Subject: Education; supervisory unions; Act 46; school district assignment

Statement of purpose of bill as introduced: This bill proposes to allow a school district that is forcibly reassigned to a different supervisory union by the State Board of Education's order to merge under Act 46 to choose which supervisory union to join. A majority vote of a quorum of the school district's board members, voting at a duly warned meeting held within two months of the effective date of this act, shall determine the supervisory union assignment for the school district. This determination shall be binding even if the supervisory union disagrees with the assignment. This act shall not apply to a supervisory union reassignment ordered by the State Board under Act 46 where the school district has become a member of the supervisory union as ordered by the State Board before the effective date of this act.
