S. 224.

Senate bill entitled:

An act relating to evidence-based structured literacy instruction for students in kindergarten–grade 3 and students with dyslexia and to teacher preparation programs.

Was taken up.

Thereupon, pending third reading of the bill, Senators Brock and White moved to amend the bill by striking out Sec. 6 in its entirety and inserting in lieu thereof the following:

Sec. 6. GENDER BALANCE; UNIVERSITY OF VERMONT AND VERMONT STATE COLLEGES BOARDS

(a) The Board of Trustees of the University of Vermont (UVM) currently is composed of an overwhelming majority of men, with 20 men and five women. The Board of Trustees of the Vermont State Colleges (VSC) currently has gender balance on its Board.

(b) The State goal is to have balanced representation on Vermont public bodies that ensures equity and the opportunity for all members of society to participate based on merit, regardless of their gender or gender identity, race, creed, national origin, marital status, sexual orientation, disability status, or any other personal descriptor. Given the gender imbalance on the UVM Board, it is not clear that this goal is being met by the appointers and electing authorities of Board members.

(c) Given that the UVM and VSC Boards have four categories of trustees, which include those appointed by the Governor, those elected by the General Assembly, and those elected by the self-perpetuating trustees, as well as student trustees, it is incumbent on the appointing and electing authorities to use their best efforts to further the State goal of ensuring that the Boards reflect the balance and composition of students, faculty, and the general population that they represent, recognizing that their efforts will be monitored by the General Assembly and the public.

(d) On or before January 31, 2021 and annually thereafter, as part of their annual budget presentations to the General Assembly, UVM and VSC shall provide, at a minimum, the most recent five years of information on the gender composition of their respective Boards of Trustees, as well any other information the Boards have available on their diversity. This information shall include the appointing or electing authority, initial appointment date, and length of service and shall summarize recruitment and replacement strategies employed for recently expired and imminently expiring Trustee positions.

Which was agreed to.

Thereupon, the bill was read the third time and passed.
