House resolution, entitled

House resolution expressing sincere appreciation for the extraordinary legislative staff support provided during the COVID-19 pandemic

Offered by: All Members of the House

Whereas, during the COVID-19 pandemic and the transformation of the General Assembly into a virtual institution, the legislative staff marshalled its creative ingenuity and rose to overcome many monumental hurdles, and

Whereas, the Information Technology team, under the expert and steady leadership of Kevin Moore, designed, implemented, and managed a Zoom–You Tube interconnected video network, installed the House’s Everbridge voting system, and prevented technological mayhem, and

Whereas, Luke Martland and all the General Assembly’s remarkable attorneys, drafting technicians, and editors performed their roles expertly and with an amazing degree of logistical flexibility, and

Whereas, Mike Ferrant and the administrative staff assured that members had access to basic support services, and Peggy Delaney and her dedicated committee assistants facilitated the smooth functioning of committees, and

Whereas, Steve Klein and the Joint Fiscal Office provided wise financial guidance as appropriations measures of a previously unknown dimension were rapidly enacted, and

Whereas, House Clerk Bill MaGill and Senate Secretary John Bloomer and their staffs guided the temporary amending of the respective chamber’s rules and assured the maintenance of virtual legislative decorum, and

Whereas, Sergeant at Arms Janet Miller and Capitol Police Chief Matt Romei were special guardians of the State House, monitored security concerns,

and served as invaluable partners with the Information Technology team, now therefore be it

Resolved by the House of Representatives:

That the House expresses its sincere appreciation for the extraordinary legislative staff support provided during the COVID-19 pandemic, and be it further

Rep. Dolan of Waitsfield explained her vote as follows:

“Madam Speaker:

I support this bill as an important step in supporting our rural, forest-based and outdoor recreation-based economy and for a more resilient landscape to handle the impacts of climate change.”

Rep. Yacovone of Morristown explained his vote as follows:

“Madam Speaker:

I was excited about the prospect of Act 250 reform. That excitement did not last long however. To vote against this bill out of frustration might make a point but to do so would be at the expense of some important incremental improvements. Progress even a little at a time is better than none at all.”

An act relating to making appropriations for the support of government

Was taken up for immediate consideration.

The Speaker placed before the House the following Committee of Conference report:

To the Senate and House of Representatives:

The Committee of Conference to which were referred the disagreeing votes of the two Houses respectfully reported that it met and considered the same and recommended the following:

TO THE SENATE AND HOUSE OF REPRESENTATIVES:

The Committee of Conference to which were referred the disagreeing votes of the two Houses upon House Bill entitled:

H. 969. An act relating to making appropriations for the support of government.

Respectfully reports that it has met and considered the same and recommends that the Senate recede from its proposal of amendment and that the bill be amended by striking out all after the enacting clause and inserting in lieu thereof the following:

Sec. A.100 SHORT TITLE

(a) This bill may be referred to as the BIG BILL – Fiscal Year 2021 Appropriations Act.

Sec. A.101 PURPOSE

(a) The purpose of this act is to provide appropriations for the operations of State government during fiscal year 2021. It is the express intent of the General Assembly that activities of the various agencies, departments, divisions, boards, and commissions be limited to those that can be supported by funds appropriated in this act or other acts passed prior to June 30, 2020. Agency and department heads are directed to implement staffing and service levels in fiscal year 2021 so as to meet this condition unless otherwise directed by specific language in this act or other acts of the General Assembly.

Sec. A.102 APPROPRIATIONS

(a) It is the intent of the General Assembly that this act serves as the primary source and reference for appropriations for fiscal year 2021.

(b) The sums herein stated are appropriated for the purposes specified in the following sections of this act. When no time is expressly stated during which any of the appropriations are to continue, the appropriations are single-year appropriations and only for the purpose indicated and shall be paid from funds shown as the source of funds. If in this act there is an error in either addition or subtraction, the totals shall be adjusted accordingly. Apparent errors in referring to section numbers of statutory titles within this act may be disregarded by the Commissioner of Finance and Management.

(c) Unless codified or otherwise specified, all narrative portions of this act apply only to the fiscal year ending on June 30, 2021.

Sec. A.102.1 RELATIONSHIP WITH 2020 ACTS AND RESOLVES
NO. 120; REPEALS

(a) In order to respond promptly to the impact of the COVID-19 pandemic on the State of Vermont and its economy, the General Assembly enacted 2020 Acts and Resolves No. 120 in July 2020 to support the operations of State government during the first quarter of fiscal year 2021. Since that time, it has become apparent that it is preferable to enact appropriations to support the operations of State government for the entirety of fiscal year 2021, and certain appropriations from 2020 Acts and Resolves No. 120 must be repealed as set

forth in subsection (b) of this section in order to provide for the full-year appropriations.

(b) The following are repealed:

(1) 2020 Acts and Resolves No. 120, Sec. A.3(a) (appropriations for the first quarter of fiscal year 2021);

(2) 2020 Acts and Resolves No. 120, Sec. A.4 (Phase I prorated appropriations fiscal year 2021 first quarter);

(3) the language following 2020 Acts and Resolves No. 120, Sec. A.6 but preceding Sec. A.7 (budgetary specifications and amounts); and

(4) 2020 Acts and Resolves No. 120, Sec. A.54(b) (narrative portions apply only to first quarter of fiscal year 2021).

(c) In the event of a conflict between the provisions of this act and the provisions of 2020 Acts and Resolves No. 120, the provisions of this act shall control.

Sec. A.103 DEFINITIONS

(a) As used in this act:

(1) “Encumbrances” means a portion of an appropriation reserved for the subsequent payment of existing purchase orders or contracts. The Commissioner of Finance and Management shall make final decisions on the appropriateness of encumbrances.

(2) “Grants” means subsidies, aid, or payments to local governments, to community and quasi-public agencies for providing local services, and to persons who are not wards of the State for services or supplies and means cash or other direct assistance, including pension contributions.

(3) “Operating expenses” means property management; repair and maintenance; rental expenses; insurance; postage; travel; energy and utilities; office and other supplies; equipment, including motor vehicles, highway materials, and construction; expenditures for the purchase of land and construction of new buildings and permanent improvements; and similar items.

(4) “Personal services” means wages and salaries, fringe benefits, per diems, contracted third-party services, and similar items.

Sec. A.104 RELATIONSHIP TO EXISTING LAWS

(a) Except as specifically provided, this act shall not be construed in any way to negate or impair the full force and effect of existing laws.

Sec. A.105 OFFSETTING APPROPRIATIONS

(a) In the absence of specific provisions to the contrary in this act, when total appropriations are offset by estimated receipts, the State appropriations shall control, notwithstanding receipts being greater or less than anticipated.

Sec. A.106 FEDERAL FUNDS

(a) In fiscal year 2021, the Governor, with the approval of the General Assembly or the Joint Fiscal Committee if the General Assembly is not in session, may accept federal funds available to the State of Vermont, including block grants in lieu of or in addition to funds herein designated as federal. The Governor, with the approval of the General Assembly or the Joint Fiscal Committee if the General Assembly is not in session, may allocate all or any portion of such federal funds for any purpose consistent with the purposes for which the basic appropriations in this act have been made.

(b) If, during fiscal year 2021, federal funds available to the State of Vermont and designated as federal in this and other acts of the 2020 session of the Vermont General Assembly are converted into block grants or are abolished under their current title in federal law and reestablished under a new title in federal law, the Governor may continue to accept such federal funds for any purpose consistent with the purposes for which the federal funds were appropriated. The Governor may spend such funds for such purposes for not more than 45 days prior to Legislative or Joint Fiscal Committee approval. Notice shall be given to the Joint Fiscal Committee without delay if the Governor intends to use the authority granted by this section, and the Joint Fiscal Committee shall meet in an expedited manner to review the Governor's request for approval.

Sec. A.107 NEW POSITIONS

(a) Notwithstanding any other provision of law, the total number of authorized State positions, both classified and exempt, excluding temporary positions as defined in 3 V.S.A. § 311(a)(11), shall not be increased during fiscal year 2021 except for new positions authorized by the 2020 session. Limited service positions approved pursuant to 32 V.S.A. § 5 shall not be subject to this restriction.

Sec. B.1108 CORONAVIRUS RELIEF FUND; REALLOCATION;
ALLOCATION OF UNOBLIGATED MONIES; JOINT
FISCAL COMMITTEE

(a) Purpose. As set forth in 2020 Acts and Resolves Nos. 120, 136, 137, and 138, unless otherwise authorized by the Commissioner of Finance and Management, any monies appropriated from the State's Coronavirus Relief Fund (CRF) shall revert to the CRF to the extent they have not been expended by December 20, 2020 to enable reallocation. In addition, CRF monies appropriated during the 2020 legislative session that are no longer necessary because funds have been received for the same or a similar purpose from

another source may revert to the CRF for reallocation. The purpose of this section is to establish processes for allocating unobligated CRF monies and for reallocating reverted CRF monies and any unexpended and unencumbered monies appropriated from the CRF that the Commissioner of Finance and Management identifies between the date of final legislative passage of the fiscal year 2021 budget bill and December 20, 2020 as being unable to be expended for their original purposes by December 30, 2020.

(b) Allocation and reallocation.

(1) The Commissioner of Finance and Management may allocate unobligated CRF monies, reallocate reverted CRF monies, and reallocate unexpended and unencumbered CRF monies, upon approval of the proposed allocation or reallocation by the Joint Fiscal Committee as set forth in this subsection.

(2) If the Commissioner of Finance and Management identifies reverted CRF monies, unexpended and unencumbered CRF monies, or unobligated CRF monies, or a combination of these, that the Commissioner wishes to reallocate for a use other than that for which the CRF monies were originally appropriated, or that the Commissioner wishes to allocate, in the case of unobligated CRF monies, the Commissioner shall inform the Joint Fiscal Committee of:

(A) the amount or amounts available for allocation or reallocation;

(B) the proposed use or uses of the monies; and

(C) the manner in which the proposed use or uses comply with the parameters set forth in Sec. 5001 of the CARES Act, Pub. L. No. 116-136 and related guidance.

(3) Criteria for approval.

(A) Compliance with CRF parameters. In determining whether to approve a proposal submitted by the Commissioner under this section, the Joint Fiscal Committee shall first determine whether each proposed use of CRF monies complies with the parameters set forth in Sec. 5001 of the CARES Act, Pub. L. No. 116-136 and related guidance. If the Committee determines that a proposed use likely does not comply with the parameters, the Committee shall disapprove that proposed use.

(B) Timeliness. If the Committee determines that a proposed use likely does comply with the CRF parameters, it shall next consider whether the proposed use is likely to be achievable by December 30, 2020. If the Committee determines that the proposed use is unlikely to be achieved by December 30, 2020, the Committee shall disapprove that proposed use.

(C) Proposed uses.

(i) If the Committee determines that a proposed use likely complies with CRF parameters and is likely achievable by December 30, 2020, then, in light of the uncertainty regarding the continued effects of the COVID-19 public health emergency, the Committee shall evaluate the proposed use in the context of the areas of greatest need at the time of the proposal.

(ii) If the federal government allows the State to use CRF monies for purposes previously not permitted under Sec. 5001 of the CARES Act, Pub. L. No. 116-136 and related guidance, then, in addition to evaluating the proposed use in the context of the areas of greatest need, the Committee shall prioritize proposed uses related to revenue replacement for State government, local government, and the education finance system, and related to the funding of ongoing State financial liabilities.

(4) Joint Fiscal Committee process.

(A) Upon receipt of the information set forth in subdivision (2) of this subsection (b) from the Commissioner of Finance and Management, the Joint Fiscal Committee shall inform the General Assembly of the proposal and shall approve or disapprove each proposal within 10 calendar days following receipt.

(B) If the Joint Fiscal Committee disapproves a proposal, the Commissioner may revise and resubmit for further consideration. The Joint Fiscal Committee shall approve or disapprove within five calendar days following receipt of the revised proposal.

(5) Joint Fiscal Meetings. The Commissioner of Finance and Management shall report to the Joint Fiscal Committee on or before November 5, 2020 and December 7, 2020 on the status of reallocation proposals under this section.

(c) Transfer authority. Nothing in this section shall be construed to limit the authority of the Emergency Board to transfer appropriations pursuant to 32 V.S.A. §§ 133 and 706.

(d) Final allocation and reallocation. On or after December 21, 2020, the Commissioner of Finance and Management may reallocate any unexpended and unencumbered CRF monies, and allocate any unobligated CRF monies, to the Department of Labor for reimbursement of claims expenditures made from the Department of Labor Unemployment Insurance Fund between March 1, 2020 and December 30, 2020.

Sec. B.1109 CONTINGENCY PLANNING FOR INCREASED CRF
FLEXIBILITY

(a) Purpose. The purpose of this section is to establish processes to be followed in the event that the federal government provides increased flexibility in authorized usage of the State's Coronavirus Relief Fund (CRF) monies following the date of final legislative passage of the fiscal year 2021 budget bill and prior to the convening of the 2021 legislative session.

(b) Expanded uses. If the federal government allows the State to use CRF monies for purposes previously not permitted under Sec. 5001 of the CARES Act, Pub. L. No. 116-136 and related guidance, but does not extend the period during which the monies must be expended, the Commissioner of Finance and Management shall inform the Joint Fiscal Committee and may propose additional uses of the CRF, which may include using unobligated CRF monies, previously allocated but unencumbered CRF monies that are unable to be expended by December 30, 2020, reverted CRF monies, or a combination of these, for Joint Fiscal Committee approval in accordance with the procedure set forth in Sec. B.1108 of this act, including considering the areas of greatest need.

(c) Extension of time. If the federal government allows the State to use CRF monies beyond the December 30, 2020 deadline established in Sec. 5001 of the CARES Act, Pub. L. No. 116-136, the Commissioner of Finance and Management shall notify the Joint Fiscal Committee of the extension.

(1) If the Joint Fiscal Committee, after consultation with the Commissioner, determines that the extension would allow for the full General Assembly to consider additional uses of CRF monies during the 2021 legislative session, the Joint Fiscal Committee shall limit its approval of allocations and reallocations pursuant to Sec. B.1108 of this act to those for which prompt action is necessary due to the time-sensitive nature of the proposed use or to the limited duration of the extension, or both.

(2) If the Joint Fiscal Committee, after consultation with the Commissioner, determines that the length of the extension would not provide the full General Assembly with sufficient time to address additional uses of CRF monies during the 2021 legislative session, the Joint Fiscal Committee shall consider the Commissioner's proposals in accordance with the procedure set forth in Sec. B.1108 of this act.

(3) In the event of an extension of time to use CRF monies, the final allocation and reallocation to the Department of Labor pursuant to Sec. B.1108 of this act shall not occur without the approval of the Joint Fiscal Committee.

Sec. B.1110 CONTINGENCY PLANNING FOR ADDITIONAL FEDERAL FUNDING

(a) The purpose of this section is to establish processes to be followed in the event that the federal government provides additional funds to the State of Vermont related to the COVID-19 public health emergency following the date of final legislative passage of the fiscal year 2021 budget bill but prior to the convening of the 2021 legislative session.

(b) If the federal government provides additional Coronavirus Relief Fund (CRF) grant monies to Vermont following the date of final legislative passage of the fiscal year 2021 budget bill but prior to the convening of the 2021 legislative session, the monies shall be subject to the CRF acceptance conditions adopted by the Joint Fiscal Committee, as may be amended.

(c) If the federal government provides an increase of \$10,000,000.00 or more to an existing federal grant other than the CRF grant following the date of final legislative passage of the fiscal year 2021 budget bill but prior to the convening of the 2021 legislative session, the Secretary of Administration shall notify the Joint Fiscal Committee and the General Assembly of the grant award prior to exercising excess receipts authority.

Sec. B.1111 EXTENSION OF APPLICATION DEADLINE; COVID-19
EXPENSE REIMBURSEMENT; LOCAL GOVERNMENT

(a) The Secretary of Administration or designee shall continue to accept and process applications from units of local government for reimbursement of COVID-19 expenses pursuant to 2020 Acts and Resolves No. 137, Sec. 7, provided that the applications are received on or before October 15, 2020.

Sec. E.111.1 FISCAL YEAR 2022 PROPERTY TAX RATES; COMMISSIONER'S DECEMBER 1 LETTER; FISCAL YEAR 2021 PROJECTED EDUCATION FUND DEFICIT

(a) Findings and purpose. Vermont law under 32 V.S.A. § 5402b(a) requires the Commissioner of Taxes, not later than December 1, 2020, to calculate and recommend statewide education property tax rates for fiscal year 2022. In making that recommendation, the Commissioner must calculate tax rates at an amount sufficient to cover any projected fiscal year 2021 deficit and to maintain the stabilization reserve under 16 V.S.A. § 4026 at five percent. In 2020 Acts and Resolves No. 122, Sec. 2, however, the General Assembly expressed its intent to address any projected deficit in the Education Fund for fiscal year 2021 by using federal funds, applying reversions, drawing down the stabilization reserve, using other sources of revenue, reducing costs, borrowing, or using any other source of funding, including making appropriations from the General Fund or other funds. The actions outlined in Act 122 with respect to a projected fiscal year 2021 deficit in the Education Fund are intended to relieve school boards of the responsibility for responding to such projected fiscal year 2021 deficit through school budgeting decisions

for fiscal year 2022. Given that the statutory requirements imposed on the Commissioner for tax rate recommendations would not reflect the General Assembly's express intent in Act 122, the Commissioner shall calculate and recommend statewide education property tax rates for fiscal year 2022 as established under this section.

(b) December 1 letter for fiscal year 2022. Notwithstanding any other provision of law, to the extent that the fiscal year 2022 consensus projections under 32 V.S.A. § 5402b include a deficit in the Education Fund for fiscal year 2021, when calculating and making recommendations for the fiscal year 2022 property dollar equivalent yield, income dollar equivalent yield, and nonhomestead property tax rate as required under 32 V.S.A. § 5402b(a), the Commissioner shall:

(1) disregard the projected deficit in the Education Fund for fiscal year 2021; and

(2) assume the stabilization reserve created under 16 V.S.A. § 4026 is maintained for fiscal year 2022 at the fiscal year 2021 amount published in the Education Fund Outlook on or before December 1, 2020 as required under 32 V.S.A. § 5402b(c).

Sec. E.112 ELECTRIC LAWNMOWERS, LEAF BLOWERS, AND

Rep. Colburn of Burlington explained her vote as follows:

“Madam Speaker:

We have done many good things in this budget and I especially want to thank the member from Danville for always being so genuinely inclusive and engaging with me, regardless of how I’m voting or where I stand. Unfortunately, I continue feel that we have failed to get the balance right between direct relief to vulnerable Vermonters, workers, and consumers and a business sector that has been subjected to minimal criteria for funding eligibility. Everywhere we look, from the sacrifices expected of our lowest wage workers to the disparate health impacts of BIPOC Vermonters, we see inequities revealed by the COVID-19 pandemic. I believe we have also missed an opportunity to ask the wealthiest and most privileged Vermonters to help us address income inequality. I hope we do things differently in January and create a revenue and budgeting process that I can support.”

Rep. Giambatista of Essex explained his vote as follows:

“Madam Speaker:

I vote yes to support this budget. When the pandemic struck Vermont and forced closure of the State House, we adapted. We came together stronger than ever, and immediately led with our values to support Vermonters and our communities through this trying time. We moved swiftly. We acted with purpose. We brought neighbors together and collaborated. This budget is the culmination of our shared effort. It lifts those in need and sets a strong foundation for the recovery that lies ahead.”

Rep. Gonzalez of Winooski explained her vote as follows:

“Madam Speaker:

These are extra-ordinary times. Our appropriations committee did an excellent job with allocating the funds they had. in ways that will soften the edges of the economic and health crisis we are in. However, in these extra-ordinary times we needed to also raise funds. In creative and mundane ways, such as funds from the wealthiest who are not currently paying their fair share. Without a corresponding revenue bill I vote no on the budget.”

Rep. Krowinski of Burlington explained her vote as follows:

“Madam Speaker:

I vote yes to support this budget that reflects our values. We made critical investments and prioritized an emergency response to the COVID pandemic,

supports to stabilize our health care system, hazard pay for our front line workers, funding for our state colleges, housing for the homeless and vulnerable Vermonters. Madam Speaker these are only some of the examples of how this budget reflects our strong commitment to Vermonters. Thank you.”

Rep. McCarthy of St. Albans City explained his vote as follows:

“Madam Speaker:

With the transportation investments in this budget, Vermonters will travel on safer roads, with a historic level of paving and road projects. We increased support for our town’s road programs to take pressure off of local budgets. This budget also puts small, but meaningful funding behind transforming our transportation sector with support for electric vehicles, public transit and other measures to reduce energy usage in the sector making up the largest share of our carbon emissions, with the largest impact on a changing climate. I vote yes.”

Rep. Ralph Watson of Hartland explained his vote as follows:

“Madam Speaker:

A man jumps from a building and as he is falling, he says “so far so good... so far so good. Our Appropriations Committee has done an amazing job to create a stable and balanced budget. Things appear to be good right now, but the reality is that the gap between the rich and poor continues to grow and our system and environment are facing unprecedented challenges. What we need right now is not to continue to do things the way they have always been done, we need to do more to raise revenues to support essential social services, the people of this state, and to respond to the climate emergency like we have responded to this public health emergency. I cannot blindly vote to support a continuation of the status quo when we can all see the writing on the wall and the time to do something about it is quickly running out.” This budget, without a revenue bill, is much like this man’s fall, “so far so good... so far so good,” but It is not the fall that matters but where and how we land.”
