(1) A person under 18 years of age who knowingly and unlawfully possesses buprenorphine consisting of less than 100 times a benchmark unlawful dosage or its equivalent as determined by the Board of Health by rule commits a civil violation and shall be referred to the Court Diversion Program for the purpose of enrollment in the Youth Substance Abuse Safety Program. A person who fails to complete the program successfully shall be subject to:

(A) a civil penalty of \$300.00 and suspension of the person's operator's license and privilege to operate a motor vehicle for a period of 30 days for a first offense; and

(B) a civil penalty of not more than \$600.00 and suspension of the person's operator's license and privilege to operate a motor vehicle for a period of 90 days for a second or subsequent offense.

(2) A law enforcement officer shall issue a person under 18 years of age who violates this subsection with a notice of violation in a form approved by the Court Administrator. The notice of violation shall require the person to provide his or her name and address and shall explain procedures under this subsection, including that:

(A) the person shall contact the Diversion Program in the county where the offense occurred within 15 days;

(B) failure to contact the Diversion Program within 15 days will

result in the case being referred to the Judicial Bureau, where the person, if found liable for the violation, will be subject to a civil penalty and a suspension of the person's operator's license and may face substantially increased insurance rates;

(C) no money should be submitted to pay any penalty until after adjudication; and

(D) the person shall notify the Diversion Program if the person's address changes.

(3) When a person is issued a notice of violation under this subsection, the law enforcement officer shall complete a summons and complaint for the offense and send it to the Diversion Program in the county where the offense occurred. The summons and complaint shall not be filed with the Judicial Bureau at that time.

(4) Within 15 days after receiving a notice of violation, the person shall contact the Diversion Program in the county where the offense occurred and register for the Youth Substance Abuse Safety Program. If the person fails to do so, the Diversion Program shall file the summons and complaint with the Judicial Bureau for adjudication under 4 V.S.A. chapter 29. (B) If the person does not satisfactorily complete the substance abuse screening, any required substance abuse assessment or substance abuse counseling, or any other condition related to the offense imposed by the Diversion Program, the case will be referred to the Judicial Bureau, where the person, if found liable for the violation, shall be assessed a civil penalty, the person's operator's license will be suspended, and the person's automobile insurance rates may increase substantially.

(C) If the person satisfactorily completes the substance abuse screening, any required substance abuse assessment or substance abuse counseling, and

any other condition related to the offense imposed by the Diversion Program, no penalty shall be imposed and the person's operator's license shall not be suspended.

(6)(A) Upon being contacted by a person who has been issued a notice of violation, the Diversion Program shall register the person in the Youth Substance Abuse Safety Program. Pursuant to the Youth Substance Abuse Safety Program, the Diversion Program shall impose conditions on the person. The conditions imposed shall include only conditions related to the offense and in every case shall include a condition requiring satisfactory completion of substance abuse screening using an evidence-based tool and, if deemed appropriate following the screening, substance abuse assessment and substance abuse education or substance abuse counseling, or both. If the screener recommends substance abuse counseling, the person shall choose a State-certified or State-licensed substance abuse counselor or substance abuse treatment provider to provide the services.

(B) Substance abuse screening required under this subdivision (6) shall be completed within 60 days after the Diversion Program receives a summons and complaint. The person shall complete all conditions at his or her own expense.

(C) When a person has satisfactorily completed substance abuse screening, any required substance abuse education or substance abuse counseling, and any other condition related to the offense that the Diversion Program has imposed, the Diversion Program shall:

(i) Void the summons and complaint with no penalty due.

(ii) Send copies of the voided summons and complaint to the Judicial Bureau and to the law enforcement officer who completed them. Before sending copies of the voided summons and complaint to the Judicial Bureau, the Diversion Program shall redact all language containing the person's name, address, Social Security number, and any other information that identifies the person.

(D) If a person does not satisfactorily complete substance abuse screening, any required substance abuse education or substance abuse counseling, or any other condition related to the offense imposed by the Diversion Program or if the person fails to pay the Diversion Program any required Program fees, the Diversion Program shall file the summons and complaint with the Judicial Bureau for adjudication under 4 V.S.A. chapter 29. The Diversion Program shall provide a copy of the summons and complaint to the law enforcement officer who issued the notice of violation and shall provide two copies to the person charged with the violation.

(E) A person aggrieved by a decision of the Diversion Program or alcohol counselor may seek review of that decision pursuant to Rule 75 of the Vermont Rules of Civil Procedure.

