An act relating to tax increment financing districts.

UNFINISHED BUSINESS OF MARCH 27, 2020

Committee Resolution for Second Reading

J.R.S. 45.

Joint resolution urging Congress to reassess the federal definition of hemp in order to allow the product to contain up to one percent delta-9 tetrahydrocannabinol (THC).

By the Committee on Agriculture. (Senator Star for the Committee.)

Text of Resolution:

Whereas, under the Agriculture Improvement Act of 2018, also known as the 2018 Farm Bill, hemp was removed from the list of controlled substances and production was therefore legalized throughout the United States, and

- 5560 -
Whereas, a variety of products can be made from hemp through the use of its fiber, seed, seed oil, or floral extracts. Hemp can be found in products such as paper, fabric, auto parts, animal bedding, body care products, and essential oils, and

Whereas, cannabidiol (CBD) is a chemical compound of Cannabis sativa, bearing little to no psychoactive effects, and is being evaluated for its role as a food additive or health supplement, and

Whereas, economic forecasts predict that the total collective market in CBD sales in the United States will be between $15 billion to $20 billion annually by 2025, and

Whereas, in 2019, the Vermont Agency of Agriculture, Food and Markets approved 983 permits to grow or process hemp on 8,880 acres in Vermont, and

Whereas, hemp was grown in every county of the State in 2019, and

Whereas, cultivators and processors of hemp in Vermont have invested millions of dollars to purchase the equipment and resources necessary to successfully produce hemp and hemp products, and

Whereas, the development and growth of the hemp industry in Vermont is critical to improving the health and vitality of the rural economy of the State; and

Whereas, the federal government defines hemp in the 2018 Farm Bill as “the plant Cannabis sativa L. and any part of that plant, including the seeds thereof and all derivatives, extracts, cannabinoids, isomers, acids, salts, and salts of isomers, whether growing or not, with a delta-9 tetrahydrocannabinol level of not more than 0.3 percent on a dry weight basis,” and

Whereas, hemp farmers and processors encourage Congress to reassess the definition of hemp as referenced in the 2018 Farm Bill and increase the farm production values to one percent tetrahydrocannabinol (THC) in order to allow hemp farmers to increase yield potential per acre and profitability for all hemp grown in the State, and

Whereas, increasing yield potential per acre equates to increased profit potential for Vermont’s farm families and hemp processors, now therefore be it

Resolved by the Senate and House of Representatives:

That the General Assembly urges Congress to revise the current definition of hemp found in the Agriculture Improvement Act of 2018, increasing the THC threshold from 0.3 percent to 1.0 percent, and be it further

Resolved: That the Secretary of State be directed to send a copy of this resolution to the Vermont Congressional Delegation, the President Pro Tempore
and Secretary of the U.S. Senate, and the Speaker of the U.S. House of Representatives.

Third Reading

S. 224.

An act relating to evidence-based structured literacy instruction for students in kindergarten–grade 3 and students with dyslexia and to teacher preparation programs.

Amendment to S. 224 to be offered by Senators Brock and White before Third Reading

Senators Brock and White move to amend the bill by striking out Sec. 6 in its entirety and inserting in lieu thereof a new Sec. 6 to read as follows:

- 5590 -
Sec. 6. GENDER BALANCE; UNIVERSITY OF VERMONT AND VERMONT STATE COLLEGES BOARDS

(a) The Board of Trustees of the University of Vermont (UVM) currently is composed of an overwhelming majority of men, with 20 men and five women. The Board of Trustees of the Vermont State Colleges (VSC) currently has gender balance on its Board.

(b) The State goal is to have balanced representation on Vermont public bodies that ensures equity and the opportunity for all members of society to participate based on merit, regardless of their gender or gender identity, race, creed, national origin, marital status, sexual orientation, disability status, or any other personal descriptor. Given the gender imbalance on the UVM Board, it is not clear that this goal is being met by the appointers and electing authorities of Board members.

