
This act summary is provided for the convenience of the public and members of the General Assembly. It is intended to provide a general summary of the act and may not be exhaustive. It has been prepared by the staff of the Office of Legislative Council without input from members of the General Assembly. It is not intended to aid in the interpretation of legislation or to serve as a source of legislative intent.

Act No. 17 (S.53). Health; primary care; health care spending

An act relating to determining the proportion of health care spending allocated to primary care

This act directs the Green Mountain Care Board and Department of Vermont Health Access to identify which health care providers and services constitute primary care, determine the percentage of health care spending currently allocated to primary care by certain public and private payers and by Vermont's health care system overall, and report the percentages and related information to the General Assembly by January 15, 2020.

Effective Date: May 6, 2019