(7) Upon adjudicating a person in violation of this subsection, the Judicial Bureau shall notify the Commissioner of Motor Vehicles, who shall maintain a record of all such adjudications, which shall be separate from the registry maintained by the Department for motor vehicle driving records. The identity of a person in the registry shall be revealed only to a law enforcement officer determining whether the person has previously violated this subsection.

Sec. 1. FINDINGS

The Vermont General Assembly finds that:

(1) At the present time, many persons have been rendered homeless as a result of economic hardship and a shortage of safe and affordable housing.

(2) Article 1 of Chapter I of the Vermont Constitution states that Vermonters are “equally free and independent” and Article 7 of Chapter I states that all Vermonters are entitled to the same benefits and protections. As a result, a person should not be subject to discrimination based on his or her housing status or being homeless.

(3) It is the intent of this act to help mitigate both the discrimination people without homes or perceived to be without homes face and the adverse effects individuals and communities suffer when a person lacks a home.

Sec. 2. 1 V.S.A. § 274 is added to read:

§ 274. HOMELESS BILL OF RIGHTS

(a) A person’s rights, privileges, or access to public services may not be denied or abridged solely because of his or her housing status. Such a person shall be granted the same rights and privileges as any other resident of this State.

(8) To immediate and continued enrollment of his or her school-age children based on the best interests of the child as provided for in 16 V.S.A. § 1075(e) and the McKinney-Vento Act, 42 U.S.C. §§ 11431–11435 without discrimination based on his or her housing status.

(c) No person shall be subject to civil or criminal sanctions for soliciting, sharing, accepting, or offering food, water, money, or other donations in:

(1) a public place; or

(2) a place of public accommodation with the consent of the owner or other person representing the place of public accommodation and in a manner that does not interfere with normal business operations.

(d) No law shall target a person based on that person’s housing status or the harmless activities associated with homelessness, or the provision of supports or services to a person without housing or perceived to be without housing in:

(1) a public place; or

(2) a place of public accommodation with the consent of the owner or other person representing the place of public accommodation and in a manner that does not interfere with normal business operations.

An act relating to the Older Vermonters Act

Rep. Wood of Waterbury, for the Committee on Human Services, recommends the bill be amended by striking all after the enacting clause and inserting in lieu thereof the following:

* * * Older Vermonters Act * * *

Sec. 1. 33 V.S.A. chapter 62 is added to read:

CHAPTER 62. OLDER VERMONTERS ACT

§ 6201. SHORT TITLE

This chapter may be cited as the "Older Vermonters Act."

§ 6202. PRINCIPLES OF SYSTEM OF SERVICES, SUPPORTS, AND PROTECTIONS FOR OLDER VERMONTERS

The State of Vermont adopts the following principles for a comprehensive

and coordinated system of services and supports for older Vermonters:

(1) Self-determination. Older Vermonters should be able to direct their own lives as they age so that aging is not something that merely happens to them but a process in which they actively participate. Whatever services, supports, and protections are offered, older Vermonters deserve dignity and respect and must be at the core of all decisions affecting their lives, with the opportunity to accept or refuse any offering.

(2) Safety and protection. Older Vermonters should be able to live in communities, whether urban or rural, that are safe and secure. Older Vermonters have the right to be free from abuse, neglect, and exploitation, including financial exploitation. As older Vermonters age, their civil and legal rights should be protected, even if their capacity is diminished. Safety and stability should be sought, balanced with their right to self-determination.

(3) Coordinated and efficient system of services. Older Vermonters should be able to benefit from a system of services, supports, and protections, including protective services, that is coordinated, equitable, and efficient; includes public and private cross-sector collaboration at the State, regional, and local levels; and avoids duplication while promoting choice, flexibility, and creativity. The system should be easy for individuals and families to access and navigate, including as it relates to major transitions in care.

(4) Financial security. Older Vermonters should be able to receive an adequate income and have the opportunity to maintain assets for a reasonable quality of life as they age. If older Vermonters want to work, they should be able to seek and maintain employment without fear of discrimination and with any needed accommodations. Older Vermonters should also be able to retire after a lifetime of work, if they so choose, without fear of poverty and isolation.

(5) Optimal health and wellness. Older Vermonters should have the opportunity to receive, without discrimination, optimal physical, dental, mental, emotional, and spiritual health through the end of their lives. Holistic options for health, exercise, counseling, and good nutrition should be both affordable and accessible. Access to coordinated, competent, and high-quality care should be provided at all levels and in all settings.

(6) Social connection and engagement. Older Vermonters should be free from isolation and loneliness, with affordable and accessible opportunities in their communities for social connectedness, including work, volunteering, lifelong learning, civic engagement, arts, culture, and broadband access and other technologies. Older Vermonters are critical to our local economies and their contributions should be valued by all.

(7) Housing, transportation, and community design. Vermont communities should be designed, zoned, and built to support the health, safety, and independence of older Vermonters, with affordable, accessible, appropriate, safe, and service-enriched housing, transportation, and community support options that allow them to age in a variety of settings along the continuum of care and that foster engagement in community life.

(8) Family caregiver support. Family caregivers are fundamental to supporting the health and well-being of older Vermonters, and their hard work and contributions should be respected, valued, and supported. Family caregivers of all ages should have affordable access to education, training, counseling, respite, and support that is both coordinated and efficient.

Sec. 1. VERMONT WORKING GROUP ON WILDLIFE FUNDING;

REPORT

(a) Findings. The General Assembly finds that:

(1) It is the policy of the State that the Commissioner of Fish and Wildlife is required to safeguard the fish, wildlife, and fur-bearing animals of the State for all of the people of the State.

(2) The duties and responsibilities of the Department have grown since the days of focusing primarily on deer herd management and now include management of all wildlife species, including game and non-game; law enforcement; monitoring and restoring threatened and endangered species; habitat conservation; technical assistance; regulatory review; educational programs for hunters, youths, and teachers; public license sales; and management of grants issued or received by the Department.

(3) Since 1985, resident hunting license sales have decreased by 56 percent, resident trapping license sales have decreased by 51 percent, and resident fishing license sales have decreased by 25 percent.

(4) As a result of declining license and fee revenue, the General Assembly has increased and may need to further increase the amount of General Fund dollars annually appropriated to the Department of Fish and Wildlife.

(5) The need for increased funding of the Department will be heightened by the increased research, monitoring, and interventions required by new, contemporary, and well-documented challenges to all wildlife in Vermont, such as climate change, pollution, invasive species, and habitat degradation.

(6) To address declining license and permit fee revenue, the State must find stable, long-term revenue sources to pay for the costs of the Department of Fish and Wildlife conserving and managing fish, wildlife, and fur-bearing animals of the State and the natural systems upon which they depend for all of the people of the State.

(b) Creation of Working Group. Based on the findings set forth in subsection (a) of this section, there is created the Vermont Working Group on Wildlife Funding to identify potential sources of revenue to fund the Department of Fish and Wildlife for the next 20 years.

(c) Membership. The Vermont Working Group on Wildlife Funding shall be composed of the following members:

(1) three current members of the House of Representatives, who shall be appointed by the Speaker of the House and who shall include:

(A) the Chair of the Committee on Natural Resources, Fish, and Wildlife or designee;

(B) the Chair of the Committee on Appropriations or designee; and

(2) three current members of the Senate, who shall be appointed by the Committee on Committees and who shall include:

(A) the Chair of the Committee on Natural Resources and Energy or designee;

(B) the Chair of the Committee on Appropriations or designee; and

(C) a member of the Senate at large.

(d) Powers and duties. The Vermont Working Group on Wildlife Funding shall review and analyze the funding, management, and policies of the Department of Fish and Wildlife (Department) under statute and rule, and

shall:

(1) Assess how the principles and priorities for the conservation and management of fish, wildlife, and fur-bearing animals and the natural systems upon which they depend will impact sources and amounts of funding needed by the Department for the next 20 years. The assessment shall:

(A) address the stability of all current Department funding streams going forward;

(B) estimate revenues and identify new and existing revenue sources and other resources needed for new and additional programs at the Department; and

(C) consider equitability when evaluating potential revenue sources.

(2) Recommend how the Department can create and maintain stable and adequate funding for the next 20 years.

(e) Assistance. The Vermont Working Group on Wildlife Funding shall have the administrative, technical, and legal assistance of the Office of Legislative Council. The Working Group shall have the assistance of the Joint Fiscal Office on fiscal issues and the assistance of the Department of Fish and Wildlife on issues related to the jurisdiction of the Department.

(f) Report. On or before January 1, 2021, the Vermont Working Group on Wildlife Funding shall report to the House Committees on Natural Resources, Fish, and Wildlife, on Appropriations, and on Government Operations and the Senate Committees on Natural Resources and Energy, on Appropriations, and on Government Operations with its findings and any recommendations for legislative action.

(g) Meetings.
