

§ 3752. Definitions

As used in this subchapter:

\* \* \*

(8) "Housesite" means ~~the~~ a minimum of two acres of land surrounding any house, mobile home, or dwelling. Up to five houses, mobile homes, or dwellings may share one housesite as long as no house, mobile home, or dwelling is more than 100 feet from at least one other building.

Effective July 1, 2020 and shall apply to enrollment in the use value program in 2021 and after.