(c) Given that the UVM and VSC Boards have four categories of trustees, which include those appointed by the Governor, those elected by the General Assembly, and those elected by the self-perpetuating trustees, as well as student trustees, it is incumbent on the appointing and electing authorities to use their best efforts to further the State goal of having balanced representation on these Boards, recognizing that their efforts will be monitored by the General Assembly and the public.

(d) On or before January 31, 2021 and annually thereafter, as part of their annual budget presentations to the General Assembly, UVM and VSC shall provide, at a minimum, the most recent five years of information on the gender composition of their respective Boards of Trustees, as well any other information the Boards have available on their diversity. This information shall include the appointing entity, initial appointment date, and length of service and shall summarize recruitment and replacement strategies employed for recently expired and imminently expiring Trustee positions.

* * *

(D) Bylaws shall designate appropriate districts and reasonable regulations for multiunit or multifamily dwellings. (E) Except for flood hazard and fluvial erosion area bylaws adopted pursuant to section 4424 of this title, no bylaw shall have the effect of excluding as a permitted use one accessory dwelling unit that is located within or appurtenant to an owner-occupied a single-family dwelling on an owner-occupied lot. A bylaw may require a single-family dwelling with an accessory dwelling unit to be subject to the same review, dimensional, or other controls as required for a single-family dwelling without an accessory dwelling unit. An accessory dwelling unit means an efficiency or one bedroom apartment a distinct unit that is clearly subordinate to a single-family dwelling, and has facilities and provisions for independent living, including sleeping, food preparation, and sanitation, provided there is compliance with all the following:

(i) The property has sufficient wastewater capacity.

   (ii) a bylaw that requires conditional use review for one or more of the following that is involved in creation of an accessory dwelling unit:
      
      (I) a new accessory structure;

Any lot that is legally subdivided, is in individual and separate and nonaffiliated ownership from surrounding properties, and is in existence on the date of enactment of any bylaw, including an interim bylaw, may be developed for the purposes permitted in the district in which it is located, even though the small lot no longer conforms to minimum lot size requirements of the new bylaw or interim bylaw.

   (A) A municipality may prohibit development of a lot not served by and able to connect to municipal sewer and water service if either of the following applies:
      
      (i) the lot is less than one-eighth acre in area; or

(b) Inclusive Development.

   (1) Except in a municipality that has reported substantial municipal constraints in accordance with subdivision (b)(2) of this section and notwithstanding any existing bylaw other than flood hazard and fluvial erosion area bylaws adopted pursuant to section 4424 of this title, the following land development provisions shall apply in every municipality:
      
      (A) No bylaw shall have the effect of prohibiting the creation of residential lots of at least:

(B) The appropriate municipal panel or administrative officer, as applicable, shall condition any subdivision approval on obtaining a State wastewater permit pursuant to 10 V.S.A. chapter 64.

(C) No bylaw shall have the effect of prohibiting or requiring conditional use approval for a two-unit dwelling on any lot within any regulatory district allowing residential uses served by and able to connect to a water and sewer system operated by a municipality to any greater extent than a one-unit dwelling would be prohibited or restricted within such district with no additional review, dimensional, or other controls than would be required for a single-family dwelling without a second unit.

(D) When a bylaw establishes a parking minimum for residential properties, each residential parking space that will be leased separately from residential units shall count as two spaces for purposes of meeting the parking minimum for any proposed development located within a half mile of a transit stop. The parking space lease costs shall be reasonably proportional to the production, operation, and maintenance cost of the space to reduce generalized subsidy of leased spaces by other residents. A municipality may condition the municipal land permit on continuation of the separate leasing of parking spaces and residential units.

(2) A municipality may opt out of the requirements of subdivision (1) of this subsection by filing a Substantial Municipal Constraint Report with the Department of Housing and Community Development.

(A) The Substantial Municipal Constraint Report shall demonstrate that:

The Department shall post all comments with the Report on the Department’s website.

(D) A municipality that has filed a Substantial Municipal Constraint Report shall update the Report each time it updates its municipal plan or bylaws. Failure to update the Report shall disqualify the municipality from the incentives identified in subdivision (3) of this subsection (b) and may subject the municipality to review by the Commissioner of Housing and Community Development pursuant to section 4351 of this title.

(3) Incentives and funding.

(A) On or before July 1, 2021, any municipality that requests technical assistance from a regional planning commission to update local bylaws to address inclusionary growth as described in subdivision (1) of this subsection (b) shall receive priority technical assistance through additional funding made available to the applicable regional planning commission by section 4306 of this title or municipal funding made available through the Municipal Planning Grant Program established by section 4306 of this title and may use resources developed by the Department of Housing and Community Development to assist with the updates.

This subsection shall not affect the
enforceability of any existing deed restrictions.

Notwithstanding any other provisions of this section, when the Governor has declared a state of emergency pursuant to 20 V.S.A. § 9 and for 180 days after the declared state of emergency ends, the Commission may waive, for a specified and limited time, the prohibitions contained in this section upon site preparation for or construction of a temporary telecommunications facility necessary for maintaining or improving access to telecommunications services. Waivers issued under this subsection shall be valid for a period not to exceed the duration of the declared emergency plus 180 days.

A person seeking a waiver under this subsection shall file a petition with the Commission and shall provide copies to the Department of Public Service and the Agency of Natural Resources. The Commission shall require that additional notice be provided to those listed in subsection (e) of this section and any affected communications union districts. Upon receipt of the petition, the Commission shall conduct an expedited preliminary hearing.

An order granting a waiver may include terms, conditions, and safeguards to mitigate significant adverse impacts, including the posting of a bond or other security, as the Commission deems proper, based on the scope and duration of the requested waiver.

A waiver shall be granted only when the Commission finds that:

(A) good cause exists due to an emergency situation;

(B) the waiver is necessary to maintain or provide access to wireless telecommunications services;

(C) procedures will be followed to minimize significant adverse impacts under the criteria specified in subdivision (c)(1) of this section; and

(D) taking into account any terms, conditions, and safeguards that the Commission may require, the waiver will promote the general good of the State.

Upon the expiration of a waiver, if a certificate of public good has not been issued under this section, the Commission shall require the removal, relocation, or alteration of the facilities subject to the waiver, as it finds will best promote the general good of the State.

Sec. 2. REPORT ON CRITERIA

On or before February 1, 2021, the Public Utility Commission shall review the criteria used in awarding a certificate of public good under 30 V.S.A. § 248a and report to the Senate Committee on Finance and the House Committee on
Energy and Technology any changes that should be made in light of the recent
developments in telecommunications technology.

Sec. 3. EXTENSION OF SECTION 248a NOTICE PERIOD DURING
COVID-19 STATE OF EMERGENCY

Notwithstanding any contrary provision of law, during the declared state of
emergency under 20 V.S.A. chapter 1 due to COVID-19, when an applicant
provides notice that it will be filing an application for a certificate of public good
under 30 V.S.A. § 248a, a municipal legislative body or a planning commission
may request, and the Public Utility Commission shall grant, a 30 day extension
to the original notice period for a total 90 day notice period. This extended
notice period shall be available on any notice of application for a certificate of
public good pursuant to 30 V.S.A. § 248a filed during the declared state of
emergency under 20 V.S.A. chapter 1 due to COVID-19, except those for de
minimis modifications.

amended to read:

Sec. 25. OUTAGES AFFECTING E-911 SERVICE; REPORTING;
RULE; E-911 BOARD

The E-911 Board shall adopt a rule establishing protocols for the E-911 Board
to obtain or be apprised of, in a timely manner, system outages applicable to
wireless service providers, providers of facilities-based, fixed voice service that
is not line-powered and to electric companies for the purpose of enabling the E-
911 Board to assess 911 service availability during such outages. An outage
for purposes of this section includes any loss of E-911 calling capacity, whether
caused by lack of function of the telecommunications subscriber’s backup
power equipment, lack of function within a telecommunications provider’s system
network failure, or an outage in the electric power system. The rule shall
incorporate threshold criteria for outage reporting that reflect the sparsely
populated rural nature of Vermont. The E-911 Board shall file a final proposed
rule with the Secretary of State and with the Legislative Committee on
Administrative Rules pursuant to 3 V.S.A. § 841 on or before February 1, 2020

Sec. 5. EFFECTIVE DATE

S. 338

An act relating to justice reinvestment.

