## **UNFINISHED BUSINESS OF MARCH 27, 2020**

### **Committee Resolution for Second Reading**

#### **J.R.S. 45.**

Joint resolution urging Congress to reassess the federal definition of hemp in order to allow the product to contain up to one percent delta-9 tetrahydrocannabinol (THC).

**By the Committee on Agriculture. (Senator Star for the Committee.)**

#### **Text of Resolution:**

*Whereas*, under the Agriculture Improvement Act of 2018, also known as the 2018 Farm Bill, hemp was removed from the list of controlled substances and production was therefore legalized throughout the United States, and

*Whereas*, a variety of products can be made from hemp through the use of its fiber, seed, seed oil, or floral extracts. Hemp can be found in products such as paper, fabric, auto parts, animal bedding, body care products, and essential oils, and

*Whereas*, cannabidiol (CBD) is a chemical compound of Cannabis sativa, bearing little to no psychoactive effects, and is being evaluated for its role as a food additive or health supplement, and

*Whereas*, economic forecasts predict that the total collective market in CBD sales in the United States will be between \$15 billion to \$20 billion annually by 2025, and

*Whereas*, in 2019, the Vermont Agency of Agriculture, Food and Markets approved 983 permits to grow or process hemp on 8,880 acres in Vermont, and

*Whereas*, hemp was grown in every county of the State in 2019, and

*Whereas*, cultivators and processors of hemp in Vermont have invested millions of dollars to purchase the equipment and resources necessary to successfully produce hemp and hemp products, and

*Whereas*, the development and growth of the hemp industry in Vermont is critical to improving the health and vitality of the rural economy of the State; and

*Whereas*, the federal government defines hemp in the 2018 Farm Bill as “the plant Cannabis sativa L. and any part of that plant, including the seeds thereof and all derivatives, extracts, cannabinoids, isomers, acids, salts, and salts of isomers, whether growing or not, with a delta-9 tetrahydrocannabinol level of not more than 0.3 percent on a dry weight basis,” and

*Whereas*, hemp farmers and processors encourage Congress to reassess the definition of hemp as referenced in the 2018 Farm Bill and increase the farm production values to one percent tetrahydrocannabinol (THC) in order to allow hemp farmers to increase yield potential per acre and profitability for all hemp grown in the State, and

*Whereas*, increasing yield potential per acre equates to increased profit potential for Vermont's farm families and hemp processors, *now therefore be it*

***Resolved by the Senate and House of Representatives:***

That the General Assembly urges Congress to revise the current definition of hemp found in the Agriculture Improvement Act of 2018, increasing the THC threshold from 0.3 percent to 1.0 percent, *and be it further*

***Resolved:*** That the Secretary of State be directed to send a copy of this resolution to the Vermont Congressional Delegation, the President Pro Tempore and Secretary of the U.S. Senate, and the Speaker of the U.S. House of Representatives.

(c) Application for designation of a neighborhood development area. The State Board shall approve a neighborhood development area if the application demonstrates and includes all of the following elements:

\* \* \*

(5) The proposed neighborhood development area consists of those portions of the neighborhood planning area that are appropriate for new and infill housing, excluding identified flood hazard and fluvial erosion areas, except those areas containing preexisting development and areas suitable for infill development as defined in section 29-201 of the Vermont Flood Hazard Area and River Corridor Rule. In determining what areas are most suitable for new and infill housing, the municipality shall balance local goals for future land use, the availability of land for housing within the neighborhood planning area, and the smart growth principles. Based on those considerations, the municipality shall select an area for neighborhood development area designation that:

If an “important natural resource” is included within a proposed neighborhood development area, the applicant shall identify the resource, explain why the resource was included, describe any anticipated disturbance to such resource, and describe why the disturbance cannot be avoided or minimized. If the neighborhood development area includes flood hazard areas or river corridors, the local bylaws must contain provisions consistent with the Agency of Natural Resources rules required under 10 V.S.A. § 754(a) to ensure that new infill development within a neighborhood development area occurs outside the floodway, new development is elevated or floodproofed at least two feet above Base Flood Elevation, or otherwise reasonably safe from flooding, and will not cause or

contribute to fluvial erosion hazards within the river corridor. If the neighborhood development area includes flood hazard areas or river corridors, local bylaws shall also contain provisions to protect river corridors outside of the neighborhood development area consistent with the Agency of Natural Resources model river corridor bylaws.

(B) Is served by planned or existing transportation infrastructure that conforms with “complete streets” principles as described under 19 V.S.A. § 309d and establishes pedestrian access directly to the downtown, village center, or new town center.

(C) Is compatible with and will reinforce the character of adjacent National Register Historic Districts, National or State Register Historic Sites, and other significant cultural and natural resources identified by local or State government.

(6) The neighborhood development area is served by:

(A) municipal sewer infrastructure; or

(B) a community or alternative wastewater system approved by the Agency of Natural Resources.

(A)(B) The methodology for calculating density shall be established in the guidelines developed by the Department pursuant to subsection 2792(d) of this title.

(A)(B) Regulations that adequately regulate the physical form and scale of development may be used to demonstrate compliance with this requirement.

(B)(C) Development in the neighborhood development areas that is lower than the minimum net residential density required by this subdivision (7) shall not qualify for the benefits stated in subsections (f) and (g) of this section. The district coordinator shall determine whether development meets this minimum net residential density requirement in accordance with subsection (f) of this section.

(8) Local bylaws, regulations, and policies applicable to the neighborhood development area substantially conform with neighborhood

design guidelines developed by the Department pursuant to section 2792 of this title. These policies shall:

- (A) ensure that all investments contribute to a built environment that enhances the existing neighborhood character and supports pedestrian use;
- (B) ensure sufficient residential density uses and building heights;
- (C) minimize the required ~~lot sizes, setbacks, and parking requirements,~~ and street widths; and
- (D) require conformance with “complete streets” principles as described under 19 V.S.A. § 309d, street and pedestrian connectivity, and street trees.

(9) Residents hold a right to utilize household energy conserving devices.

(10) The application includes a map or maps that, at a minimum, identify:

- (G) delineated areas of land appropriate for residential development and redevelopment under the requirements of this section.

(11) The application includes the information and analysis required by the Department’s guidelines under section 2792 of this title.

(12) A housing element in its plan in accordance with subdivision 4382(10) of this title that achieves the purposes of subdivision 4302(11) of this title and that includes clear implementation steps for achieving mixed income

housing, including affordable housing, a timeline for implementation, responsibility for each implementation step, and potential funding sources.

(13) The application includes information in the proposed neighborhood development area that the municipality has adopted one of the following to promote the availability of affordable housing opportunities in the municipality:

(A) inclusionary zoning as provided in subdivision 4414(7) of this title;

(B) a restricted housing trust fund with designated revenue streams;

(2) If the underlying downtown, village center, new town center, or growth center designation terminates, the neighborhood development area designation also shall terminate.

(3) If at any time the State Board determines that the designated neighborhood development area no longer meets the standards for designation established in this section, it may take any of the following actions:

(A) require corrective action within a reasonable time frame;

(B) remove the neighborhood development area designation; or

(C) prospectively limit benefits authorized in this chapter.

(5) Beginning on July 1, 2022, any community under review or seeking renewal shall comply with subdivisions (c)(12) and (13) of this section.

(f) Neighborhood development area incentives for developers. Once a municipality has a designated neighborhood development area or has a Vermont neighborhood designation pursuant to section 2793d of this title, any proposed development within that area shall be eligible for each of the benefits listed in this subsection. ~~These benefits shall accrue upon approval by the district coordinator, who shall review, provided that the project meets the density requirements set forth in subdivision (c)(7) of this section to determine benefit eligibility and issue a jurisdictional opinion under 10 V.S.A. chapter 151 on whether the density requirements are met, as determined by the administrative officer, as defined in chapter 117 of this title.~~ These benefits are:

- (1) ~~The application fee limit for wastewater applications stated in 3 V.S.A. § 2822(j)(4)(D); and~~

The applicant shall have the responsibility to demonstrate that all of the requirements for a neighborhood development area designation have been satisfied and to notify the municipality that the applicant is seeking the designation. The State Board shall provide the municipality with at least 14 days' prior written notice of the Board's meeting to consider the application, and the municipality shall submit to the State Board the municipality's response, if any, to the application before or during that meeting. \* \* \*

**(c) Change to nonjurisdictional use; release from permit.**

(1) On an application signed by each permittee, the District Commission may release land subject to a permit under this chapter from the obligations of that permit and the obligation to obtain amendments to the permit on finding each of the following:

(A) One of the following is true:

(i) the use of the land as of the date of the application is not the same as the use of the land that caused the obligation to obtain a permit under this chapter;

(ii) the municipality where the land is located has adopted permanent zoning and subdivision bylaws, but had not when the permit was issued; or

(iii) the land is located in a designated downtown or neighborhood development area that is exempt from this chapter.

(B) The use of the land as of the date of the application does not constitute development or subdivision as defined in section 6001 of this title and would not require a permit or permit amendment but for the fact that the land is already subject to a permit under this chapter.

(C) The permittee or permittees are in compliance with the permit and their obligations under this chapter.

(2) It shall be a condition of each affirmative decision under this subsection that a subsequent proposal of a development or subdivision on the land to which the decision applies shall be subject to this chapter as if the land had never previously received a permit under the chapter.

(3) An application for a decision under this subsection shall be made on a form prescribed by the Board. The form shall require evidence demonstrating that the application complies with subdivisions (1)(A) through (C) of this subsection. The application shall be processed in the manner described in section 6084 of this title and may be treated as a minor

application under that section. In addition to those required to be notified under section 6084, the District Commission shall send notice at the same time to all other parties to the permit and to all current adjacent landowners.

(4) The District Commission shall evaluate the conditions in the existing permit and determine whether the permit conditions are still necessary to mitigate impacts under the criteria of subsection 6086(a). If the District Commission finds that the permit conditions are still necessary, it shall deny the application or approve the application on the condition that the necessary conditions are added to the land's municipal permit.

#### § 502a. RELEASE ON PAROLE

(a) ~~No Except as otherwise provided in subsection (d) of this section and section 501 of this title, no inmate serving a sentence with a minimum term shall be released on parole until the inmate has served the minimum term of the sentence, less any reductions for good behavior.~~

(1) the inmate is eligible for parole;

(2) there is a reasonable probability that the inmate can be released without detriment to the community or to the inmate; and

(3) the inmate is willing and capable of fulfilling the obligations of a law-abiding citizen.

(c) A parole under subsection (b) or (e) of this section shall be ordered only for the best interests of the community and of the inmate, and shall not be regarded as an award of clemency, a reduction of sentence, or a conditional pardon.

(d) Notwithstanding subsection (a) or (e) of this section, or any other provision of law to the contrary, any inmate who is serving a sentence, including an inmate who has not yet served the minimum term of the sentence, who is diagnosed as having a terminal or serious medical condition so as to render the inmate unlikely to be physically capable of presenting a danger to society, may be released on medical parole to a hospital, hospice, other licensed inpatient facility, or suitable housing accommodation as specified by the Parole Board. Provided the inmate has authorized the release of his or her personal health information, the Department shall promptly notify the Parole Board upon receipt of medical information of an inmate's diagnosis of a terminal or serious medical condition. As used in this subsection, a "serious medical condition" does not mean a condition caused by noncompliance with a medical treatment plan.

(e)(1) The Department shall identify each inmate meeting the presumptive parole eligibility criteria in section 501a of this title and refer each eligible inmate who does not meet the risk criteria set forth in subdivision (2) of this subsection to the Parole Board for an administrative review at least 60 days prior to the inmate's eligibility date.

(2) The Department shall screen each inmate it identifies as eligible for presumptive parole for the risk criteria set forth in this subdivision. If the Department determines that, based on clear and convincing evidence, there is a reasonable probability that the inmate's release would result in a detriment to the community, or that the inmate is not willing and capable of fulfilling the obligations of parole, the Department shall, at least 60 days prior to the inmate's eligibility date, refer the inmate to the Parole Board for a parole hearing.

(3)(A) Within 30 days of the inmate's eligibility date, the Parole Board shall conduct an administrative review of each inmate the Department identifies as eligible for presumptive release who does not meet the risk criteria set forth in subdivision (2) of this subsection. The Board may deny presumptive release and set a hearing if it determines, through its administrative review, that a victim or victims should have the opportunity to participate in a parole hearing. If the Board determines there is a victim or victims who should be notified, the Department shall notify the victim or victims, and the Board shall provide them with the opportunity to participate in a parole hearing.

(B) The Parole Board shall conduct a parole hearing pursuant to section 502 of this title for each eligible inmate that the Department determines meets the risk criteria in subdivision (2) of this subsection.

Sec. 8. 28 V.S.A. § 808 is amended to read:

§ 808. TEMPORARY FURLoughS GRANTED TO OFFENDERS

(a) The Department may extend the limits of the place of confinement of an offender at any correctional facility if the offender agrees to comply with such conditions of supervision the Department, in its sole discretion, deems appropriate for that offender's furlough. The Department may authorize a temporary furlough for a defined period for any of the following reasons:

- (1) ~~To visit a critically ill relative;~~
- (2) ~~To attend the funeral of a relative;~~
- (3) ~~To obtain medical services;~~
- (4) ~~To contact prospective employers;~~
- (5) ~~To secure a suitable residence for use upon discharge.~~

~~(6) To continue the process of reintegration initiated in a correctional facility. The offender may be placed in a program of conditional reentry status by the Department upon the offender's completion of the minimum term of sentence. While on conditional reentry status, the offender shall be required to participate in programs and activities that hold the offender accountable to victims and the community pursuant to section 2a of this title.~~

(b) An offender granted a temporary furlough pursuant to this section may be accompanied by an employee of the Department, in the discretion of the Commissioner, during the period of the offender's furlough. The Department may use electronic monitoring equipment such as global position monitoring, automated voice recognition telephone equipment, and transdermal alcohol monitoring equipment to enable more effective or efficient supervision of individuals placed on furlough.

