferably with extended family members or known connections.

Social workers supervised 277 youth (point in time)
in December 2016
