\* \* \* Short-Time Compensation Program \* \* \*

Sec. 21. FINDINGS

The General Assembly finds:

(1) The Short-Time Compensation Program was enacted in 1986 to assist employers in avoiding layoffs by temporarily reducing the hours worked by some of their employees.

(2) The Program provides partial unemployment insurance benefits to the employees who are working reduced hours.

(3) In 2014, the General Assembly amended 21 V.S.A. § 1338a to change the formula by which partially unemployed individuals who are not covered by a short-time compensation plan are paid partial unemployment benefits. By changing a claimant's so-called "disregarded earnings" from 30 percent to 50 percent of the claimant's weekly wage, the amount of

unemployment benefits available to a partially employed individual increased significantly.

(4) Because of the change in disregarded earnings, employers and employees both have less to gain from short-time compensation plans.

(5) The application and approval process for short-time compensation plans is an administrative burden for employers.

(6) Since 2014, only one employer in Vermont has established a Short-Time Compensation Program.

(7) Therefore, the General Assembly finds that 21 V.S.A. chapter 17, subchapter 3, which establishes the Short-Time Compensation Program, should be repealed.

Sec. 22. REPEAL
