Sec. 1. 6 V.S.A. § 571 is added to read:

§ 571. HEMP SEED; LABELING; STANDARDS

(2) fails to meet germination standards, feminized seed claims, or other claims made on the label or in an advertisement or provides false or misleading information on a label or in an advertisement;

(3) fails to meet certification standards if standards have been adopted by the Secretary by rule; or

(4) consists of or contains prohibited noxious weed seeds, as that term is defined in section 641 of this title.

(b) Hemp seed sold, offered for sale, exposed for sale, transported for sale, or distributed in the State shall have a label attached to the bag or container in which the seed is sold, offered for sale, exposed for sale, transported for sale, or distributed. The label shall contain the following information:

(f) The Secretary may conduct inspections and otherwise enforce requirements for the sale or distribution of hemp seed established under this chapter according to the Secretary's general authority to regulate seed under chapter 35 of this title, provided that the Secretary shall issue any penalty for the violation of the requirements of this chapter under the provisions of this chapter or rules adopted under this chapter.