The House proposes to the Senate to amend the bill by striking out all after
the enacting clause and inserting in lieu thereof the following:
Sec. 1. FINDINGS AND PURPOSE

(a) The General Assembly finds:

(1) Almost 80 percent of sentenced Department of Corrections admissions are for people returned or revoked from furlough, parole, and probation, primarily driven by furlough violators.

(2) Nearly one-half of Vermont’s sentenced prison population at the end of FY 2019 consisted of people who were returned from community supervision, primarily furlough.

(3) Nearly 80 percent of furlough returns to incarceration are due to technical violations rather than new crime offenses.

(4) A decrease of 106–135 people would represent an 8–10 percent drop in the sentenced incarceration population and could mean a 40–50 percent reduction in the out-of-state contract population.

(5) Revocations and returns from supervision are driving a large share of prison admissions, and limited funding leaves large numbers of high-risk people without the programs and services they need to succeed in the community.

(6) Over the past three years, the average annual proportion of admissions to sentenced incarceration that were persons returning or being revoked from furlough, parole, and probation was 78 percent.

(7) Vermont incarcerates more persons than current facilities can accommodate, and the incarceration population is growing.

(b) The purpose of this act is to:

(1) Improve public safety in Vermont, while creating immediate opportunities to reduce recidivism and achieve long-term savings by reducing contract bed needs significantly.

(2) Make evidence-based programming available to individuals transitioning back into the community in order to support their transition and reduce violations, revocations, and reincarceration.

(3) Streamline the furlough system to eliminate multiple furlough statuses without limiting the availability of supervision within the community for inmates.
Sec. 2. 28 V.S.A. § 402 is amended to read:

§ 402. DEFINITIONS

Whenever As used in this chapter:

(1) “Parole” means the release of an inmate to the community by the Parole Board before the end of the inmate’s sentence subject to conditions imposed by the Board and subject to the supervision and control of the Commissioner. If a court or other authority files a warrant or detainer against an inmate, the Board may release him or her on parole to answer the warrant and serve any subsequent sentences.

(2) “Interview” means an appearance by the inmate at a meeting of the Parole Board.

(3) “Review” means an evaluation of an inmate’s records without an appearance by the inmate before the Parole Board.

Sec. 7. 28 V.S.A. § 502a is amended to read:

§ 502a. RELEASE ON PAROLE

(a) No inmate serving a sentence with a minimum term shall be released on parole until the inmate has served the minimum term of the sentence, less any reductions for good behavior.

(b) An inmate who is not eligible for presumptive parole pursuant to section 501a of this title shall be released on parole by the written order of the Parole Board if the Board determines:

(1) the inmate is eligible for parole;

(2) there is a reasonable probability that the inmate can be released without detriment to the community or to the inmate; and

(3) the inmate is willing and capable of fulfilling the obligations of a law-abiding citizen.

(c) A parole under subsection (b) or (e) of this section shall be ordered only for the best interests of the community and of the inmate, and shall not be regarded as an award of clemency, a reduction of sentence, or a conditional pardon.

(d) Notwithstanding subsection (a) or (e) of this section, or any other provision of law to the contrary, any inmate who is serving a sentence, including an inmate who has not yet served the minimum term of the sentence, who is diagnosed as having a terminal or serious medical condition so as to render the inmate unlikely to be physically capable of presenting a danger to society, may
be released on medical parole to a hospital, hospice, other licensed inpatient facility, or suitable housing accommodation as specified by the Parole Board. Provided the inmate has authorized the release of his or her personal health information, the Department shall promptly notify the Parole Board upon receipt of medical information of an inmate’s diagnosis of a terminal or serious medical condition. As used in this subsection, a “serious medical condition” does not mean a condition caused by noncompliance with a medical treatment plan.

(2) The Department shall screen each inmate it identifies as eligible for presumptive parole for the risk criteria set forth in this subdivision. If the Department determines that, based on clear and convincing evidence, there is a reasonable probability that the inmate’s release would result in a detriment to the community, or that the inmate is not willing and capable of fulfilling the obligations of parole, the Department shall, at least 60 days prior to the inmate’s eligibility date, refer the inmate to the Parole Board for a parole hearing.

(3)(A) Within 30 days of the inmate’s eligibility date, the Parole Board shall conduct an administrative review of each inmate the Department identifies as eligible for presumptive release who does not meet the risk criteria set forth in subdivision (2) of this subsection. If the Board determines there is a victim or victims who should be notified, the Department shall notify the victim or victims, and the Board shall provide them with the opportunity to participate in a parole hearing.

(B) The Parole Board shall conduct a parole hearing pursuant to section 502 of this title for each eligible inmate that the Department determines meets the risk criteria in subdivision (2) of this subsection.

*** Furlough ***

Sec. 8. 28 V.S.A. § 808 is amended to read:

§ 808. TEMPORARY FURLOUGHS GRANTED TO OFFENDERS

(a) The Department may extend the limits of the place of confinement of an offender at any correctional facility if the offender agrees to comply with such conditions of supervision the Department, in its sole discretion, deems appropriate for that offender’s furlough. The Department may authorize a
temporary furlough for a defined period for any of the following reasons:

(1) To visit a critically ill relative;

(2) To attend the funeral of a relative;

(3) To obtain medical services;

(4) To contact prospective employers;

(5) To secure a suitable residence for use upon discharge.

(6) To continue the process of reintegration initiated in a correctional facility. The offender may be placed in a program of conditional reentry status by the Department upon the offender’s completion of the minimum term of sentence. While on conditional reentry status, the offender shall be required to participate in programs and activities that hold the offender accountable to victims and the community pursuant to section 2a of this title.

(b) An offender granted a temporary furlough pursuant to this section may be accompanied by an employee of the Department, in the discretion of the Commissioner, during the period of the offender’s furlough. The Department may use electronic monitoring equipment such as global position monitoring, automated voice recognition telephone equipment, and transdermal alcohol monitoring equipment to enable more effective or efficient supervision of individuals placed on furlough.

(c) The extension of the limits of the place of confinement authorized by this section shall in no way be interpreted as a probation or parole of the offender, but shall constitute solely a permitted extension of the limits of the place of confinement for offenders committed to the custody of the Commissioner.

(d) When any enforcement officer, as defined in 23 V.S.A. § 4, employee of the Department or correctional officer responsible for supervising an offender believes the offender is in violation of any verbal or written condition of the temporary furlough, the officer or employee may immediately lodge the offender at a correctional facility or orally or in writing deputize any law enforcement officer or agency to arrest and lodge the offender at such a facility. The officer or employee shall subsequently document the reason for taking such action.

(e) The Commissioner may place on medical furlough any offender who is serving a sentence, including an offender who has not yet served the minimum term of the sentence, who is diagnosed with a terminal or serious medical condition so as to render the offender unlikely to be physically capable of presenting a danger to society. The Commissioner shall develop a policy regarding the application for, standards for eligibility of, and supervision of persons on medical furlough. The offender may be released to a hospital,
hospice, other licensed inpatient facility, or other housing accommodation deemed suitable by the Commissioner. As used in this subsection, a “serious medical condition” does not mean a condition caused by noncompliance with a medical treatment plan.

(f) While appropriate community housing is an important consideration in release of offenders, the Department shall not use lack of housing as the sole factor in denying furlough to offenders who have served at least their minimum sentence for a nonviolent misdemeanor or nonviolent felony provided that public safety and the best interests of the offender will be served by reentering the community on furlough. The Department shall adopt rules to implement this subsection. [Repealed.]

(g) Subsections (b)-(f) Subsection (b) of this section shall also apply to sections 808a and 808c of this title.

Sec. 9. 28 V.S.A. § 808a is amended to read:

§ 808a. TREATMENT FURLOUGH

(a) An offender may be sentenced to serve a term of imprisonment, but placed by a court on treatment furlough to participate in such programs administered by the Department in the community that reduce the offender’s risk to reoffend or that provide reparation to the community in the form of supervised work activities.

