* * * Adult Career and Technical Education System * * *

Sec. 13. ADULT CTE SYSTEM

(a) Findings; purpose.

(1) Findings. The General Assembly finds:

(A) Like many rural states, Vermont faces demographic realities that have resulted in an historically low unemployment rate and created obstacles for employers that seek to hire and retain enough fully trained employees.

(B) Notwithstanding this high employer demand, due to rapidly changing technology and evolving business needs, potential employees may lack the particular skills and training necessary to qualify for available jobs.

(C) In order to assist employers and employees in matching demand to requisite skills, Vermont has a broad diversity of adult workforce education and training programs offered by multiple providers, including programs administered or funded by State government, educational institutions, business and industry, and private professionals.

(2) Purpose. Consistent with the goals and purposes of 2018 Acts and Resolves No. 189, pursuant to which the State Workforce Development Board and other stakeholders are currently engaged in planning the design

and implementation of a fully integrated workforce development system, it is the purpose of the General Assembly to explore the creation of a fully integrated adult career and technical education system that:

(A) provides Vermonters throughout the State with high quality programs that are standardized, replicable, and offered with regularity and consistency;

(B) coordinates, or integrates where appropriate, the many programs and providers to maximize the efficient use of training resources; and

(C) features a governance structure that provides consistency across the system whenever appropriate, but also provides the flexibility necessary to respond to local and regional workforce demands.

(b) Adult CTE System.

(1) The Department of Labor, in collaboration with the Agency of Education, the Vermont State Colleges, and the Vermont Adult Technical Education Association, shall issue a request for proposals for consulting services, the purpose of which shall be to consider and report to the General Assembly on the design, implementation, and costs of an integrated adult career and technical education system that achieves the results specified in subdivision (a)(2) of this section.

(2) In performing his or her work, the consultant shall conduct a broad-based stakeholder engagement process to solicit input from interested parties, and State agencies and departments shall provide the consultant with necessary information and assistance within their relative areas of expertise.

(c) Report. On or before January 15, 2020 the Department of Labor shall submit a report on the work of the consultant selected and any recommendations for legislative action to the House Committee on Commerce and Economic Development and the Senate Committee on Economic Development, Housing and General Affairs.

An act relating to the time frame for return of unclaimed beverage container deposits

The House concurs in the Senate proposal of amendment with further amendment thereto as follows:

First: By striking out Secs. 11, 12 ,13, and 14 and their reader assistance heading in their entirety and inserting in lieu thereof new Secs. 11, 12, 13, and 14 and their reader assistance heading to read as follows:

* * * Weatherization; Building Energy Labeling and Benchmarking * * *

Sec. 11. FINDINGS

The General Assembly finds that for the purposes of Secs. 12–14 of this act:

(1) Pursuant to 10 V.S.A. § 578, it is the goal of Vermont to reduce greenhouse gas emissions from the 1990 baseline by 50 percent by January 1, 2028, and, if practicable, by 75 percent by January 1, 2050. Pursuant to 10 V.S.A. § 581, it is also the goal of Vermont to improve the energy fitness of at least 20 percent (approximately 60,000 units) of the State’s housing stock by 2017, and 25 percent (approximately 80,000 units) by 2020, thereby reducing fossil fuel consumption and saving Vermont families a substantial amount of money.

(2) The State is failing to achieve these goals. For example, Vermont’s greenhouse gas emissions have increased 16 percent compared to the 1990 baseline.

(3) Approximately 24 percent of the greenhouse gas emissions within Vermont stem from residential and commercial heating and cooling usage. Much of Vermont's housing stock is old, inadequately weatherized, and therefore not energy efficient.

(4) The Regulatory Assistance Project recently issued a report recommending two strategies to decarbonize Vermont and address climate change. First, electrifying the transportation sector. Second, focusing on substantially increasing the rate of weatherization in Vermont homes and incentivizing the adoption of more efficient heating technologies such as cold climate heat pumps.

