Subject: Provisions in the Governor's Proposed FY 2019 Budget Adjustment

The House Appropriations Committee has started work on the FY 2019 Governor's proposed budget adjustment and would like to inform you about proposals related to appropriations from the Departments of Forests, Parks and Recreation, and Environmental Conservation. There was no language submitted by the Administration that falls within the Committees jurisdiction.

The House Appropriations Committee welcomes and appreciates your input and would like to give you the opportunity to comment on any of the proposals; however, it is not necessary to respond to all the proposals unless you have concerns or recommendations. If you do not wish to comment on any of the issues sent to your committee, please send a quick e-mail or note to the Committee through Theresa Utton-Jerman at tutton@leg.state.vt.us. If you would like to respond, it would be helpful if you could do so by the end of the day on Tuesday, January 22, 2019.
