(b) Prior to approving a permit application, the Traffic Committee will conduct a hearing to provide for comments from the public. Legislative bodies of the municipalities where an automated vehicle will be tested shall be notified by the Traffic Committee 60 calendar days prior to the Traffic Committee hearing when the geographic scope of the test includes State highways or Class 1, 2, 3, or 4 Town Highways, as classified pursuant to 19 V.S.A. § 302, within the geographic boundaries of the municipality.

(h) An automated vehicle tester shall not test an automated vehicle on a public highway unless:

(C) satisfy any other requirements and permit conditions as determined by the Traffic Committee as necessary to ensure the safe operation of such automated vehicles.

(i) An automated vehicle testing permit may be voided and invalidated for the trip by a law enforcement officer who determines there is a violation of any condition specified in the terms of the automated vehicle test permit or that the continuation of the trip would be unsafe.

(j) An automated vehicle testing permit may be suspended or revoked by the Traffic Committee if, after the opportunity for a hearing, the Traffic Committee determines that there is a violation of any condition or conditions specified in the terms of the automated vehicle test permit that warrants the suspension or revocation of the testing permit or that the continuation of the testing would be unsafe.

(k) Operating or testing in violation of a suspension or revocation order shall be a traffic violation for which there shall be a penalty of not more than \$1,000.00.

(l) Test vehicles must be capable of operating in compliance with applicable traffic and motor vehicle laws of this State, subject to this subchapter.