(5) Although the existing Home Weatherization Assistance Program assists Vermonters with low income to weatherize their homes and reduce energy use, the Program currently weatherizes approximately 850 homes a year. This rate is insufficient to meet the State's statutory greenhouse gas reduction and weatherization goals.

(6) Since 2009, proceeds from the Regional Greenhouse Gas Initiative (RGGI) and the Forward Capacity Market (FCM) have been used to fund thermal efficiency and weatherization initiatives by Efficiency Vermont, under the oversight of the Public Utility Commission (PUC). Approximately 800 Vermont homes and businesses are weatherized each year under a market-based approach that utilizes 50 participating contractors. Efficiency Vermont and the contractors it works with have the capacity to substantially increase the number of projects undertaken each year.

(7) A multipronged approach is necessary to address these issues. The first part will establish a statewide voluntary program for rating and labeling the energy performance of buildings to make energy use and costs visible for buyers, sellers, owners, lenders, appraisers, and real estate professionals. The second part will allow Efficiency Vermont to use unspent funds to weatherize more homes and buildings. The third part will ask the Public Utility Commission to undertake a proceeding to examine whether to recommend to the General Assembly the creation of an all-fuels energy efficiency program, the expansion of the services that efficiency utilities may provide, and related issues.

Sec. 12. 30 V.S.A. chapter 2, subchapter 2 is added to read:

Subchapter 2. Building Energy Labeling and Benchmarking

§ 61. DEFINITIONS

As used in this subchapter:

(8) “Energy rating” means a simplified mechanism to convey a building’s energy performance. The rating may be based on the operation of the building or modeled based on the building’s assets.

(9) “Home energy assessor” means an individual who assigns buildings a home energy performance score using a scoring system based on the energy rating.

(10) “Multiunit building” means a building that contains more than one independent dwelling unit or separate space for independent commercial use, or both.

(12) “Unit holder” means the tenant or owner of an independent dwelling unit or separate space for independent commercial use within a multiunit building.

An act relating to consumer justice enforcement.

To the Senate and House of Representatives:

The Committee of Conference, to which were referred the disagreeing votes of the two Houses upon Senate Bill, entitled:

S.18. An act relating to consumer justice enforcement

Respectfully report that they have met and considered the same and recommend that the House recede from its proposals of amendment, and that the bill be amended by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. 1. 9 V.S.A. chapter 152 is added to read:

CHAPTER 152. MODEL STATE CONSUMER JUSTICE ENFORCEMENT ACT; STANDARD-FORM CONTRACTS

§ 6055. UNCONSCIONABLE TERMS IN STANDARD-FORM CONTRACTS PROHIBITED

(a) Unconscionable terms. There is a rebuttable presumption that the following contractual terms are substantively unconscionable when included in a standard-form contract to which only one of the parties to the contract is an individual and that individual does not draft or have a meaningful opportunity to negotiate the contract:

(1) A requirement that resolution of legal claims takes place in an inconvenient venue. As used in this subdivision, “inconvenient venue” for State law claims means a place other than the state in which the individual resides or the contract was consummated, and for federal law claims means a place other than the federal judicial district where the individual resides or the contract was consummated. Notwithstanding this subdivision, a standard-form contract may include a term requiring that resolution of legal claims takes place in a State or federal court in Vermont.

(2) A waiver of the individual’s right to a jury trial or to bring a class action.

(3) A waiver of the individual's right to seek punitive damages as provided by law.

(4) Pursuant to 12 V.S.A. § 465, a provision that limits the time in which an action may be brought under the contract or that waives the statute of limitations.

(5) A requirement that the individual pay fees and costs to bring a legal claim substantially in excess of the fees and costs that this State's courts require to bring such a State law claim or that federal courts require to bring such a federal law claim.

