§ 6034b. SEPARATE ACCOUNTS OF PROTECTED CELLS

With the Commissioner’s prior written approval, a protected cell of a sponsored captive insurance company may establish one or more separate
accounts and may allocate to them amounts to provide for the insurance of
risks of one or more participants, or controlled unaffiliated business of such
participant or participants, subject to the following:

(1) The income, gains, and losses, realized or unrealized, from assets
allocated to a separate account shall be credited to or charged against the
account, without regard to other income, gains, or losses of the protected cell.

(2) Amounts allocated to a separate account in the exercise of the power
granted by this subsection are owned by the protected cell, and the protected
cell may not be nor hold itself out to be a trustee with respect to such amounts.

(3) Unless otherwise approved by the Commissioner, assets allocated to
a protected cell shall be valued in accordance with the rules otherwise
applicable to the protected cell’s assets.

(4) If and to the extent so provided under the applicable contracts, that
portion of the assets of any such protected cell equal to the reserves and other
contract liabilities with respect to such account shall not be chargeable with
liabilities arising out of any other business the protected cell may conduct.

(5) No sale, exchange, or other transfer of assets may be made by such
protected cell between any of its separate accounts or between any other
investment account and one or more of its separate accounts unless, in the case
of a transfer into a separate account, such transfer is made solely to establish
the account or to support the operation of the contracts with respect to the
separate account to which the transfer is made and unless such transfer,
whether into or from a separate account, is made by a transfer of cash or by a
transfer of securities having a readily determinable market value, provided that
such transfer of securities is approved by the Commissioner. The
Commissioner may approve other transfers among such accounts if, in his or
her opinion, such transfers would be equitable.

(6) To the extent such protected cell deems it necessary to comply with
any applicable federal or State laws, such protected cell, with respect to any
separate account, including any separate account that is a management
investment company or a unit investment trust, may provide for persons
having an interest therein appropriate voting and other rights and special
procedures for the conduct of the business of such account, including special
rights and procedures relating to investment policy, investment advisory
services, selection of independent public accountants, and the selection of a
committee, the members of which need not be otherwise affiliated with such
protected cell, to manage the business of such account.

Sec. 7. 8 V.S.A. § 6010 is amended to read:

§ 6010. LEGAL INVESTMENTS
(a)(1) Except as may be otherwise authorized by the Commissioner, agency captive insurance companies, association captive insurance companies, sponsored captive insurance companies, protected cells in sponsored captive insurance companies, and risk retention groups shall:

(A) comply with the investment requirements contained in sections 3461 through 3472 of this title, as applicable; or

In reviewing the investment policy, the Commissioner shall consider diversification as to both type and issue; limits on the aggregate investment that may be made in any category of investment; limits on the aggregate investment in any one business, issuer, or risk; liquidity; and matching of assets and liabilities. The Commissioner shall determine whether the investment policy provides for the reasonable preservation, administration, and management of assets with respect to the risks associated with the company’s transactions and whether the investment policy supports the approved business plan. Subdivision 6002(c)(3) of this title shall apply to all information submitted pursuant to this subsection.

(2) The Commissioner may require any company subject to this subsection to limit or withdraw from certain investments or discontinue certain investment practices if the Commissioner determines that such investments or practices of the company might be hazardous to the policyholders or the general public.

Sec. 8. 8 V.S.A. § 6037 is amended to read:

§ 6037. INVESTMENTS BY SPONSORED CAPTIVE INSURANCE COMPANIES AND PROTECTED CELLS

Notwithstanding the provisions of section 6034 of this title, the assets of two or more protected cells may be combined for purposes of investment, and such combination shall not be construed as defeating the segregation of such assets for accounting or other purposes. Sponsored captive insurance companies and protected cells shall comply with the investment requirements contained in sections 3461 through 3472 section 6010 of this title, as applicable; provided, however, that compliance with such investment requirements shall be waived for sponsored captive insurance companies to the extent that credit for reinsurance ceded to reinsurers is allowed pursuant to section 6011 of this title or to the extent otherwise deemed reasonable and appropriate by the Commissioner. Section 3463a of this title shall apply to sponsored captive insurance companies except to the extent it is inconsistent with approved accounting standards in use by the company. Notwithstanding
any other provision of this title, the Commissioner may approve the use of alternative reliable methods of valuation and rating.
