Re: Summary of pending federal infrastructure investment proposals

Date: January 31, 2018

PW

I look forward to our discussion today regarding potential federal infrastructure legislation.

As background for our discussion, I wanted to share the attached background materials:

- A summary of H.R. 1664, Rep. Peter DeFazio's (D-OR) legislation, which I am cosponsoring;
- Options proposed by the House Problem Solvers Caucus, a bipartisan group of which I am a member and co-founder; and
- Currently available information on President Trump's forthcoming infrastructure plan.

I look forward to visiting with you.

*Appreciate the opportunity  
to be back at the  
greatest committee*