(b) Relation to common law and the Uniform Commercial Code. In determining whether the terms described in subsection (a) of this section are unenforceable, a court shall consider the principles that normally guide courts in this State in determining whether unconscionable terms are enforceable. Additionally, the common law and Uniform Commercial Code shall guide courts in determining the enforceability of unfair terms not specifically identified in subsection (a) of this section.

(c) Severability.

(1) If a court finds that a standard-form contract contains an illegal or unconscionable term, the court shall:

(A) refuse to enforce the entire contract or the specific part, clause, or provision containing the illegal or unconscionable term; or

(B) so limit the application of the illegal or unconscionable term or the clause containing such term as to avoid any illegal or unconscionable result.

(2) In performing its analysis under this subsection, the court may consider the actual purposes of the contracting parties and whether severing the term would create an incentive for contract drafters to include similar illegal or unconscionable terms.

(d) Unfair and deceptive act and practice.

(1) In an underlying legal dispute between the drafting and nondrafting parties in which the drafting party seeks to enforce one or more terms identified in subsection (a) of this section, and upon a finding that such terms are actually unconscionable, the court may also find that the drafting party has thereby committed an unfair and deceptive practice in violation of section 2453 of this title and may order up to \$1,000.00 in statutory damages per violation and an award of reasonable costs and attorney's fees.

(2) Each term found to be unconscionable pursuant to subsection (a) of this section shall constitute a separate violation of this section.

(e) Limitation on applicability. This section shall not apply to the following contracts:

(1) A contract to which one party is:

(A) regulated by the Vermont Department of Financial Regulation; or

(B) a financial institution as defined by 8 V.S.A. § 11101(32) or a credit union as defined by 8 V.S.A. § 30101(5).

(2) A contract for the nondrafting party's enrollment or participation in a recreational activity, sport, or competition.

(3) A motor vehicle retail installment contract subject to 9 V.S.A. chapter 59.

Senate Resolution to be introduced:

By Senators Cummings, Perchlik and Pollina,

S.R. 7. Senate resolution relating to congratulating the Village Harmony choral music organization on its 30th anniversary.

Whereas, for the past three decades, Vermonters have enjoyed the choral performances of Village Harmony ensembles, featuring historical and contemporary shape note singing as well as a diversity of American and international musical genres, and

Whereas, in 1988, choral music director Larry Gordon assembled the first small ensemble of central Vermont high school singers known as Village Harmony, and in 1990, Village Harmony held its first teen summer camp, spawning a schedule of camps that has brought the joy of singing to youth and adult campers, and

Whereas, in 1994, Village Harmony launched a more daring venture when the teen camp traveled to Russia, initiating an exciting overseas program, and

Whereas, also in 1994, Patty Cuyler assumed the position of Village Harmony's co-director, and her leadership has been essential to the organization's activities, especially those beyond the nation's borders, and

Whereas, the Village Harmony family of ensembles now includes Boston Harmony, the Brooklyn World Music Chorus, the Chicago World Music Chorus, and its top-level group that has performed to acclaim both locally and internationally, Northern Harmony, and

Whereas, through its camps and tours, Village Harmony has become Vermont's musical ambassador to much of Europe, including the Balkans, the Baltics, and the Caucasus, as well as to Ghana and South Africa, and

Whereas, Village Harmony's international musicianship involves far more than performances for appreciative audiences, as a wonderful exchange of musical ideas and traditions occurs, and

Whereas, on Labor Day weekend 2019, the Village Harmony 30th Anniversary Reunion weekend will celebrate three decades of “international understanding, youth empowerment, and peacebuilding through the arts,” now therefore be it

Resolved by the Senate:

That the Senate of the State of Vermont congratulates the Village Harmony choral music organization on its 30th anniversary and wishes it continued success in its artistic endeavors, *and be it further*

Resolved: That the Secretary of the Senate be directed to send a copy of this resolution to Village Harmony, Larry Gordon, and Patty Cuyler.
