

1 Introduced by Committee on Appropriations

2 Date:

3 Subject: Appropriations; health care; human services; Coronavirus Relief Fund

4 Statement of purpose of bill as introduced: This bill proposes to appropriate

5 \$300 million from the Coronavirus Relief Fund for health care- and human

6 services-related expenses incurred as a result of the COVID-19 pandemic.

7 An act relating to health care- and human services-related appropriations
8 from the Coronavirus Relief Fund

9 It is hereby enacted by the General Assembly of the State of Vermont:

10 * * * Purpose * * *

11 Sec. 1. PURPOSE

12 The purpose of this act is to appropriate \$300,000,000.00 from the
13 Coronavirus Relief Fund for health care- and human services-related expenses
14 incurred as a result of the COVID-19 pandemic.

15 * * * Coronavirus Relief Fund; Administrative Provisions * * *

16 Sec. 2. CONSISTENCY WITH CARES ACT AND GUIDANCE

17 The General Assembly determines that the expenditure of monies from the
18 Coronavirus Relief Fund as set forth in this act complies with the requirements

1 of Sec. 5001 of the CARES Act, Pub. L. No. 116-136 and related guidance
2 because the costs to be covered:

3 (1) are necessary expenditures incurred due to the public health
4 emergency with respect to Coronavirus Disease 2019 (COVID-19);

5 (2) were not accounted for in Vermont’s fiscal year 2020 budget; and

6 (3) were, or will be, incurred during the period beginning on March 1,
7 2020 and ending on December 30, 2020.

8 Sec. 3. GRANT RECIPIENT REQUIREMENTS; REVERSION AND
9 REALLOCATION SCHEDULE

10 All appropriations made from the State’s Coronavirus Relief Fund (CRF)
11 in this and other bills passed after March 1, 2020 as part of the 2020
12 legislative session are made with the knowledge that the statutory and
13 regulatory context is constantly changing. Additional federal legislation may
14 further change the potential for and appropriateness of CRF usage. As a
15 result:

16 (1) Appropriations from the CRF are subject to changes in source of
17 funds that may occur as the result of subsequent legislation or through
18 administrative actions, where permissible by law.

19 (2) Specific CRF uses may need to change based on changes to federal
20 laws or on revised or updated federal guidance.

1 (3) It is the responsibility of all entities receiving CRF monies to ensure
2 compliance with all federal guidelines as to CRF spending and use.

3 (4) Unless otherwise authorized by the Commissioner of Finance and
4 Management, any monies appropriated from the CRF shall revert to the CRF to
5 the extent that they have not been expended by December 20, 2020 to enable
6 reallocation.

7 Sec. 4. CORONAVIRUS RELIEF FUND GRANTS; CONDITIONS

8 (a) Any person receiving a grant comprising monies from the Coronavirus
9 Relief Fund shall use the monies only for purposes that comply with the
10 requirements of Sec. 5001 of the CARES Act, Pub. L. No. 116-136 and related
11 guidance.

12 (b) Any person who expends monies from the Coronavirus Relief Fund for
13 purposes not eligible under Sec. 5001 of the CARES Act, Pub. L. No. 116-136
14 and related guidance shall be liable for repayment of the funds to the State of
15 Vermont; provided, however, that a person shall not be liable for such
16 repayment if the person expended the monies in good faith reliance on
17 authorization of the proposed expenditure by or specific guidance from the
18 agency or department administering the grant program.

19 (c) The Attorney General or a State agency or department administering a
20 grant program established or authorized under this act may seek appropriate

1 criminal or civil penalties as authorized by law for a violation of the terms or
2 conditions of the applicable program, grant, or award.

3 Sec. 5. CORONAVIRUS RELIEF FUND; RECORD KEEPING;
4 COMPLIANCE; REPORTS

5 (a) In order to ensure compliance with the requirements of Sec. 5001 of the
6 CARES Act, Pub. L. No. 116-136, and related guidance, and to assist the State
7 in demonstrating such compliance:

8 (1) any agency or department, and any subrecipient of a grant, that is
9 authorized to disburse grant funds appropriated by this act shall include
10 standard audit provisions, as required by Agency of Administration Bulletins
11 3.5 and 5, in all contracts, loans, and grant agreements; and

12 (2) each grant recipient shall report on its use of the monies received
13 pursuant to this act to the agency or department administering the grant as
14 required by that agency or department and shall maintain records of its
15 expenditures of the monies for three years, or for a longer period if so required
16 by State or federal law, to enable verification as needed.

17 (b) On or before July 31, 2020 and September 1, 2020, each agency or
18 department administering a grant program pursuant to this act shall provide
19 information to the legislative committees of jurisdiction, including the House
20 and Senate Committees on Appropriations, regarding its distribution of grant

1 funds to date, the amount of grant funds that remains available for distribution,
2 and its plans for awarding the available funds by December 20, 2020.

