2 (A) Like many rural states, Vermont faces demographic realities

18 the purpose of the General Assembly to explore the creation of a fully
19 integrated adult career and technical education system that:

1 (A) provides Vermonters throughout the State with high quality
2 programs that are standardized, replicable, and offered with regularity and
3 consistency;

4 (B) coordinates, or integrates where appropriate, the many
5 programs and providers to maximize the efficient use of training resources;
6 and

7 (C) features a governance structure that provides consistency across
8 the system whenever appropriate, but also provides the flexibility necessary
9 to respond to local and regional workforce demands.

10 (3) Creation. There is created the Adult Career and Technical
11 Education Study Committee to consider and report to the General Assembly
