

1 S.79

2 Senator Sears moves that the bill be amended by striking out all after the
3 enacting clause and inserting in lieu thereof the following:

4 Sec. 1. FINDINGS AND LEGISLATIVE INTENT

5 The General Assembly finds that:

6 (1) In Vermont, we celebrate the rich cultural heritage and diversity of
7 our residents.

8 (2) All Vermonters should be free from discrimination on the basis of
9 their sex, sexual orientation, gender identity, marital status, race, color,
10 religion, national origin, immigration status, age, or disability.

11 (3) Vermont must uphold the protection of religious freedom enshrined
12 in the U.S. Constitution and the Vermont Constitution for all its people, and
13 the State has a moral obligation to protect its residents from religious
14 persecution.

15 (4) Article 3 of Chapter I of the Vermont Constitution prohibits any
16 power from assuming any authority that interferes with or controls, in any
17 manner, the rights of conscience in the free exercise of religious worship.

18 (5) Article 7 of Chapter I of the Vermont Constitution, also known as
19 the Common Benefits Clause, provides that State benefits and protections are
20 “for the common benefit, protection, and security of the people, nation, or

1 community, and not for the particular emolument or advantage of any single
2 person, family, or set of persons, who are a part only of that community.”

3 (6) Vermont residents have a right to privacy with respect to religious
4 affiliation and an expectation that religious affiliation or identification shall not
5 affect their residency in the State.

6 (7) Vermont residents are afforded the benefits and protections of law
7 enforcement and public safety without regard to their sex, sexual orientation,
8 gender identity, marital status, race, color, religion, national origin,
9 immigration status, age, or disability. Consequently, they have a reasonable
10 expectation that government officials will not monitor them or otherwise single
11 them out merely on the basis of these characteristics. **They likewise have a**
12 **reasonable expectation that State and local government officials will not**
13 **contribute to the creation or development of a registry based on personal**
14 **characteristics as described herein. ~~identified in this section.~~ Indeed, Vermont**
15 **residents have expressed grave concerns that the federal government seeks to**
16 **create or develop such a registry, which would be contrary to Vermont and**
17 **American values. This act is intended to narrowly address those concerns**
18 **without impeding Vermont residents’ enjoyment of other legal rights and**
19 **benefits.**

20 (8) Vermont State and local law enforcement work tirelessly to protect
21 the rights and security of all Vermonters afforded them under the Vermont and

1 U.S. Constitutions. Moreover, Vermont residents benefit from and are safer
2 through the cooperative and mutually beneficial interaction between local,
3 State, and federal law enforcement, including the U.S. Border Patrol.

4 (9) Vermont residents are more likely to engage with law enforcement
5 and other officials by reporting emergencies, crimes, and acting as witnesses,
6 to participate in economic activity, and to be engaged in civic life if they can
7 be assured they will not be singled out solely on the basis of the personal
8 characteristics described in this section.

9 (10) This act is not intended to interfere with the enforcement of
10 Vermont's public safety laws or efforts to prioritize immigration enforcement
11 concerning individuals who pose a threat to Vermont's public safety. ~~criminal~~
12 felony immigration enforcement actions, with the sharing of information
13 relating to these actions, or with the sharing of information concerning other
14 law enforcement and public safety actions. Nor is this act intended to interfere
15 with mandatory reporting requirements pertaining to firearms background
16 checks, as described herein. ~~initiatives or operations.~~

17 (11) The State of Vermont therefore has a substantial, sovereign interest
18 in prohibiting State and local government officials from collecting or
19 disseminating certain information to federal authorities for the purposes of
20 registration of its residents based on the personal characteristics described in
21 section. These prohibitions are not intended to interfere with Vermont

1 residents’ rights to free and equal access to government benefits and protection
2 or the collection or sharing of data necessary to provide such benefits and
3 protections.
