Senate Proposal of Amendment

H. 3

An act relating to ethnic and social equity studies standards for public schools

The Senate proposes to the House to amend the bill by striking all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. ETHNIC AND SOCIAL EQUITY STANDARDS ADVISORY
WORKING GROUP

(a) Findings.

(1) In 1999, the Vermont Advisory Committee to the U.S. Commission on Civil Rights published a report titled Racial Harassment in Vermont Public Schools and described the state of racism in public schools. The Committee held various hearings and received reports from stakeholders and concluded that “racial harassment” appeared “pervasive in and around the State’s public schools,” and observed that “the elimination of this harassment” was “not a priority among school administrators, school boards, elected officials, and State agencies charged with civil rights enforcement.”

(2) In 2003, the Commission released a follow-up report concluding that, although some positive efforts had been made since the original report was published, the problem persisted. One of the many problems highlighted at that time was that some curriculum materials and lesson plans promoted racial stereotypes. One of the conclusions was that there was a need for a bias-free curriculum.

(3) In December 2017, the Act 54 report on Racial Disparities in State Systems, issued by the Attorney General and Human Rights Commission Task Force, was released. According to the report, education is one of the five State systems in which racial disparities persist and need to be addressed. The Attorney General and Human Rights Commission held three stakeholder meetings and found “a surprising amount of coalescence around the most important issues” and “the primary over-arching theme was that we will be able to reduce racial disparities by changing the underlying culture of our state with regard to race.” One of the main suggestions for accomplishing this was to “teach children from an integrated curriculum that fairly represents both the contributions of People of Color (as well as indigenous people, women, people with disabilities, etc.), while fairly and accurately representing our history of oppression of these groups.” The other suggestions were to educate State employees about implicit bias, white privilege, white fragility, and white supremacy and increase the representation of people of color in the State and school labor forces by focusing on recruitment, hiring, and retention, as well as promotion of people of color into positions of authority and responsibility on boards and commissions.

(4) According to the U.S. Department of Justice report on hate crimes in Vermont in 2017, of the 35 hate crimes reported in 2017, 51 percent were based on a motivation involving racial bias, 23 percent were based on a motivation involving sexual orientation bias, 17 percent were based on a motivation involving religious bias, and 9 percent were based on a motivation involving disability bias.

(5) Acts of harassment and discrimination based on religious affiliation, including but not limited to anti-Semitism and Islamophobia, have been reported in recent Vermont news reports.

(6) Hate symbols have in recent years appeared with disturbing frequency at schools, in public spaces, places of worship, and places of business.

(7) The harassment of marginalized groups, and the lack of understanding of people in power about the magnitude of the systemic impacts of harassment and bias, damage the whole community.

(b) Definitions. As used in this act:

(1) “Ethnic groups” means:

(A) nondominant racial and ethnic groups in the United States, including people who are Abenaki, people from other indigenous groups,

people of African, Asian, Pacific Island, Chicanx, Latinx, or Middle Eastern descent; and

(B) groups that have been historically subject to persecution or genocide.

(2) “Ethnic studies” means the instruction of students in prekindergarten through grade 12 in the historical contributions and perspectives of ethnic groups and social groups.

(3) “Social groups” means women and girls, people with disabilities, immigrants, refugees, and individuals who are lesbian, gay, bisexual, transgender, queer, questioning, intersex, asexual, or nonbinary.

(c) Creation and composition. The Ethnic and Social Equity Standards Advisory Working Group is established. The Working Group shall comprise the following 20 members:

(9) the Executive Director of the Vermont Superintendents Association or designee;

(10) the Executive Director of the Vermont Independent Schools Association or designee; and

(11) the Executive Director of the Vermont Human Rights Commission or designee.

(d) Appointment and operation.

(1) The Vermont Coalition for Ethnic and Social Equity in Schools (Coalition) shall appoint the 10 members who represent ethnic groups and

social groups and the member identified under subdivision (c)(2) of this section. Appointments of members to fill vacancies to these positions shall be made by the Coalition.

(2) As a group, the Working Group shall represent the breadth of geographic areas within the State and shall have experience in the areas of ethnic standards or studies, social justice, inclusivity, and advocacy for the groups they represent.

(3)(A) The Secretary of Education or designee shall call the first meeting of the Working Group to occur on or before September 1, 2019.

(B) The Working Group shall select a chair from among its members at the first meeting.

(C) A majority of the membership shall constitute a quorum.

(D) The Working Group shall cease to exist on July 1, 2022.

These payments shall be made from monies appropriated to the Agency of Education.

The Agency shall include in its budget request to the General Assembly for fiscal years 2021 and 2022 the amount of \$15,860.00 for the per diem compensation and expense reimbursements authorized by subsection (e) of this section to be paid to members of the Working Group.

(3) The Working Group shall include in its report to the General Assembly under subdivisions (h)(2) and (3) of this section any statute, State Board rule, or school district or supervisory union policy that it has identified as needing review or amendment in order to:
