An act relating to recovery residences

Rep. Killacky of South Burlington, for the Committee on General, Housing, and Military Affairs, recommends the bill be amended by striking all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. LEGISLATIVE INTENT

It is the intent of the General Assembly that any exceptions made to existing landlord and tenant relationships in this act are limited solely to recovery residences operating pursuant to this act. These exceptions are intended to enable the expansion of recovery residences throughout the State and ensure their accessibility to individuals recovering from a substance use disorder.

Sec. 2. 18 V.S.A. § 4812 is added to read:

§ 4812. RECOVERY RESIDENCES

(a) Definition.

(1) As used in this section, “recovery residence” means a shared living residence supporting persons recovering from a substance use disorder that:

(A) Provides residents with peer support, an environment that prohibits the use of alcohol and the illegal use of prescription drugs or other illegal substances, and provides assistance accessing support services and community resources available to persons recovering from substance use disorder; and

(B) Is certified by an organization that is a Vermont affiliate of the National Alliance for Recovery Residences and adheres to the national standards established by the Alliance or its successor in interest. If there is no successor in interest, the Department of Health shall designate a certifying organization to uphold appropriate standards for recovery housing.

(2) As used in this section, “the illegal use of prescription drugs” refers to the use of prescription drugs by a person who does not hold a valid prescription for that drug or in an amount that exceeds the dosing instructions.

(b) Voluntary arrangement. The decision to live in a recovery residence

shall be voluntary and shall not be required or mandated by any private or public entity or individual.

(c) Terms of residency; compliance.

(1) Landlord and tenant relationship. A recovery residence and a resident have a landlord and tenant relationship that is subject to 9 V.S.A. chapter 137, except as otherwise provided in subdivisions (3)–(4) of this subsection.

(2) Residential rental agreement.

(A) A recovery residence and a resident shall execute a written rental agreement that includes:

(i) the policies and procedures governing the tenancy;

(ii) a statement that the recovery residence and the resident will comply with the policies and procedures;

(iii) the consequences of noncompliance;

(iv) the identification of a verified location where the resident may be housed in the event of temporary removal;

(v) payment requirements;

(vi) notice requirements and procedure for terminating the tenancy;

(vii) the contact information for a resident's probation or parole officer, if the resident is on furlough or parole from the Department of Corrections; and

(viii) any other provisions to which the parties agree.

(B) The parties may amend a rental agreement in a written record signed by the parties.

(C) A resident may have a support person present when negotiating and executing a rental agreement or amendment.

(3) Temporary removal.

(A) A recovery residence shall adopt policies and procedures that govern the temporary removal of a resident who uses alcohol or illegal substances, engages in the illegal use of prescription drugs, or engages in violent, sexually harassing, or threatening behavior, consistent with the following:

(i) A recovery residence shall:

(I) provide written notice of the reason for temporary removal and of the actions the resident must take to avoid temporary removal or to be readmitted after temporary removal;

(II) design and implement harm reduction strategies for a resident who is temporarily removed, which may include providing naloxone to the resident upon temporary removal or other strategies more appropriate to the resident's recovery needs; and

(III) take action that is consistent with the resident's most recent reoccurrence agreement to the extent possible.

(ii) A recovery residence shall not temporarily remove a resident based solely on the resident's use of medication in conjunction with medication-assisted treatment, as defined in section 4750 of this title.

(B) Notwithstanding 9 V.S.A. §§ 4463 and 4464, a recovery residence that complies with the policies and procedures adopted pursuant to this subdivision (c)(3) may temporarily deny a resident access to the recovery residence and to his or her property within the residence.

(4) Termination of tenancy.

(A) A recovery residence shall adopt policies and procedures that govern the termination of tenancy of a resident who violates one or more provisions of the rental agreement, consistent with the following:

(i) A recovery residence shall:

(I) provide written notice of its intent to terminate the tenancy that includes the reason for termination and the actions the resident must take to avoid removal;

(II) design and implement harm reduction strategies for a resident whose tenancy is terminated, which may include providing naloxone to the resident upon removal or other strategies more appropriate to the resident's recovery needs; and

(III) adopt a review process under which:

(aa) a person other than the original decision maker or a subordinate of the original decision maker, which may include a Vermont affiliate of the National Alliance for Recovery Residences, reviews the decision to terminate the tenancy;

(bb) the resident has a meaningful opportunity to present evidence why the resident should not be removed; and

(cc) the resident receives prompt written notice of a final

decision.

(ii) A recovery residence shall not:

(I) terminate a tenancy because a resident uses alcohol or illegal substances, or engages in the illegal use of prescription drugs, unless:

(aa) the resident fails to take the actions required to avoid temporary removal or to be readmitted after temporary removal; and

(bb) the recovery residence has contemporary drug test results verified by a laboratory approved by the State; or

(II) terminate a tenancy based solely on the resident's use of medication in conjunction with medication-assisted treatment, as defined in section 4750 of this title.

(B) Notwithstanding 9 V.S.A. §§ 4467 and 4468, a recovery residence that complies with the policies and procedures adopted pursuant to this subdivision (c)(5) may terminate the tenancy of a resident pursuant to the notice requirements and procedure for terminating the tenancy provided in the rental agreement.

(d) Drug testing. A recovery residence shall adopt policies and procedures that govern drug testing of residents and shall apply the policies and testing procedures fairly among residents.

(e) Future services. A recovery residence shall not deny future services to a resident who has been either temporarily removed from a recovery residence or whose tenancy has been terminated, based solely on the resident's use of alcohol or illegal substances or the illegal use of prescription drugs.
