The proposal shall have a budget and proposed method of evaluation.

<u>Eighth</u>: By striking out Sec. 93 in its entire and inserting in lieu thereof a new Sec. 93 to read as follows:

Sec. 93. VIDEO RECORDS RETENTION POLICY

RECOMMENDATIONS

(a) On or before March 15, 2019, the Commissioner of Public Safety shall report to the House and Senate Committees on Judiciary and on Appropriations on the status of record schedules, as defined in 3 V.S.A. § 117(a)(6), that have been approved by the State Archivist and on the status of internal proposed video records management retention policies for the Vermont State Police and Vermont law enforcement agencies that apply to dash-mounted or body-mounted camera video. The report shall include any proposed changes to the record schedules and policies, including recommendations for whether policies should be adopted or changed with respect to:

(1) the retention period for storage of such video;

(2) the process for determining when a particular case or incident warrants retaining video records for longer than the standard schedule;

(3) the manner in which the public shall be notified and kept informed about record schedules; and

(4) the budget and estimated costs for the storage of video records with a cloud-based service, including a comparison of the costs of cloud-based storage and the existing on-site physical storage, and whether cloud-based storage creates greater efficiencies in the overall management of video records.

(b) The Commissioner shall consult with the Vermont State Archives and Records Administration (VSARA) and the Agency of Digital Services for purposes of making the proposals required by subsection (a) of this section.

(c) On or before April 15, 2019, the Commissioner of Public Safety shall report the final proposed record schedules and management policies to the House and Senate Committees on Judiciary and on Appropriations.

<u>Ninth</u>: In Sec. 94, by striking out subsection (a) in its entirety and inserting in lieu thereof a new subsection (a) to read as follows:

(a) Given the loss of federal matching funds for the Woodside facility, on or before April 15, 2019 the Secretary of Human Services and the Commissioner for Children and Families, in consultation with the Joint Fiscal Office, shall submit a plan to the House and Senate Committees on Judiciary and on Appropriations related to the continuation of operations beyond July 1, 2019 limited only to short-term placements of delinquent youths. Any plan should be consistent with legislative intent related to loss of federal funding expressed in 2017 Acts and Resolves No. 85, Sec. E.327. Any plan should also consider the role of Woodside in the system of care and evaluate the current need and other treatment options for youths in Vermont and out-ofstate.

<u>Tenth</u>: In Sec. 101, in subsection (a), by inserting five new subdivisions to be numbered (5) through (9) to read as follows:

(5) JFO #2950 - One (1) limited-service position within the Vermont Department of Environmental Conservation. The position would be titled Environmental Analyst V and would provide engineering support within the wastewater system and potable water supply program to review permit application through the Department of Environmental Conservation's five regional offices. The position would be funded with approximately \$95,000 annually through a federal award from the Drinking Water State Revolving Fund. The Department is seeking authorization for the position for two years from the date of authorization.

(6) JFO #2951 - One (1) limited-service position within the Vermont Agency of Agriculture, Food and Markets. The position would be titled Agricultural Water Quality Specialist II and would provide additional capacity for the Agency to perform its commitments to the U.S. Environmental Protection Agency (EPA) under the Lake Champlain Total Maximum Daily Load (TMDL). Specifically, this position would support the Conservation Reserve Enhancement Program, which is a program that compensates agricultural landowners for taking land out of production for a period of time and also provides cost-share for the establishment of vegetative buffers between agricultural land and waterways. The position would be funded from two sources: 1) a sub-grant from the Agency of Natural Resources that will leverage 2) grant funding from the U.S. Dept. of Agriculture.

(7) JFO #2952 - One (1) limited-service position within the Vermont Agency of Agriculture, Food and Markets. The position would be titled Agricultural Engineer I and would provide additional capacity for the Agency to perform its commitments to the U.S. Environmental Protection Agency (EPA) under the Lake Champlain Total Maximum Daily Load (TMDL). Specifically, this position would support the agricultural best management practices (BMP) program and the environmental quality incentives program. The position would provide engineering and hydrogeology assistance with agricultural waste management systems, environmental monitoring and other projects aimed at reducing environmental contamination from agricultural operations. The position would be funded by a sub-grant of federal funds from the Agency of Natural Resources.

(8) JFO #2953 - \$199,160 from the U.S. Dept. of Justice to the Vermont Department of Corrections. The funds would be used to develop a strategic plan for a system-wide approach to enhance employment outcomes of offenders who are reentering the workforce. The effort would be focused on student assessments and increasing capacity within the culinary program in the corrections kitchen. Funds would be distributed between two personal service contracts, a workforce skills certification system, a pro-start culinary trainer certification, and other supplies/packages. The planning effort would be completed through the remainder of State fiscal year 2019 and part of fiscal year 2020.

(9) JFO #2954 - \$2,295,876 from the U.S. Dept. of Labor to the Vermont Department of Labor. The funding is being provided through Phase I of the Retaining Employment and Talent After Injury/Illness Network (RETAIN) demonstration project. The overall project would be focused on developing early intervention strategies to improve stay-at-work/return-towork (SAW/RTW) outcomes for individuals who experience a work disability while employed. One (1) limited-service position, titled Grant Manager, is associated with this request. Phase I, which is estimated to last for 18 months, would be focused on project development, while phase II would focus on broader implementation and funding for phase II would be awarded based on the outcomes of phase I. The project would be 100 percent federally funded.

<u>Eleventh</u>: In Sec. 103, by striking out subsection (a) in its entirety and inserting in lieu thereof a new subsection (a) to read as follows:

(a) The Department of Mental Health shall explore solutions to improve therapeutic care and supports for patients in emergency departments that includes the study of security protocols in emergency departments to ensure the safety of patients and hospital staff and compliance with federal regulations in consultation with:

(1) the Vermont Association of Hospitals and Health Systems;

(2) DAIL – Licensing and Protection;

(3) Vermont Care Partners;

(4) the Department of State's Attorneys and Sheriffs; and

(5) an individual who provides peer support services in an emergency department, appointed by Vermont Psychiatric Survivors.

<u>Twelfth</u>: By adding a new section to be numbered Sec. 104 to read as follows:

Sec. 104. JUDICIARY; FEDERAL TITLE IV-D FUNDS

(a) Any general funds added to the Judiciary to compensate for errors in billing for eligible federal Title IV-D funds that are greater than the actual lost funds resulting from the errors shall be carried forward to offset Title IV-D funding impacts in the fiscal year 2020 Judiciary budget.

and by renumbering the remaining sections to be numerically correct
