TO THE HONORABLE SENATE:

The Committee on Judiciary to which was referred House Bill No. 143 entitled “An act relating to automobile insurance requirements and transportation network companies” respectfully reports that it has considered the same and recommends that the Senate propose to the House that the bill be amended by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. 23 V.S.A. chapter 10 is added to read:

CHAPTER 10. TRANSPORTATION NETWORK COMPANIES

§ 750. DEFINITIONS; INSURANCE REQUIREMENTS

(a) Definitions. As used in this chapter:

(1) “Digital network” or “network” means any online-enabled application, software, website, or system offered or used by a transportation network company that enables the prearrangement of rides with transportation network drivers.

(2) “Personal vehicle” means a vehicle that is:

(A) used by a driver to provide a prearranged ride;

(B) owned, leased, or otherwise authorized for use by the driver; and

(C) not a taxicab, limousine, or other for-hire vehicle.

(3) “Prearranged ride” or “ride” means the transportation provided by a driver to a transportation network rider, beginning when a driver accepts the
rider’s request for a ride through a digital network controlled by a company; continuing while the driver transports the rider; and ending when the last requesting rider departs from the vehicle. The term does not include:

(A) shared-expense carpool or vanpool arrangements;

(B) use of a taxicab, limousine, or other for-hire vehicle;

(C) use of a public or private regional transportation company that operates along a fixed route; or

(D) a ride furnished through a broker using a publicly funded network to connect riders to drivers through the Elders and Persons with Disabilities Program, Medicaid Non-Emergency Medical Transportation Program, or other similar governmental transportation program.

(4) “Transportation network company” or “company” means a person that uses a digital network to connect riders to drivers who provide prearranged rides.

(5) “Transportation network company driver” or “driver” means an individual who:

(A) receives connections to potential riders and related services from a transportation network company in exchange for payment of a fee to the company; and
(B) uses a personal vehicle to offer or provide a prearranged ride to
riders upon connection through a digital network controlled by a transportation
network company in exchange for compensation or payment of a fee.

(6) “Transportation network company rider” or “rider” means an
individual who uses a company’s digital network to connect with a driver who
provides rides in his or her personal vehicle between points chosen by the
rider.

(b) Company’s financial responsibility.

(1) Beginning on July 1, 2017, a driver, or company on the driver’s
behalf, shall maintain primary automobile insurance that recognizes that the
driver is a company driver or otherwise uses a vehicle to transport passengers
for compensation and covers the driver while the driver is logged on to the
company’s digital network or while the driver is engaged in a prearranged ride.

(2)(A) The following automobile insurance requirements shall apply
while a participating driver is logged on to the transportation network
company’s digital network and is available to receive transportation requests
but is not engaged in a prearranged ride:

(i) primary automobile liability insurance in the amount of at least
$50,000.00 for death and bodily injury per person, $100,000.00 for death and
bodily injury per incident, and $25,000.00 for property damage; and
(ii) any other State-mandated coverage under section 941 of this title.

(B) The coverage requirements of this subdivision (2) may be satisfied by any of the following:

(i) automobile insurance maintained by the driver;

(ii) automobile insurance maintained by the company; or

(iii) any combination of subdivisions (i) and (ii) of this subdivision (2)(B).

(3)(A) The following automobile insurance requirements shall apply while a driver is engaged in a prearranged ride:

(i) primary automobile liability insurance that provides at least $1,000,000.00 for death, bodily injury, and property damage;

(ii) uninsured and underinsured motorist coverage that provides at least $1,000,000.00 for death, bodily injury, and property damage; and

(iii) $10,000.00 in medical payments coverage (Med Pay).

(B) The coverage requirements of this subdivision (3) may be satisfied by any of the following:

(i) automobile insurance maintained by the driver;

(ii) automobile insurance maintained by the company; or
(iii) any combination of subdivisions (i) and (ii) of this subdivision (3)(B).

(4) If insurance maintained by a driver under subdivision (2) or (3) of this subsection has lapsed or does not provide the required coverage, insurance maintained by a company shall provide such coverage beginning with the first dollar of a claim and shall have the duty to defend such claim.

(5) Coverage under an automobile insurance policy maintained by the company shall not be dependent on a personal automobile insurer first denying a claim nor shall a personal automobile insurance policy be required to first deny a claim.

(6) Insurance required by this subsection may be placed with an insurer licensed under chapter 101 (insurance companies generally) or 138 (surplus lines insurance) of this title.

(7) Insurance satisfying the requirements of this subsection shall be deemed to satisfy the financial responsibility requirement for a motor vehicle under section 800 of this title.

(8) A driver shall carry proof of coverage satisfying this section at all times during use of a vehicle in connection with a company’s digital network. In the event of an accident, a driver shall provide this insurance coverage information to the directly interested parties, automobile insurers, and law enforcement, upon request. Upon such request, a driver shall also disclose
whether he or she was logged on to the network or was on a prearranged ride at the time of an accident.

(c) Disclosures. A transportation network company shall disclose in writing to its drivers the following before they are allowed to accept a request for a prearranged ride on the company’s digital network:

(1) the insurance coverage, including the types of coverage and the limits for each coverage, that the company provides while the driver uses a personal vehicle in connection with the company’s network; and

(2) that the driver’s own automobile insurance policy, depending on its terms, might not provide any coverage while the driver is logged on to the company’s network and available to receive transportation requests or engaged in a prearranged ride.

