\* \* \* Findings and Purpose \* \* \*

Sec. 1. FINDINGS AND PURPOSE

(a) The General Assembly finds:

(1) Almost 80 percent of sentenced Department of Corrections admissions are for people returned or revoked from furlough, parole, and probation, primarily driven by furlough violators.

(2) Nearly one-half of Vermont's sentenced prison population at the end of FY 2019 consisted of people who were returned from community supervision, primarily furlough.

(3) Nearly 80 percent of furlough returns to incarceration are due to technical violations rather than new crime offenses.

(4) A decrease of 106–135 people would represent an 8–10 percent drop in the sentenced incarceration population and could mean a 40–50 percent reduction in the out-of-state contract population.

(5) Revocations and returns from supervision are driving a large share of prison admissions, and limited funding leaves large numbers of high-risk people without the programs and services they need to succeed in the community.

(6) Over the past three years, the average annual proportion of admissions to sentenced incarceration that were persons returning or being revoked from furlough, parole, and probation was 78 percent.

(7) Vermont incarcerates more persons than current facilities can accommodate, and the incarceration population is growing.

(b) The purpose of this act is to:

(1) Improve public safety in Vermont, while creating immediate opportunities to reduce recidivism and achieve long-term savings by reducing contract bed needs significantly.

(2) Make evidence-based programming available to individuals transitioning back into the community in order to support their transition and reduce violations, revocations, and reincarceration.

(3) Streamline the furlough system to eliminate multiple furlough statuses without limiting the availability of supervision within the community for inmates.

\* \* \* Parole \* \* \*

Sec. 7. 28 V.S.A. § 502a is amended to read:

§ 502a. RELEASE ON PAROLE

(a) ~~No~~ Except as otherwise provided in subsection (d) of this section and section 501 of this title, no inmate serving a sentence with a minimum term shall be released on parole until the inmate has served the minimum term of the sentence, less any reductions for good behavior.

(b) An inmate who is not eligible for presumptive parole pursuant to section 501a of this title shall be released on parole by the written order of the Parole Board if the Board determines:

- (1) the inmate is eligible for parole;
- (2) there is a reasonable probability that the inmate can be released without detriment to the community or to the inmate; and
- (3) the inmate is willing and capable of fulfilling the obligations of a law-abiding citizen.

(c) A parole under subsection (b) or (e) of this section shall be ordered only for the best interests of the community and of the inmate, and shall not be regarded as an award of clemency, a reduction of sentence, or a conditional pardon.

(d) Notwithstanding subsection (a) or (e) of this section, or any other provision of law to the contrary, any inmate who is serving a sentence, including an inmate who has not yet served the minimum term of the sentence, who is diagnosed as having a terminal or serious medical condition so as to render the inmate unlikely to be physically capable of presenting a danger to society, may be released on medical parole to a hospital, hospice, other licensed inpatient facility, or suitable housing accommodation as specified by the Parole Board. Provided the inmate has authorized the release of his or her

personal health information, the Department shall promptly notify the Parole Board upon receipt of medical information of an inmate's diagnosis of a terminal or serious medical condition. As used in this subsection, a "serious medical condition" does not mean a condition caused by noncompliance with a medical treatment plan.

(e)(1) The Department shall identify each inmate meeting the presumptive parole eligibility criteria in section 501a of this title and refer each eligible inmate who does not meet the risk criteria set forth in subdivision (2) of this subsection to the Parole Board for an administrative review at least 60 days prior to the inmate's eligibility date.

(2) The Department shall screen each inmate it identifies as eligible for presumptive parole for the risk criteria set forth in this subdivision. If the Department determines that, based on clear and convincing evidence, there is a reasonable probability that the inmate's release would result in a detriment to the community, or that the inmate is not willing and capable of fulfilling the obligations of parole, the Department shall, at least 60 days prior to the inmate's eligibility date, refer the inmate to the Parole Board for a parole hearing.

(3)(A) Within 30 days of the inmate's eligibility date, the Parole Board shall conduct an administrative review of each inmate the Department identifies as eligible for presumptive release who does not meet the risk criteria set forth in subdivision (2) of this subsection. The Board may deny presumptive release and set a hearing if it determines, through its administrative review, that a victim or victims should have the opportunity to participate in a parole hearing. If the Board determines there is a victim or victims who should be notified, the Department shall notify the victim or victims, and the Board shall provide them with the opportunity to participate in a parole hearing.

(B) The Parole Board shall conduct a parole hearing pursuant to section 502 of this title for each eligible inmate that the Department determines meets the risk criteria in subdivision (2) of this subsection.

Sec. 8. 28 V.S.A. § 808 is amended to read:

§ 808. TEMPORARY FURLOUGHS GRANTED TO OFFENDERS

(a) The Department may extend the limits of the place of confinement of an offender at any correctional facility if the offender agrees to comply with such conditions of supervision the Department, in its sole discretion, deems appropriate for that offender's furlough. The Department may authorize a temporary furlough for a defined period for any of the following reasons:

- (1) ~~To~~ to visit a critically ill relative;<sub>2</sub>
- (2) ~~To~~ to attend the funeral of a relative;<sub>2</sub>
- (3) ~~To~~ to obtain medical services;<sub>2</sub>
- (4) ~~To~~ to contact prospective employers;<sub>2</sub>
- (5) ~~To~~ to secure a suitable residence for use upon discharge.

~~(6) To continue the process of reintegration initiated in a correctional facility. The offender may be placed in a program of conditional reentry status by the Department upon the offender's completion of the minimum term of sentence. While on conditional reentry status, the offender shall be required to participate in programs and activities that hold the offender accountable to victims and the community pursuant to section 2a of this title.~~

(b) An offender granted a temporary furlough pursuant to this section may be accompanied by an employee of the Department, in the discretion of the Commissioner, during the period of the offender's furlough. The Department may use electronic monitoring equipment such as global position monitoring, automated voice recognition telephone equipment, and transdermal alcohol monitoring equipment to enable more effective or efficient supervision of individuals placed on furlough.

(c) The extension of the limits of the place of confinement authorized by this section shall in no way be interpreted as a probation or parole of the offender, but shall constitute solely a permitted extension of the limits of the place of confinement for offenders committed to the custody of the Commissioner.

(d) When any enforcement officer, as defined in 23 V.S.A. § 4<sub>2</sub>; employee of the Department;<sub>2</sub> or correctional officer responsible for supervising an offender believes the offender is in violation of any verbal or written condition of the temporary furlough, the officer or employee may immediately lodge the offender at a correctional facility or orally or in writing deputize any law enforcement officer or agency to arrest and lodge the offender at such a facility. The officer or employee shall subsequently document the reason for taking such action.

(e) The Commissioner may place on medical furlough any offender who is serving a sentence, including an offender who has not yet served the minimum term of the sentence, who is diagnosed with a terminal or serious medical condition so as to render the offender unlikely to be physically capable of presenting a danger to society. The Commissioner shall develop a policy regarding the application for, standards for eligibility of, and supervision of persons on medical furlough. The offender may be released to a hospital,

hospice, other licensed inpatient facility, or other housing accommodation deemed suitable by the Commissioner. As used in this subsection, a “serious medical condition” does not mean a condition caused by noncompliance with a medical treatment plan.

~~(f) While appropriate community housing is an important consideration in release of offenders, the Department shall not use lack of housing as the sole factor in denying furlough to offenders who have served at least their minimum sentence for a nonviolent misdemeanor or nonviolent felony provided that public safety and the best interests of the offender will be served by reentering the community on furlough. The Department shall adopt rules to implement this subsection. [Repealed.]~~

~~(g) Subsections (b)-(f)~~ Subsection (b) of this section shall also apply to sections 808a and 808c of this title.

Sec. 9. 28 V.S.A. § 808a is amended to read:

§ 808a. TREATMENT FURLOUGH

(b) Provided the approval of the sentencing judge, if available, otherwise a Superior Court judge, is first obtained, the Department may place on treatment furlough an offender who has not yet served the minimum term of the sentence, who, in the Department’s determination, needs residential treatment services not available in a correctional facility. The services may include treatment for substance abuse or personal violence or any other condition that the Department has determined should be addressed in order to reduce the offender’s risk to reoffend or cause harm to himself or herself or to others in the facility. The offender shall be released only to a hospital or residential treatment facility that provides services to the general population. The State’s share of the cost of placement in such a facility, net of any private or federal participation, shall be paid pursuant to memoranda of agreement between and within State agencies reflective of their shared responsibilities to maximize the efficient and effective use of State resources. In the event that a memorandum of agreement cannot be reached, the Secretary of Administration shall make a final determination as to the manner in which costs will be allocated.

~~(c)(1) Except as provided in subdivision (2) of this subsection, the Department, in its own discretion, may place on treatment furlough an offender who has not yet served the minimum term of his or her sentence for~~

~~an eligible misdemeanor as defined in section 808d of this title if the Department has made a determination based upon a risk assessment that the offender poses a low risk to public safety or victim safety and that employing an alternative to incarceration to hold the offender accountable is likely to reduce the risk of recidivism.~~

~~(2) Driving under the influence of alcohol or drugs, second offense, as defined in 23 V.S.A. §§ 1201 and 1210(c) and boating under the influence of alcohol or drugs, second offense, as defined in 23 V.S.A. § 3323 shall be considered eligible misdemeanors for the sole purpose of subdivision (1) of this subsection. (b) The offender's continued supervision in the community is conditioned on the offender's commitment to and satisfactory progress in his or her reentry program and on the offender's compliance with any terms and conditions identified by the Department.

(c) Prior to release under this section, the Department shall screen and, if appropriate, assess each felony drug and property offender for substance abuse treatment needs using an assessment tool designed to assess the suitability of a broad range of treatment services, and it shall use the results of this assessment in preparing a reentry plan. The Department shall attempt to identify all necessary services in the reentry plan and work with the offender to make connections to necessary services prior to release so that the offender can begin receiving services immediately upon release.

**Rep. Bancroft of Westford** explained his vote as follows:

“Madam Speaker:

I find it quite ironic that this body does not want to embrace measures to ensure the integrity of mail-in voting, while it takes the integrity of its own votes on legislation very seriously. During roll call votes, we are constantly reminded there is a prohibition on the use of electronic devices and verbal communications.”

**Rep. Gregoire of Fairfield** explained his vote as follows:

“Madam Speaker:

While I strongly support and encourage the pursuit of the expansion of voting opportunities including but not limited to mail, candidates, PACs and activist groups should not be allowed access to a voter’s ballot. I hope that the Secretary of State acts to limit these activities.”

**Rep. Krowinski of Burlington** explained her vote as follows:

“Madam Speaker:

I vote no. We are the in the middle of a public health pandemic and we should be doing everything in our power to keep people safe and that their vote be counted. This amendment doesn't allow people to vote how they want to because it limits how they can cast their ballot. It's critical we move this bill forward again so we can ensure we have safe and secure elections in Vermont. Thank you.”

Thereupon, third reading was ordered.

**Adjournment**

At four o'clock and fifty-eight minutes in the afternoon, on motion of **Rep. McCoy of Poultney**, the House adjourned until Friday June 12, 2020 at ten o'clock in the forenoon.
