SHORT FORM

Introduced by Representative Donahue of Northfield

Referred to Committee on

Date:

Subject: Labor; employment practices; minimum wage

Statement of purpose of bill as introduced: This bill proposes to amend the minimum wage set forth in 21 V.S.A. § 384 to include a calculation for the amount expended by each employer to provide an employee with health insurance. The minimum wage for each employee shall be reduced by a prorated amount based on the employer's annual cost to provide him or her with health insurance coverage up to a maximum reduction equal to the full annual cost of the premium for the lowest cost silver-level plan available through the Vermont Health Benefit Exchange.

An act relating to including the amount expended by an employer for health insurance in the determination of the minimum wage

It is hereby enacted by the General Assembly of the State of Vermont:
