

Chrissy,

Below is the information requested by Senator Mazza on Friday. He asked for the amount of VHCB funding and other resources in the projects shown in Gus' presentation. The numbers below show the amount of the state's investment in the projects through VHCB and how it leverages federal and private funding.

Could you please share with the Committee and let us know if there are any further questions?

Jen

Machia & Sons Dairy

\$15,000 grant from VHCB's Farm and Forest Viability Program. Funds provided by the Commonwealth Dairy.

This is the type of project would expand statewide with the \$1 million added by the House.

Whitcomb Farm

\$17,000 grant from VHCB's Farm and Forest Viability Program. Funds provided by Commonwealth Dairy Grant.

\$58,947 VHCB grant funded by Act 250 farm mitigation.

\$130,053 VHCB Trust Fund. (State appropriation from property transfer tax revenue)

\$335,000 from the federal Natural Resources Conservation Service

\$45,000 contribution from the town.

\$105,000 bargain sale.

Marquis Farm

\$9,150 VHCB Trust Fund
