SHORT FORM

Introduced by Representatives Cina of Burlington and O’Sullivan of
Burlington

Referred to Committee on

Date:

Subject: Technology; artificial intelligence; Artificial Intelligence Task Force

Statement of purpose of bill as introduced: This bill proposes to implement the following recommendation set forth in the final report of the Artificial Intelligence Task Force: make State investments in the promotion of ethical development and use of artificial intelligence in Vermont through education, outreach, and training programs; through economic incentives, public-private partnerships, and public access to technological resources; and through Agency spending.

An act relating to economic incentive recommendations of the Artificial Intelligence Task Force

It is hereby enacted by the General Assembly of the State of Vermont:
