Sec. 1. LEGISLATIVE INTENT

It is the intent of the General Assembly that any exceptions made to existing landlord and tenant relationships in this act are limited solely to recovery residences operating pursuant to this act. These exceptions are intended to enable the expansion of recovery residences throughout the State and ensure their accessibility to individuals recovering from a substance use disorder.

Sec. 2. 18 V.S.A. § 4812 is added to read:

§ 4812. RECOVERY RESIDENCES

(1) As used in this section, “recovery residence” means a shared living residence supporting persons recovering from a substance use disorder that:

(B) Is certified by an organization that is a Vermont affiliate of the National Alliance for Recovery Residences and adheres to the national standards established by the Alliance or its successor in interest. If there is no successor in interest, the Department of Health shall designate a certifying organization to uphold appropriate standards for recovery housing.

(2) As used in this section, “the illegal use of prescription drugs” refers to the use of prescription drugs by a person who does not hold a valid prescription for that drug or in an amount that exceeds the dosing instructions.

(b) Voluntary arrangement. The decision to live in a recovery residence

shall be voluntary and shall not be required or mandated by any private or public entity or individual.

(c) Terms of residency; compliance.

(1) Landlord and tenant relationship. A recovery residence and a resident have a landlord and tenant relationship that is subject to 9 V.S.A. chapter 137, except as otherwise provided in subdivisions (3)–(4) of this subsection.

(2) Residential rental agreement.

(A) A recovery residence and a resident shall execute a written rental agreement that includes:

- (i) the policies and procedures governing the tenancy;
- (ii) a statement that the recovery residence and the resident will comply with the policies and procedures;
- (iii) the consequences of noncompliance;
- (iv) the identification of a verified location where the resident may be housed in the event of temporary removal;
- (v) payment requirements;
- (vi) notice requirements and procedure for terminating the tenancy;
- (vii) the contact information for a resident's probation or parole officer, if the resident is on furlough or parole from the Department of Corrections; and
- (viii) any other provisions to which the parties agree.

(B) The parties may amend a rental agreement in a written record signed by the parties.

(C) A resident may have a support person present when negotiating and executing a rental agreement or amendment.

(3) Temporary removal.

(A) A recovery residence shall adopt policies and procedures that govern the temporary removal of a resident who uses alcohol or illegal substances, engages in the illegal use of prescription drugs, or engages in violent, sexually harassing, or threatening behavior, consistent with the following:

Favorable with Amendment

S. 119

An act relating to a statewide use of deadly force policy for law enforcement

Rep. LaLonde of South Burlington, for the Committee on Judiciary, recommends that the House propose to the Senate that the bill be amended by striking all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. 20 V.S.A. § 2368 is added to read:

§ 2368. STANDARDS FOR LAW ENFORCEMENT USE OF FORCE

(a) Definitions. As used in this section:

(1) “Deadly force” means any use of force that creates a substantial risk of causing death or serious bodily injury.

(2) “Force” means the physical coercion employed by a law enforcement officer to compel a person’s compliance with the officer’s instructions.

(3) “Imminent threat of death or serious bodily injury” means when, based on the totality of the circumstances, a reasonable officer in the same situation would believe that a person has the present ability, opportunity, and apparent intent to immediately cause death or serious bodily injury to the law enforcement officer or another person. An imminent threat is not merely a fear of future harm, no matter how great the fear and no matter how great the likelihood of the harm, but is one that, from appearances, must be immediately addressed and confronted.

(4) “Law enforcement officer” shall have the same meaning as in 20 V.S.A. § 2351a.

(5) “Prohibited restraint” means the use of any maneuver on a person that applies pressure to the neck, throat, windpipe, or carotid artery that may prevent or hinder breathing, reduce intake of air, or impede the flow of blood or oxygen to the brain.

(6) “Totality of the circumstances” means the conduct and decisions of the law enforcement officer leading up to the use of force and all facts known or reasonably available to the law enforcement officer at the time, including whether a medical condition, mental impairment, developmental disability, physical limitation, language barrier, drug or alcohol impairment, or other factor beyond the subject’s control interferes with the subject’s ability to understand or comply with law enforcement commands.

(b) Use of force.

(1) The authority of law enforcement to use physical force is a serious responsibility that shall be exercised judiciously and with respect for human rights and dignity and for the sanctity of every human life. Every person has a right to be free from excessive use of force by officers acting under authority of the State.

(2) A law enforcement officer shall use only the force objectively reasonable, necessary, and proportional to effect an arrest, to prevent escape, or to overcome resistance of a person the officer has reasonable cause to believe has committed a crime or to achieve any other lawful law enforcement objective.

(3) The decision by a law enforcement officer to use force shall be evaluated carefully and thoroughly, in a manner that reflects the gravity of that authority and the serious consequences of the use of force by law enforcement officers, in order to ensure that officers use force consistent with law and with agency policies.

(4) Whether the decision by a law enforcement officer to use force was objectively reasonable shall be evaluated from the perspective of a reasonable officer in the same situation, based on the totality of the circumstances. A law enforcement officer’s failure to use feasible and reasonable alternatives to force shall be a consideration for whether its use was objectively reasonable.

(5) When a law enforcement officer knows or reasonably should know that a subject’s conduct is the result of a medical condition, mental impairment, developmental disability, physical limitation, language barrier, drug or alcohol impairment, or other factor beyond the subject’s control, the officer shall take that information into account in determining the amount of force appropriate to use on the subject, if any.

(6) A law enforcement officer who makes or attempts to make an arrest need not retreat or desist from his or her efforts by reason of the resistance or threatened resistance of the person being arrested. A law enforcement officer shall not be deemed an aggressor or lose the right to self-defense by the use of proportional force if necessary in compliance with subdivision (b)(2) of this section to effect the arrest or to prevent escape or to overcome resistance. For

the purposes of this subdivision, “retreat” does not mean tactical repositioning or other de-escalation tactics.

(c) Use of deadly force.

(1) A law enforcement officer is justified in using deadly force upon another person only when, based on the totality of the circumstances, such force is objectively reasonable and necessary to:

(A) defend against an imminent threat of death or serious bodily injury to the officer or to another person; or

(B) apprehend a fleeing person for any felony that threatened or resulted in death or serious bodily injury if the officer reasonably believes that the person will cause death or serious bodily injury to another unless immediately apprehended.

(2) The use of deadly force is necessary when, given the totality of the circumstances, an objectively reasonable law enforcement officer in the same situation would conclude that there was no reasonable alternative to the use of deadly force that would prevent death or serious bodily injury to the officer or to another person.

(3) A law enforcement officer shall cease the use of deadly force as soon as the subject is under the officer’s control or no longer poses an imminent threat of death or serious bodily injury to the officer or to another person.

(4) A law enforcement officer shall not use deadly force against a person based on the danger that person poses to himself or herself, if an objectively reasonable officer would believe the person does not pose an imminent threat of death or serious bodily injury to the law enforcement officer or to another person.

(5) When feasible, a law enforcement officer shall, prior to the use of force, make reasonable efforts to identify himself or herself as a law enforcement officer and to warn that deadly force may be used.

(6) A law enforcement officer shall not use a prohibited restraint on a person for any reason.

(7) A law enforcement officer has a duty to intervene when the officer observes another officer using a prohibited restraint on a person.

Sec. 2. 13 V.S.A. § 2305 is amended to read:

§ 2305. JUSTIFIABLE HOMICIDE

If a person kills or wounds another under any of the circumstances enumerated below, he or she shall be guiltless:

Sec. 5. EFFECTIVE DATES

(a) Sec. 1 (standards for law enforcement use of force) and Sec. 2 (justifiable homicide) shall take effect on July 1, 2021.

(a) The purpose of this act is to provide appropriations for the operations of State government during fiscal year 2021. It is the express intent of the General Assembly that activities of the various agencies, departments, divisions, boards, and commissions be limited to those that can be supported by funds appropriated in this act or other acts passed prior to June 30, 2020. Agency and department heads are directed to implement staffing and service levels in fiscal year 2021 so as to meet this condition unless otherwise directed by specific language in this act or other acts of the General Assembly.

Sec. A.102 APPROPRIATIONS

(a) It is the intent of the General Assembly that this act serves as the primary source and reference for appropriations for fiscal year 2021.

(b) The sums herein stated are appropriated for the purposes specified in the following sections of this act. When no time is expressly stated during which any of the appropriations are to continue, the appropriations are single-year appropriations and only for the purpose indicated and shall be paid from funds shown as the source of funds. If in this act there is an error in either addition or subtraction, the totals shall be adjusted accordingly. Apparent

errors in referring to section numbers of statutory titles within this act may be disregarded by the Commissioner of Finance and Management.

(c) Unless codified or otherwise specified, all narrative portions of this act apply only to the fiscal year ending on June 30, 2021.

Sec. A.102.1 RELATIONSHIP WITH 2020 ACTS AND RESOLVES
NO. 120; REPEALS

(a) In order to respond promptly to the impact of the COVID-19 pandemic on the State of Vermont and its economy, the General Assembly enacted 2020 Acts and Resolves No. 120 in July 2020 to support the operations of State government during the first quarter of fiscal year 2021. Since that time, it has become apparent that it is preferable to enact appropriations to support the operations of State government for the entirety of fiscal year 2021, and certain appropriations from 2020 Acts and Resolves No. 120 must be repealed as set forth in subsection (b) of this section in order to provide for the full-year appropriations.

(b) The following are repealed:

(1) 2020 Acts and Resolves No. 120, Sec. A.3(a) (appropriations for the first quarter of fiscal year 2021);

(2) 2020 Acts and Resolves No. 120, Sec. A.4 (Phase I prorated appropriations fiscal year 2021 first quarter);

(3) the language following 2020 Acts and Resolves No. 120, Sec. A.6 but preceding Sec. A.7 (budgetary specifications and amounts); and

(4) 2020 Acts and Resolves No. 120, Sec. A.54(b) (narrative portions apply only to first quarter of fiscal year 2021).

(c) In the event of a conflict between the provisions of this act and the provisions of 2020 Acts and Resolves No. 120, the provisions of this act shall control.

Sec. A.103 DEFINITIONS

(a) As used in this act:

(1) “Encumbrances” means a portion of an appropriation reserved for the subsequent payment of existing purchase orders or contracts. The Commissioner of Finance and Management shall make final decisions on the appropriateness of encumbrances.

(2) “Grants” means subsidies, aid, or payments to local governments, to community and quasi-public agencies for providing local services, and to persons who are not wards of the State for services or supplies and means cash

or other direct assistance, including pension contributions.

(3) "Operating expenses" means property management; repair and maintenance; rental expenses; insurance; postage; travel; energy and utilities; office and other supplies; equipment, including motor vehicles, highway materials, and construction; expenditures for the purchase of land and construction of new buildings and permanent improvements; and similar items.

(4) "Personal services" means wages and salaries, fringe benefits, per diems, contracted third-party services, and similar items.

Sec. A.104 RELATIONSHIP TO EXISTING LAWS

(a) Except as specifically provided, this act shall not be construed in any way to negate or impair the full force and effect of existing laws.

Sec. A.105 OFFSETTING APPROPRIATIONS

(a) In the absence of specific provisions to the contrary in this act, when total appropriations are offset by estimated receipts, the State appropriations shall control, notwithstanding receipts being greater or less than anticipated.

Sec. A.106 FEDERAL FUNDS

(a) In fiscal year 2021, the Governor, with the approval of the General Assembly or the Joint Fiscal Committee if the General Assembly is not in session, may accept federal funds available to the State of Vermont, including block grants in lieu of or in addition to funds herein designated as federal. The Governor, with the approval of the General Assembly or the Joint Fiscal Committee if the General Assembly is not in session, may allocate all or any portion of such federal funds for any purpose consistent with the purposes for which the basic appropriations in this act have been made.

(b) If, during fiscal year 2021, federal funds available to the State of Vermont and designated as federal in this and other acts of the 2020 session of the Vermont General Assembly are converted into block grants or are abolished under their current title in federal law and reestablished under a new title in federal law, the Governor may continue to accept such federal funds for any purpose consistent with the purposes for which the federal funds were appropriated. The Governor may spend such funds for such purposes for not more than 45 days prior to Legislative or Joint Fiscal Committee approval. Notice shall be given to the Joint Fiscal Committee without delay if the Governor intends to use the authority granted by this section, and the Joint Fiscal Committee shall meet in an expedited manner to review the Governor's request for approval.

Sec. A.107 NEW POSITIONS

(a) Notwithstanding any other provision of law, the total number of authorized State positions, both classified and exempt, excluding temporary positions as defined in 3 V.S.A. § 311(a)(11), shall not be increased during fiscal year 2021 except for new positions authorized by the 2020 session. Limited service positions approved pursuant to 32 V.S.A. § 5 shall not be subject to this restriction.

Sec. B.1108 CORONAVIRUS RELIEF FUND; REALLOCATION;
ALLOCATION OF UNOBLIGATED MONIES; JOINT
FISCAL COMMITTEE

(a) Purpose. As set forth in 2020 Acts and Resolves Nos. 120, 136, 137, and 138, unless otherwise authorized by the Commissioner of Finance and Management, any monies appropriated from the State's Coronavirus Relief Fund (CRF) shall revert to the CRF to the extent they have not been expended by December 20, 2020 to enable reallocation. In addition, CRF monies appropriated during the 2020 legislative session that are no longer necessary because funds have been received for the same or a similar purpose from another source may revert to the CRF for reallocation. The purpose of this

section is to establish processes for allocating unobligated CRF monies and for reallocating reverted CRF monies and any unexpended and unencumbered monies appropriated from the CRF that the Commissioner of Finance and Management identifies between the date of final legislative passage of the fiscal year 2021 budget bill and December 20, 2020 as being unable to be expended for their original purposes by December 30, 2020.

(b) Allocation and reallocation.

(1) The Commissioner of Finance and Management may allocate unobligated CRF monies, reallocate reverted CRF monies, and reallocate unexpended and unencumbered CRF monies, upon approval of the proposed allocation or reallocation by the Joint Fiscal Committee as set forth in this subsection.

(2) If the Commissioner of Finance and Management identifies reverted CRF monies, unexpended and unencumbered CRF monies, or unobligated CRF monies, or a combination of these, that the Commissioner wishes to reallocate for a use other than that for which the CRF monies were originally appropriated, or that the Commissioner wishes to allocate, in the case of unobligated CRF monies, the Commissioner shall inform the Joint Fiscal Committee of:

(A) the amount or amounts available for allocation or reallocation;

(B) the proposed use or uses of the monies; and

(C) the manner in which the proposed use or uses comply with the parameters set forth in Sec. 5001 of the CARES Act, Pub. L. No. 116-136 and related guidance.

(3) Criteria for approval.

(A) Compliance with CRF parameters. In determining whether to approve a proposal submitted by the Commissioner under this section, the Joint Fiscal Committee shall first determine whether each proposed use of CRF monies complies with the parameters set forth in Sec. 5001 of the CARES Act, Pub. L. No. 116-136 and related guidance. If the Committee determines that a proposed use likely does not comply with the parameters, the Committee shall disapprove that proposed use.

(B) Timeliness. If the Committee determines that a proposed use likely does comply with the CRF parameters, it shall next consider whether the proposed use is likely to be achievable by December 30, 2020. If the Committee determines that the proposed use is unlikely to be achieved by December 30, 2020, the Committee shall disapprove that proposed use.

(C) Proposed uses.

(i) If the Committee determines that a proposed use likely complies with CRF parameters and is likely achievable by December 30, 2020, then, in light of the uncertainty regarding the continued effects of the COVID-19 public health emergency, the Committee shall evaluate the proposed use in the context of the areas of greatest need at the time of the proposal.

(ii) If the federal government allows the State to use CRF monies for purposes previously not permitted under Sec. 5001 of the CARES Act, Pub. L. No. 116-136 and related guidance, then, in addition to evaluating the proposed use in the context of the areas of greatest need, the Committee shall prioritize proposed uses related to revenue replacement for State government, local government, and the education finance system, and related to the funding of ongoing State financial liabilities.

(4) Joint Fiscal Committee process.

(A) Upon receipt of the information set forth in subdivision (2) of this subsection (b) from the Commissioner of Finance and Management, the Joint Fiscal Committee shall inform the General Assembly of the proposal and shall approve or disapprove each proposal within 10 calendar days following receipt.

(B) If the Joint Fiscal Committee disapproves a proposal, the Commissioner may revise and resubmit for further consideration. The Joint Fiscal Committee shall approve or disapprove within five calendar days following receipt of the revised proposal.

(5) Joint Fiscal Meetings.

(A) The Commissioner of Finance and Management shall report to the Joint Fiscal Office on or before November 5, 2020 and December 7, 2020 on the status of reallocation proposals under this section.

(c) Transfer authority. Nothing in this section shall be construed to limit the authority of the Emergency Board to transfer appropriations pursuant to 32 V.S.A. §§ 133 and 706.

(d) Final allocation and reallocation. (b) Expanded uses. If the federal government allows the State to use CRF monies for purposes previously not permitted under Sec. 5001 of the CARES Act, Pub. L. No. 116-136 and related guidance, but does not extend the period during which the monies must be expended, the Commissioner of Finance and Management shall inform the Joint Fiscal Committee and may propose additional uses of the CRF, which may include using unobligated CRF monies, previously allocated but unencumbered CRF monies that are unable to be expended by December 30, 2020, reverted CRF monies, or a combination of these, for Joint Fiscal Committee approval in accordance with the procedure set forth in Sec. 1108 of this act, including considering the areas of greatest need.

B.1108 of this act to those for which prompt action is necessary due to the time-sensitive nature of the proposed use or to the limited duration of the extension, or both.

(2) If the Joint Fiscal Committee, after consultation with the Commissioner, determines that the length of the extension would not provide the full General Assembly with sufficient time to address additional uses of CRF monies during the 2021 legislative session, the Joint Fiscal Committee shall consider the Commissioner's proposals in accordance with the procedure set forth in Sec. B.1108 of this act.

(3) In the event of an extension of time to use CRF monies, the final allocation and reallocation to the Department of Labor pursuant to Sec. B.1108 of this act shall not occur without the approval of the Joint Fiscal Committee.

(a) Findings and purpose.

(1) An eligible member of the Vermont National Guard is entitled to certain tuition benefits for courses taken at Vermont postsecondary educational institutions under the Vermont National Guard Tuition Benefit Program (16 V.S.A. § 2857).

(2) One of the eligibility requirements to participate in this Program is that the member must have successfully completed basic training.

(3) Due to safety measures implemented to address the COVID-19 pandemic, the number of available basic training slots has been reduced, making it impossible for members who are new enlistees to complete basic training prior to the fall college semester.

(4) The purpose of this section is to allow these new enlistees to gain the benefits of the Program if they would otherwise qualify to participate in the Program.

(b) Interim Vermont National Guard Tuition Benefit Program. The Interim Vermont National Guard Tuition Benefit Program (Interim Program) is created solely for new enlistees who have not completed basic training due solely to the reduced number of available basic training slots as a result of safety measures implemented to address the COVID-19 pandemic. The structure, administration, and terms and conditions of this Interim Program shall be identical to the Vermont National Guard Tuition Benefit Program under 16 V.S.A. § 2857, except that the Interim Program shall not require that a

member has successfully completed basic training. Eligible members under the Interim Program shall be entitled to this tuition benefit for courses offered by participating postsecondary educational institutions only during the fall 2020 semester.

(c) Vermont National Guard Tuition Benefit Program waiver. For new enlistees who want to use the tuition benefit under the Vermont National Guard Tuition Benefit Program established under 16 V.S.A. § 2857 for the spring 2021 semester and thereafter but have not completed basic training due solely to the reduced number of available basic training slots as a result of safety measures implemented to address the COVID-19 pandemic, the requirement to have successfully completed basic training (16 V.S.A. § 2857(c)(2)) is waived.

(d) Verification of future basic training. Before funds are allocated to a member under subsection (b) or (c) of this section, the Adjutant General shall provide verification to VSAC that the member has a reservation for a future basic training class.

(e) Service commitment. Academic attendance under the Interim Program shall count toward the member's service commitment under the Vermont National Guard Tuition Benefit Program, 16 V.S.A. § 2857(d).

(f) Other Program waivers authorized as necessary. In order to accommodate the Program changes described in subsections (b) and (c) of this section, where prompted by COVID-19 pandemic conditions the Adjutant General, on the recommendation of VSAC, may waive or partially suspend certain administrative and documentation requirements of the Program.

(g) Repeal. This section is repealed on the date that the Adjutant General certifies to the House Committee on General, Housing, and Military Affairs and the Senate Committee on Government Operations that all members who had not completed basic training due solely to the reduced number of available basic training slots as a result of safety measures implemented to address the COVID-19 pandemic have successfully completed, or are currently attending, basic training.