(d)(1) Automobile insurers. Notwithstanding any other provision of law to the contrary, insurers that write automobile insurance in Vermont may exclude any and all coverage afforded under a policy issued to an owner or operator of a personal vehicle for any loss or injury that occurs while a driver is logged on to a transportation network company’s digital network or while a driver provides a prearranged ride. This right to exclude all coverage may apply to any coverage in an automobile insurance policy, including:

(A) liability coverage for bodily injury and property damage;

(B) personal injury protection coverage;
(C) uninsured and underinsured motorist coverage;

(D) medical payments coverage;

(E) comprehensive physical damage coverage; and

(F) collision physical damage coverage.

(2) Nothing in this subsection implies or requires that a personal automobile insurance policy provide coverage while the driver is logged on to a company’s digital network, while the driver is engaged in a prearranged ride, or while the driver otherwise uses a vehicle to transport passengers for compensation.

(3) Nothing in this section shall be construed to require an insurer to use any particular policy language or reference to this section in order to exclude any and all coverage for any loss or injury that occurs while a driver is logged on to a company’s digital network or while a driver provides a prearranged ride.

(4) Nothing in this subsection is deemed to preclude an insurer from providing primary or excess coverage for the driver’s vehicle, if it chooses to do so by contract or endorsement.

(5) Insurers that exclude the coverage described under subsection (b) of this section shall have no duty to defend or indemnify any claim expressly excluded thereunder.
(6) Nothing in this section is deemed to invalidate or limit an exclusion contained in a policy, including any policy in use or approved for use in Vermont prior to the enactment of this section, that excludes coverage for vehicles used to carry persons or property for a charge or available for hire by the public.

(7) An insurer that defends or indemnifies a claim against a driver that is excluded under the terms of its policy shall have a right of contribution against other insurers that provide automobile insurance to the same driver in satisfaction of the coverage requirements of subsection (b) of this section at the time of loss.

(8) In a claims coverage investigation, transportation network companies shall immediately provide, upon request by directly involved parties or any insurer of the transportation network company driver, if applicable, the precise times that a transportation network company driver logged on and off the transportation network company’s digital network in the 12-hour period immediately preceding and in the 12-hour period immediately following the accident. Insurers providing coverage under subsection (b) of this section shall disclose, upon request by any other insurer involved in the particular claim, the applicable charges, exclusions, and limits provided under any automobile insurance maintained in order to satisfy the requirements of subsection (b) of this section.
§ 751. COMPANY LICENSE

(a) A company shall not operate without a license issued by the Commissioner of Motor Vehicles. Applications for a license shall be filed with the Commissioner and shall contain such information and shall be on such forms as the Commissioner may prescribe.

(b) Each application shall be accompanied by an application fee of $250.00, which shall not be refunded. If an application is approved by the Commissioner, upon payment of an additional fee of $250.00, the applicant shall be granted a license, which shall be valid for one year after the date of issuance. The renewal fee is $500.00.

(c) The Commissioner shall not issue a license to a company unless he or she finds that the company:

(A) obtains a Vermont criminal record from the Vermont Crime Information Center; and

(B) contracts with an entity accredited by the National Association of Professional Background Screeners to conduct a national criminal record check, a motor vehicle check, and a search of the Vermont Sex Offender Registry and the National Sex Offender Public Registry.

(2) The background checks required by this subsection shall be conducted annually by the company.

(c) A company shall not allow an individual to act as a driver on the company’s network if the company knows or should know that the individual:

(B) an offense involving sexual exploitation of children in violation
of 13 V.S.A. chapter 64;

(A) more than three moving violations as defined in subdivision

4(44) of this title;

(c) A company shall establish and enforce a zero tolerance policy for drug and alcohol use by drivers during any period when a driver is engaged in, or is logged into the company’s network but is not engaged in, a prearranged ride. The policy shall include provisions for investigations of alleged policy violations and the suspension of drivers under investigation.

(d) A company shall require that a personal vehicle used to provide prearranged rides complies with all applicable laws and regulations concerning vehicle equipment.

§ 753. RECORDS; INSPECTION

The Commissioner of Motor Vehicles or designee, at all reasonable times, has the right to inspect driver and company records demonstrating compliance with the requirements of this chapter, including the results of background checks, proof that vehicles meet the standards of this chapter, and proof of adequate insurance.

(a) The Commissioner may impose an administrative penalty, suspend or revoke a company’s license, or both, if a company violates the provisions of this chapter.
(b) A violation may be subject to an administrative penalty of not more
than $500.00. Each violation is a separate and distinct offense and, in the case
of a continuing violation, each day’s continuance may be deemed a separate
and distinct offense.

(c) The company shall be given notice and opportunity for a hearing for
alleged violations under this section. Service of the notice shall be sufficient if
sent by first class mail to the address stated on the company’s license. The
notice shall include the following:

   (1) a factual description of the alleged violation;

   (2) a reference to the particular statute allegedly violated;

   (3) the amount of the proposed administrative penalty; and

   (4) a warning that the company will be deemed to have waived its right
to a hearing, that the penalty will be imposed if no hearing is requested within
15 days from the date of the notice, and that failure to pay a penalty may result
in suspension of its license.

(d) A company that receives notice under subsection (c) of this section
shall be deemed to have waived the right to a hearing unless, within 15 days
from the date of the notice, the company requests a hearing in writing. If the
company waives the right to a hearing, the Commissioner shall issue a final
