UNFINISHED BUSINESS OF MARCH 24, 2020

Third Reading

S. 191.

An act relating to tax increment financing districts.

UNFINISHED BUSINESS OF MARCH 27, 2020

Committee Resolution for Second Reading

J.R.S. 45.

Joint resolution urging Congress to reassess the federal definition of hemp in order to allow the product to contain up to one percent delta-9 tetrahydrocannabinol (THC).

By the Committee on Agriculture. (Senator Star for the Committee.)

Text of Resolution:

Whereas, under the Agriculture Improvement Act of 2018, also known as the 2018 Farm Bill, hemp was removed from the list of controlled substances and production was therefore legalized throughout the United States, and

Whereas, a variety of products can be made from hemp through the use of its fiber, seed, seed oil, or floral extracts. Hemp can be found in products such as paper, fabric, auto parts, animal bedding, body care products, and essential oils, and

Whereas, cannabidiol (CBD) is a chemical compound of *Cannabis sativa*, bearing little to no psychoactive effects, and is being evaluated for its role as a food additive or health supplement, and

Whereas, economic forecasts predict that the total collective market in CBD sales in the United States will be between \$15 billion to \$20 billion annually by 2025, and

Whereas, in 2019, the Vermont Agency of Agriculture, Food and Markets approved 983 permits to grow or process hemp on 8,880 acres in Vermont, and

Whereas, hemp was grown in every county of the State in 2019, and

Whereas, cultivators and processors of hemp in Vermont have invested millions of dollars to purchase the equipment and resources necessary to successfully produce hemp and hemp products, and

Whereas, the development and growth of the hemp industry in Vermont is critical to improving the health and vitality of the rural economy of the State; and

Whereas, the federal government defines hemp in the 2018 Farm Bill as “the plant *Cannabis sativa* L. and any part of that plant, including the seeds thereof and all derivatives, extracts, cannabinoids, isomers, acids, salts, and salts of isomers, whether growing or not, with a delta-9 tetrahydrocannabinol level of not more than 0.3 percent on a dry weight basis,” and

Whereas, hemp farmers and processors encourage Congress to reassess the definition of hemp as referenced in the 2018 Farm Bill and increase the farm production values to one percent tetrahydrocannabinol (THC) in order to allow hemp farmers to increase yield potential per acre and profitability for all hemp grown in the State, and

Whereas, increasing yield potential per acre equates to increased profit potential for Vermont’s farm families and hemp processors, *now therefore be it*

Resolved by the Senate and House of Representatives:

That the General Assembly urges Congress to revise the current definition of hemp found in the Agriculture Improvement Act of 2018, increasing the THC threshold from 0.3 percent to 1.0 percent, *and be it further*

Resolved: That the Secretary of State be directed to send a copy of this resolution to the Vermont Congressional Delegation, the President Pro Tempore and Secretary of the U.S. Senate, and the Speaker of the U.S. House of Representatives.

This section shall not apply to cases of resignation or separation from service for reasons unrelated to disciplinary action.~~

~~(b) Within 30 days of any judgment or settlements involving a claim of professional negligence by a licensee, any insurer of the licensee shall report the information to the Commissioner of Health and, to the extent the claim relates to the provision of mental health services, to the Commissioner of Mental Health.~~

Definition of reportable disciplinary action. A reportable disciplinary action is an action based on one or more of the following:

(1) Acts or omissions of a licensee that relate to the licensee's fitness or competence to practice medicine under the license held.

(2) Acts or omissions of the licensee that constitute a violation of a law or rule that relates in any way to the practice of medicine.

(3) Acts or omissions of the licensee that occur in the course of practice and result in one or more of the following:

(A) Resignation, leave of absence, termination, or nonrenewal of an employment relationship or contract. This includes a licensee's own initiation of such action following notification to the licensee by the reporter that the reporter or an affiliated entity is conducting an investigation or inquiry regarding an event that, assuming the accuracy of the information or allegation, is likely to result in reportable disciplinary action. The reporter or affiliated entity shall complete the investigation or inquiry even if the licensee initiates a resignation, leave of absence, termination, or nonrenewal, and shall make a report to the Board if the investigation results in a finding of a reportable disciplinary action. Resignations and leaves of absence that are entirely voluntary by the licensee, and terminations and nonrenewals of employment or contract by a required reporter that are not related to acts or omissions of the licensee, are not reportable disciplinary actions.

(B) Revocation, suspension, restriction, relinquishment, or nonrenewal of a right or privilege. This includes a licensee's own initiation of such action following notification to the licensee by the reporter that the reporter or an affiliated entity is conducting an investigation or inquiry regarding an event that, assuming the accuracy of the information or allegation, is likely to result in reportable disciplinary action. The reporter or affiliated entity shall complete the investigation or inquiry even if the licensee initiates a resignation, leave of absence, termination, or nonrenewal, and shall make a report to the Board if the investigation results in a finding of a reportable disciplinary action. Relinquishments of privileges that are entirely voluntary by the licensee, and revocations, nonrenewals, or other limitations on privileges by a required reporter that are not related to acts or omissions of the licensee, are not reportable disciplinary actions.

(C) Written discipline that constitutes a censure, reprimand, or admonition, if it is the second or subsequent censure, reprimand, or admonition within a 12-month period for the same or related acts or omissions that previously resulted in written censure, reprimand, or admonition. The same or related acts or omissions includes similar behavior or behavior involving the same parties, or both. Oral censure, oral reprimand, and oral admonition are not considered reportable disciplinary actions, and notation of an oral censure, oral reprimand, or oral admonition in a personnel or supervisor's file does not transform the action from oral to written.

(D) Fine or any other form of monetary penalty imposed as a form of discipline.

(E) Required education, remedial counseling, or monitoring that is imposed as a result of a completed, contested disciplinary process. This includes recommendation or referral for services from the Vermont Practitioner Recovery Network established pursuant to section 1401a of this chapter, or from an employer wellness program or similar program, as a result of a completed, contested disciplinary process.

(c) Timing of reports. A required report of reportable disciplinary action under subsection (b) of this section shall be made within 30 days following the date on which the disciplinary action was taken or upon completion of an investigation or inquiry pursuant to subdivision (b)(3)(A) or (B) of this section.

(d) Mental health services. If reportable disciplinary action is reported to the Board based on a licensee's provision of mental health services, the Commissioner of Health shall forward the report to the Commissioners of Mental Health and of Disabilities, Aging, and Independent Living. Except as provided in section 1368 of this title, information provided to the Department of Health, the Department of Mental Health, or the Department of Disabilities, Aging, and Independent Living under this section shall be confidential unless the Department of Health decides to treat the report as a complaint; in which case, the provisions of section 1318 of this title shall apply.

(d)(e) Limitation on liability. A person who acts in good faith in accord accordance with the provisions of this section shall not be liable for damages in any civil action based on the fact that a report was made.

(e)(f) Violations. A person reporter who violates this section shall be subject to a civil penalty of not more than \$5,000.00, provided that a reporter who employs or grants privileges to five or more Board licensees and who violates this section shall be subject to a civil penalty of not more than \$10,000.00.