(b) Provided the approval of the sentencing judge, if available, otherwise a Superior Court judge, is first obtained, the Department may place on treatment furlough an offender who has not yet served the minimum term of the sentence, who, in the Department’s determination, needs residential treatment services not available in a correctional facility. The services may include treatment for substance abuse or personal violence or any other condition that the Department has determined should be addressed in order to reduce the offender’s risk to reoffend or cause harm to himself or herself or to others in the facility. The offender shall be released only to a hospital or residential treatment facility that provides services to the general population. The State’s share of the cost of placement in such a facility, net of any private or federal participation, shall be paid pursuant to memoranda of agreement between and within State agencies reflective of their shared responsibilities to maximize the efficient and effective use of State resources. In the event that a memorandum of agreement cannot be reached, the Secretary of Administration shall make a final determination as to the manner in which costs will be allocated.

(c)(1) Except as provided in subdivision (2) of this subsection, the Department, in its own discretion, may place on treatment furlough an offender who has not yet served the minimum term of his or her sentence for an eligible
misdemeanor as defined in section 808d of this title if the Department has made a determination based upon a risk assessment that the offender poses a low risk to public safety or victim safety and that employing an alternative to incarceration to hold the offender accountable is likely to reduce the risk of recidivism.

(2) Driving under the influence of alcohol or drugs, second offense, as defined in 23 V.S.A. §§ 1201 and 1210(c) and boating under the influence of alcohol or drugs, second offense, as defined in 23 V.S.A. § 3323 shall be considered eligible misdemeanors for the sole purpose of subdivision (1) of this subsection. [Repealed.]

Sec. 10. 28 V.S.A. § 723 is amended to read:

§ 723. CONDITIONAL REENTRY COMMUNITY SUPERVISION FURLOUGH

(1) has served the minimum term of the person’s total effective sentence;

(2) is ineligible for or refuses presumptive parole pursuant to section 501a of this title or has been returned or revoked to prison for a violation of conditions of parole, furlough, or probation; and

(3) agrees to comply with such conditions of supervision the Department, in its sole discretion, deems appropriate for that person’s furlough.

(b) The offender’s continued supervision in the community is conditioned on the offender’s commitment to and satisfactory progress in his or her reentry program and on the offender’s compliance with any terms and conditions identified by the Department.

(c) Prior to release under this section, the Department shall screen and, if appropriate, assess each felony drug and property offender for substance abuse treatment needs using an assessment tool designed to assess the suitability of a broad range of treatment services, and it shall use the results of this assessment in preparing a reentry plan. The Department shall attempt to identify all necessary services in the reentry plan and work with the offender to make connections to necessary services prior to release so that the offender can begin receiving services immediately upon release.
Sec. 11. 28 V.S.A. § 724 is amended to read:

§ 724. TERMS AND CONDITIONS OF CONDITIONAL REENTRY COMMUNITY SUPERVISION FURLOUGH

The appellant may offer testimony, and, in its discretion for good cause shown, the court may accept additional evidence to supplement the record. The appellant shall have the burden of proving by a preponderance of the evidence that the Department abused its discretion in imposing a furlough revocation or interrupt for 30 days or longer pursuant to subsection (d) of this section.

(B) whether the credit accrued should apply to both the minimum and maximum suspended sentences;

(C) whether accrual of credit equal to the imposed maximum term of imprisonment or statutory maximum term of imprisonment for the offense should result in the termination and discharge of probation; and

(D) whether terms of probation for misdemeanors should be for a specific duration, not to exceed two years, or if the court should have discretion to impose a longer term in the interests of justice;

(6) explore additional options, including an option modeled after probation midpoint reviews provided for in 28 V.S.A. § 252(d), for allowing release from probation prior to the end of the imposed probation term, either in addition to or instead of a policy for providing one day of credit towards a suspended sentence for each day served on probation without violation as detailed in subdivision (5) of this subsection;
