Rep. Browning of Arlington explained her vote as follows:

“Madam Speaker:

I vote yes to ensure that we actually reform our education finance system to
make it more equitable, more efficient, and more sustainable. Without a
framework of accountability to support the tax committees by requiring reports
on their progress in developing proposals we are less likely to get this important work done for Vermonters.”

“Madam Speaker:

Our students and taxpayers need us to take more than symbolic actions on their behalf.”

**Rep. Young of Greensboro** explained his vote as follows:

“Madam Speaker:

Thereupon, pending third reading of the bill, **Rep. Ralph of Hartland** moved to amend the bill as follows:

By striking Sec. 5 (effective date) and its reader assistance heading in their entireties and inserting in lieu thereof the following:

* * * High-Value Homestead Property Surcharge * * *

Sec. 5. 32 V.S.A. § 5402 is amended to read:

§ 5402. EDUCATION PROPERTY TAX LIABILITY

(a) A statewide education tax is imposed on all nonhomestead and homestead property at the following rates:

* * *

(3) The surcharge rate for homestead properties with a fair market value exceeding $1,000,000.00 shall be $0.50 per $100.00 of value.

(b) The statewide education tax shall be calculated as follows:

(1) The Commissioner of Taxes shall determine for each municipality the education tax rates under subsection (a) of this section, divided by the municipality’s most recent common level of appraisal. The legislative body in each municipality shall then bill each property taxpayer at the homestead or nonhomestead rate determined by the Commissioner under this subdivision, multiplied by the education property tax grand list value of the property, properly classified as homestead or nonhomestead property and without regard to any other tax classification of the property. Statewide education property tax bills shall show the tax and any surcharge due and the calculation of the rate determined under subsection (a) of this section, divided by the municipality’s most recent common level of appraisal, multiplied by the current grand list value of the property to be taxed. Statewide education
property tax bills shall also include language provided by the Commissioner pursuant to subsection 5405(g) of this title.

(2) Taxes and any surcharge assessed under this section shall be assessed and collected in the same manner as taxes assessed under chapter 133 of this title with no tax classification other than as homestead or nonhomestead property; provided, however, that the tax levied under this chapter shall be billed to each taxpayer by the municipality in a manner that clearly indicates the tax is separate from any other tax assessed and collected under chapter 133, including an itemization of the separate taxes due. The bill may be on a single sheet of paper with the statewide education tax and other taxes presented separately and side by side.

* * *

(c) The treasurer of each municipality shall by December 1 of the year in which the tax is and any surcharge are levied and on June 1 of the following year pay to the State Treasurer for deposit in the education fund one-half of the municipality’s statewide nonhomestead tax; and one-half of the municipality’s homestead education tax, as determined under subdivision (b)(1) of this section; and one-half of the municipality’s surcharge imposed under subdivision (a)(3) of this section. The Secretary of Education shall determine the municipality’s net nonhomestead education tax payment and its net homestead education tax payment to the State based on grand list information received by the Secretary not later than the March 15 prior to the June 1 net payment. Payment shall be accompanied by a return prescribed by the Secretary of Education. The municipality may retain 0.225 of one percent of the total education tax collected, only upon timely remittance of net payment to the State Treasurer. The municipality may also retain $15.00 for each late property tax credit claim filed after April 15 and before September 2, as notified by the Department of Taxes, for the cost of issuing a new property tax bill.

* * *

Sec. 6. 16 V.S.A. § 4025(a) is amended to read:

(a) The Education Fund is established to comprise the following:

(1) all revenue paid to the State from the statewide education tax on nonhomestead and homestead property and the surcharge on homestead property under 32 V.S.A. chapter 135;

* * *
Sec. 7. EFFECTIVE DATES

This act shall take effect on July 1, 2020 except, notwithstanding 1 V.S.A. §214, Secs. 5 (surcharge on homestead property) and 6 (Education Fund) shall take effect retroactively on January 1, 2020 and apply to any grand list lodged after that date.

Which was disagreed to.

Thereupon, pending third reading of the bill, Rep. Ralph of Hartland moved to amend the bill as follows:

By inserting before the reader assistance heading a new Sec. 5 and its reader assistance headings to read as follows:

*** Education Property Tax; Property Classification Report ***

Sec. 5. REPORT; DEPARTMENT OF TAXES; PROPERTY CLASSIFICATION

On or before December 15, 2020, the Department of Taxes, with the assistance of the Joint Fiscal Office and the Office of Legislative Council, shall submit a report to the House Committee on Ways and Means and the Senate Committee on Finance that studies the impact and feasibility of creating a third classification of property for the purposes of the statewide education property tax that shall comprise nonhomestead, non-commercial, and non-agricultural properties with a fair market value exceeding $1,000,000.00.

And by renumbering the remaining section to be numerically correct.

Pending the question, Shall the bill be amended as offered by Rep. Ralph of Hartland? Rep. Scott of Barnard demanded the Yeas and Nays, which demand was sustained by the Constitutional number. The Clerk proceeded to call the roll and the question, Shall the bill be amended as offered by Rep. Ralph of Hartland? was decided in the negative. Yeas, 13. Nays, 131.

Rep. Chesnut-Tangerman of Middletown Springs explained his vote as follows:
“Madam Speaker:

This amendment would not impose a tax or otherwise alter the existing tax structure. What it would do is simply direct a study to gain more information on a complex and necessary topic.”

**Rep. Colburn of Burlington** explained her vote as follows:

“Madam Speaker:

We are in an economic and moral crisis where Vermonters are waiting in lines for food and being turned away, and where marginalized and oppressed peoples are being disproportionately affected by the economic impacts of the pandemic, including in our educational settings. This was a study on the feasibility of taxing second homes valued at over a million dollars. If we want to move through this crisis with an eye to equity, we are going to have to reject the status quo and start moving forward with conversations about how the wealthiest Vermonters can contribute their fair share.”

**Rep. Cordes of Lincoln** explained her vote as follows:

“Madam Speaker:

I wholeheartedly support work to make our tax system more progressive and more equitable to many thousands of Vermonters, I want to be certain we don’t hurt Vermont landowners that have large pieces of property, much of it generational, but don’t have large financial reserves. We need more time in this legislature than this amendment allows.”

**Rep. Ralph of Hartland** explained his vote as follows:

“Madam Speaker:

I support this amendment because it is just a study which will explore creating a 3rd tax category for high value 2nd homes separate from commercial and agricultural properties. More studies will help us better understand what the impacts of this restructuring will have. This new tax category could make it easier in the future to put more of the tax burden on these wealthy individuals and lessen the burden on regular Vermonters. To quote Mellody Hobson, president and co-CEO of Ariel Investments and a member of the board of directors at Starbucks, JPMorgan Chase and Quibi. ‘So much of this unrest, this civil unrest, is tied to economic inequality. That’s just a fact. We need to move the needle on this economic inequality.’”

**Rep. Webb of Shelburne** explained her vote as follows:

“Madam Speaker:
I vote no. By looking at property value without considering income of the owners will contribute to moving the rest of our lakeshore, mountain, and valuable properties out of the hands of Vermonter.

Thereupon, the bill was read a third time and passed.

Recess
