Witness Information

Handouts
Please make sure to put a title, date, and your name on the top of each document submitted for testimony.

Copies of handouts must be emailed to Faith I. Brown, fbrown@leg.state.vt.us at least 24 hours before your scheduled time. In addition, please also bring 2 hard copies of your handout.

If you want copies made at the State House, there is a charge of $.10 per printed side. State employees can use transfer numbers to pay for copies made at the State House. Any document you hand out to the committees is by law available to the public.

ATTENTION- With few exceptions, any documents a witness submits to a committee or to a committee assistant are open to the public.

In addition, a witness’ submission of a document authored by the witness or his or her organization constitutes consent to its posting on the committee’s webpage, unless the witness specifically requests that the document not be posted. Although the committee will honor requests not to post such documents on its webpage, once a witness submits a document to the committee, it is a public record and will be subject to public inspection and copying unless exempt under the Public Records Act.

The committee’s information page is available at this url: https://legislature.vermont.gov/committee/detail/2018/27

The agenda for committees is updated continually. You can check the agenda at: https://legislature.vermont.gov/committee/detail/2018/27 then click “Agenda”.

If you require any special equipment or resources for your testimony, please notify the committee assistant as soon as possible so that arrangements can be made.

Parking is challenging during the legislative session. You can park on Montpelier streets for up to 2 hours at parking spaces that require quarters, dimes or nickels. There is a shuttle that runs from the parking lot in lower left hand corner of the map above, and also from National Life. The shuttle is free; schedules for the two routes are available online: http://ridegmt.com/wp-content/uploads/Capital-Shuttle_Current2.pdf
