

Family Supportive Housing

SFY2019 Annual Report

Family Supportive Housing

Supportive housing for families with complex needs who have experienced homelessness

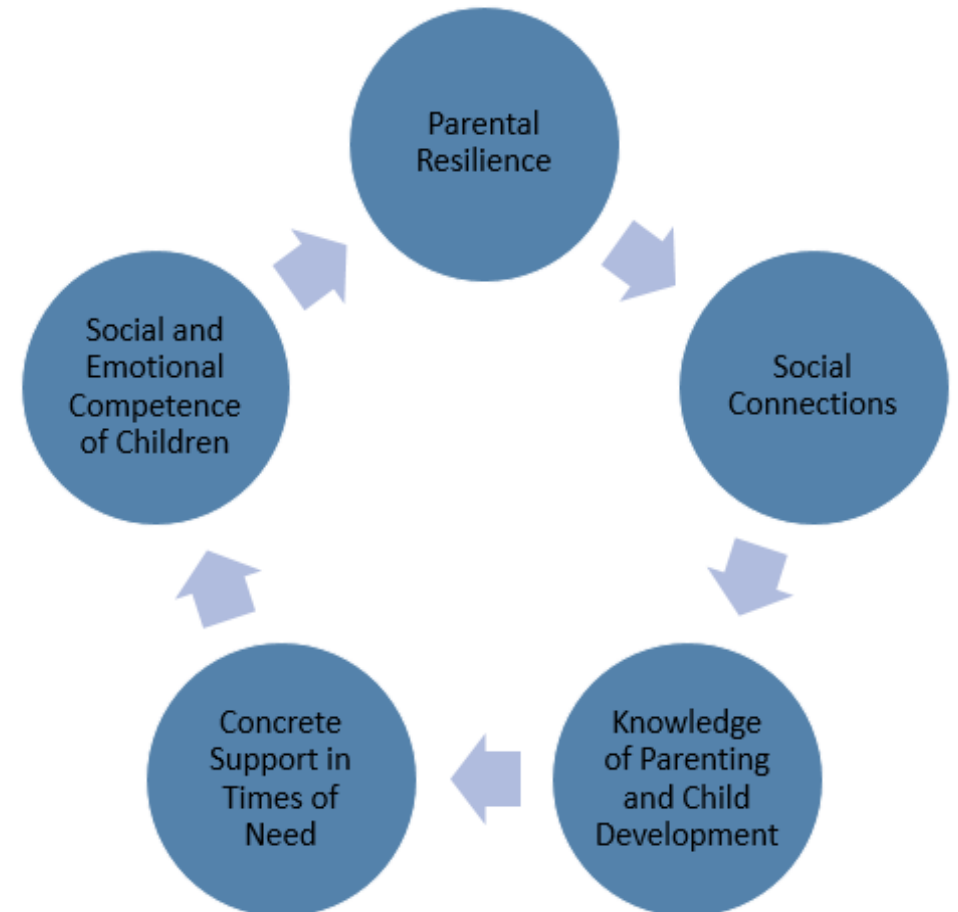

7 community providers (7 districts)
210 families in SFY 2019

- Winston Prouty Center in Brattleboro
- COTS & Howard Center in Burlington
- Homeless Prevention Center in Rutland
- Upper Valley Haven in Hartford
- NEKCA in St. Johnsbury
- Family Center of Washington County in Barre
- Sunrise Family Resource Center in Bennington

Program Components

- Permanent housing (MOU with housing providers; matching families with FUP vouchers)
- Intensive home-based case management and service coordination – caseloads of 12 to 15 families
- Financial empowerment support (banking, spending, debt/credit, savings)
- Strengthening Families Framework
- Holistic, two-generation approach using non-judgmental, positive, and trauma-informed communication and engagement

Strengthening Families Protective Factors

FSH Eligibility & Prioritization

All Families meet the AHS/HUD definition of homelessness

Prioritized - one point for each:

- Families with multiple episodes of homelessness
- Families that are open for services (or have active case) with the Family Services Division of DCF
- Families with at least one child under 6
