If a majority of the voters of a member municipality present and voting at a meeting of the municipality duly warned for the purpose of withdrawal shall vote to withdraw from the District, the vote shall be certified by the clerk of that municipality to the Board of Supervisors of the District.

(b) After a vote held pursuant to subsection (a) of this section, the Board of Supervisors shall give notice to the remaining member municipalities of the vote to withdraw and shall hold a meeting to determine if it in the best interests of the District to continue to exist. Representatives of the member municipalities shall be given an opportunity to be heard at the meeting together with any other interested persons.

(c) After the meeting held pursuant to subsection (b), the Board of Supervisors may declare the District dissolved immediately or as soon thereafter as the financial obligations of the District and of each member municipality on account have been satisfied, or it may declare that the District shall continue to exist despite the withdrawal of the member municipality. The membership of the withdrawing municipality shall terminate as of one year following the vote to withdraw or as soon after the one-year period as the financial obligations of the withdrawing municipality have been paid to the District.

(d) The one year waiting requirement in subsection (c) of this section may be waived after all financial obligations of the withdrawing municipality have been paid and upon an affirmative vote of at least 66 percent of the Board of Supervisor votes eligible to be cast, excluding the withdrawing municipality's votes.

(e) A vote of withdrawal taken after the District becomes a body politic and corporate but less than one year after that date shall be null and void. A vote of withdrawal taken after the District has voted to bond itself for construction and improvements or to authorize a long-term contract shall be null and void.

§ 602. ADMISSION OF NEW MEMBER MUNICIPALITIES

(a) The Board of Supervisors may authorize the inclusion of additional member municipalities in the District upon terms and conditions that it in its sole discretion shall deem to be fair, reasonable, and in the best interests of the District.

(b) The legislative body of any nonmember municipality that desires to be admitted to the District shall make application for admission to the Board of Supervisors of the District.

(c)(1) The Board shall determine the effects and impacts that are likely to occur if the municipality is admitted and shall either grant or deny authority for admission of the petitioning municipality.

(2) If the Board grants the authority, it shall also specify any terms and conditions, including but not limited to financial obligations upon which the

admission is predicated. The petitioning municipality shall then comply with the approval procedures specified in 24 V.S.A. § 4863.

(d) If a majority of the voters of the petitioning municipality present and voting at a meeting of the municipality duly warned for that purpose shall vote to approve this charter and the terms and conditions for admission, the vote shall be certified by the clerk of that municipality to the Board of Supervisors. Upon satisfactory performance of the terms and conditions for admission, the municipality shall by resolution of the Board of Supervisors be a member municipality of the District.

(2) If two-thirds of the voters of the District present and voting at the special meeting of the District duly warned for that purpose shall vote to

(4) Identify all obligations under long term contracts.

(5) Specify the means by which the assets of the District shall be liquidated and all liabilities and obligations of the District shall be paid and discharged, or adequate provision shall be made for the satisfaction of all liabilities and obligations.

(6) Specify the amount of monies due from each member municipality, if necessary, to extinguish the liabilities of the District.

(7) Specify the nature and amount of any liabilities or obligations to be assumed and paid by the member municipalities.

(8) Specify the means by which any assets remaining after discharge of all liabilities shall be liquidated if necessary.

(9) Specify that any assets remaining after payment of all liabilities shall be apportioned and distributed among the member municipalities according to the same basic formula used in apportioning the annual assessments of the District.

(c) Termination. When the plan of dissolution has been implemented, the Board of Supervisors shall adopt a resolution certifying that fact to the member municipalities and shall terminate the District and this charter.

§ 604. AMENDMENT OF DISTRICT CHARTER

(a) The Board of Supervisors may, and upon petition of five percent of the voters of the District shall, prepare and propose amendments to this charter.

(b) Any proposed amendments shall be submitted to and acted upon by the voters of the District at a special meeting called for that purpose. If at the meeting a majority of the voters in at least one-half of the member municipalities, present and voting, and a majority of the voters of the District as a whole, present and voting, approve the proposed amendments, the amendments shall be thereby adopted and shall become effective immediately unless otherwise specified in the proposed amendments.

(c) This charter may be amended from time to time in the manner herein provided, but no amendment shall be made that shall substantially impair the rights of the holders of any bonds or other notes or other evidence of

indebtedness or substantially affect any obligations under long-term contracts of the District then outstanding or in effect, or the rights of the District to procure the means for payment, continuation, or termination of a long-term contract.

§ 605. SEVERABILITY

Should any court of competent jurisdiction judge any term, phrase, clause, sentence, or provision of this charter to be invalid, illegal, or unenforceable in any respect, the judgment shall not affect the validity, legality, or enforceability of the charter as a whole or any other part of this charter.
