H.938

SHORT FORM

Introduced by Representative Rogers of Waterville

Referred to Committee on

Date:

Subject: Health; health insurance; augmentative speech devices

Statement of purpose of bill as introduced: This bill proposes to require large group health insurance plans to provide coverage for augmentative speech devices beginning in plan year 2021. It would also direct the Agency of Human Services to apply for federal approval to modify the essential health benefit package for Vermont's individual and small group health insurance plans to include coverage for augmentative speech devices beginning in plan year 2022.

An act relating to an incremental approach to health insurance coverage for augmentative speech devices

It is hereby enacted by the General Assembly of the State of Vermont:
