

**Committee:**

**Bill # and Title:**

**Hearing Date/Time:**

- 1. What do we propose to do in the bill?**
  
- 2. What are the desired outcomes of well-being that this bill (strategy) contributes to achieving?**
  
- 3. What indicator(s) does this bill contribute to improving over time?**
  
- 4. How is Vermont doing on this indicator now? (Where have we been; where are we headed?)**
  - Review indicator data on a trend line over time
  - Consider the causes/forces at work behind the data (policy changes, environmental, societal, demographic shifts...)
  
- 5. Who are the partners who have a potential role to play in ensuring this bill will succeed?**
  - Invite them in for testimony
  
- 6. How do we know this strategy will work? What would it take to succeed?**

Works

  - 
  -
  
- 7. How will we know if we are improving over time?**
  - Monitor indicator data over time
  - Monitor the relevant performance of partners involved in implementing the bill (strategy)

**Committee:**

**Hearing Date/Time:**

- 1. What are the outcomes of well-being that our Committee's jurisdiction contributes to achieving?**
- 2. What indicator(s) does our Committee need to monitor to gauge progress made in Vermont?**
- 3. How is Vermont doing on this indicator now? (Where have we been; where are we headed?)**
  - Review indicator data on a trend line over time
  - Consider the causes/forces at work behind the data (policy changes, environmental, societal, demographic shifts...)
