address necessary expenditures with respect to the COVID-19 public health emergency. These expenditures were not accounted for in the State budget most recently approved as of March 27, 2020 and were incurred during the period that began on March 1, 2020, in accordance with the Department of Treasury's May 28, 2020 interpretation of limitations on the permissible use of fund payments.

(1) Legislature: \$2,000,000 is appropriated to the Legislature for costs incurred for an estimated six-week extension of the 2020 session in fiscal year 2021 (August and September 2020) due to the response to the Coronavirus pandemic. increased direct aid to survivors moved into in the community to meet COVID-19 health and safety recommendations.

(B) \$80,000 for no cost legal representation to victims of domestic and sexual violence through the Vermont Network's Justice for Victims Legal Clinic because the pandemic has made it more difficult for victims to find attorneys and understand how they may participate remotely in judicial proceedings.

(C) \$160,000 for providing domestic and sexual violence victim's advocates with remote access to the Forensic Nursing Program due to COVID-19 because victim's advocates are restricted by hospitals from being physically present with victims during the pandemic as an infection control strategy.