(c) The extension of the limits of the place of confinement authorized by this section shall in no way be interpreted as a probation or parole of the offender, but shall constitute solely a permitted extension of the limits of the place of confinement for offenders committed to the custody of the Commissioner.

(d) When any enforcement officer, as defined in 23 V.S.A. § 4; employee of the Department; or correctional officer responsible for supervising an

offender believes the offender is in violation of any verbal or written condition of the temporary furlough, the officer or employee may immediately lodge the offender at a correctional facility or orally or in writing deputize any law enforcement officer or agency to arrest and lodge the offender at such a facility. The officer or employee shall subsequently document the reason for taking such action.

(e) The Commissioner may place on medical furlough any offender who is serving a sentence, including an offender who has not yet served the minimum term of the sentence, who is diagnosed with a terminal or serious medical condition so as to render the offender unlikely to be physically capable of presenting a danger to society. The Commissioner shall develop a policy regarding the application for, standards for eligibility of, and supervision of persons on medical furlough. The offender may be released to a hospital, hospice, other licensed inpatient facility, or other housing accommodation deemed suitable by the Commissioner. As used in this subsection, a "serious medical condition" does not mean a condition caused by noncompliance with a medical treatment plan.

(f) ~~While appropriate community housing is an important consideration in release of offenders, the Department shall not use lack of housing as the sole factor in denying furlough to offenders who have served at least their minimum sentence for a nonviolent misdemeanor or nonviolent felony provided that public safety and the best interests of the offender will be served by reentering the community on furlough. The Department shall adopt rules to implement this subsection. [Repealed.]~~

(g) Subsections (b)-(f) Subsection (b) of this section shall also apply to sections 808a and 808c of this title.

(b) Provided the approval of the sentencing judge, if available, otherwise a Superior Court judge, is first obtained, the Department may place on treatment furlough an offender who has not yet served the minimum term of the sentence, who, in the Department's determination, needs residential treatment services not available in a correctional facility. The services may include

treatment for substance abuse or personal violence or any other condition that the Department has determined should be addressed in order to reduce the offender's risk to reoffend or cause harm to himself or herself or to others in the facility. The offender shall be released only to a hospital or residential treatment facility that provides services to the general population. The State's share of the cost of placement in such a facility, net of any private or federal participation, shall be paid pursuant to memoranda of agreement between and within State agencies reflective of their shared responsibilities to maximize the efficient and effective use of State resources. In the event that a memorandum of agreement cannot be reached, the Secretary of Administration shall make a final determination as to the manner in which costs will be allocated.

(c)(1) Except as provided in subdivision (2) of this subsection, the Department, in its own discretion, may place on treatment furlough an offender who has not yet served the minimum term of his or her sentence for an eligible misdemeanor as defined in section 808d of this title if the Department has made a determination based upon a risk assessment that the offender poses a low risk to public safety or victim safety and that employing an alternative to incarceration to hold the offender accountable is likely to reduce the risk of recidivism.

(2) Driving under the influence of alcohol or drugs, second offense, as defined in 23 V.S.A. §§ 1201 and 1210(c) and boating under the influence of alcohol or drugs, second offense, as defined in 23 V.S.A. § 3323 shall be considered eligible misdemeanors for the sole purpose of subdivision (1) of this subsection. (3) agrees to comply with such conditions of supervision the Department, in its sole discretion, deems appropriate for that person's furlough.

(b) The offender's continued supervision in the community is conditioned on the offender's commitment to and satisfactory progress in his or her reentry program and on the offender's compliance with any terms and conditions identified by the Department.

(c) Prior to release under this section, the Department shall screen and, if appropriate, assess each felony drug and property offender for substance abuse treatment needs using an assessment tool designed to assess the suitability of a broad range of treatment services, and it shall use the results of this assessment in preparing a reentry plan. The Department shall attempt to identify all necessary services in the reentry plan and work with the offender to make connections to necessary services prior to release so that the offender can begin receiving services immediately upon release.