3 * * * Health Care Provider Stabilization Program * * *

4 Sec. 6. HEALTH CARE PROVIDER STABILIZATION PROGRAM;

5 CORONAVIRUS RELIEF FUND; APPROPRIATION

6 (a) The sum of \$250,570,000.00 is appropriated from the Coronavirus
7 Relief Fund to the Agency of Human Services in fiscal year 2021 for purposes
8 of establishing the Health Care Provider Stabilization Grant Program as set
9 forth in this section.

10 (b) The General Assembly determines that the expenditure of monies from
11 the Coronavirus Relief Fund as set forth in this section is necessary to stabilize
12 health care providers based on their COVID-19-related costs and the fiscal
13 impacts of disruptions to their business operations as a result of COVID-19.
14 Health care providers have had to change their care delivery models, suspend
15 elective procedures and surgeries, reduce patient volume, acquire additional
16 equipment and supplies, and make other modifications to their practices in
17 order to respond to and mitigate the effects of the COVID-19 public health
18 emergency.

19 (c)(1) The Agency of Human Services shall establish the Health Care
20 Provider Stabilization Grant Program to disburse the funds appropriated in this

1 section to eligible health care provider applicants as expeditiously as possible
2 using a needs-based application process.

3 (2) Based on federal law and guidance, the Agency shall establish
4 guidelines identifying the specific types of costs for which grant recipients may
5 use grant funds. Costs are not compensable under this section if the same costs
6 or expenses have been or will be covered by insurance or by another State or
7 federal grant; provided, however, that this restriction does not include loans or
8 advance payments for which repayment is expected.

9 (3)(A) Providers of health care services in the following categories shall
10 be eligible to apply for grant funds pursuant to this section if the provider is
11 located in Vermont and delivers health care services in this State:

12 (i) hospitals, including community hospitals and psychiatric
13 hospitals;

14 (ii) health care professional services, including independent
15 medical practices, hospital-owned medical practices, designated and
16 specialized services agencies, federally qualified health centers, rural health
17 clinics, ambulatory surgical centers, and laboratory and imaging centers;

18 (iii) dental services;

19 (iv) other professional services, including mental health providers,
20 residential and nonresidential substance use disorder treatment providers,

1 advanced practice registered nurses, physical therapists, podiatrists,
2 optometrists, chiropractors, and other health care providers;

3 (v) home health and hospice agencies;

4 (vi) pharmacy services;

5 (vii) facility- and community-based long-term care services,

6 including skilled nursing facilities, nursing homes, residential care homes,

7 assisted living facilities, and adult day service providers; and

8 (viii) organizations recognized by the Agency of Human Services

9 through their status as provider grant recipients providing health support

10 services, including the area agencies on aging and organizations providing peer
11 support services.

12 (B) The Agency of Human Services shall evaluate applicants based

13 on their demonstrated need and ability to meet the criteria set forth in

14 subsection (d) of this section, not on the basis of a provider applicant's size or

15 its proportion of health care spending in this State, and shall consider the

16 impact of the requested funds on the applicant's sustainability.

17 (d) In determining whether and how much to award an applicant from the

18 Health Care Provider Stabilization Grant Program, the Agency shall consider

19 the applicant's demonstrated need and the extent to which the applicant meets

20 some or all of the following criteria, to the extent applicable:

1 (1) The applicant would use the grant funds to sustain or improve the
2 quality of health care services, including essential community services and
3 services delivered using telehealth, provided during the COVID-19 public
4 health emergency.

5 (2) The applicant would use the grant funds to prepare for mitigating or
6 responding to anticipated surges in COVID-19 cases or to prepare to meet
7 increased needs for specific types of services, such as the likely demand for
8 mental health services as a result of prolonged social isolation and economic
9 stress due to the COVID-19 public health emergency.

10 (3) The applicant would use the grant funds to provide or support
11 services that would otherwise likely become limited or unavailable as a result
12 of business disruptions caused by the COVID-19 public health emergency, or
13 the grant funds would enable the applicant to withstand and recover from
14 business disruptions caused by the COVID-19 public health emergency, or
15 both.

16 (4) The applicant would use the grant funds to supplement existing
17 patient financial assistance programs in order to assist patients whose financial
18 situations have been negatively affected by the COVID-19 public health
19 emergency or to enable the applicant to continue providing services to
20 Medicaid beneficiaries, or both.

1 (5) The applicant appears capable of making appropriate and efficient
2 use of the grant funds.

3 (e)(1)(A) The Agency shall provide notice and outreach regarding the
4 availability of the grants and grant applications to health care providers and
5 provider organizations in a timely manner.

6 (B) The information the Agency requires a provider to provide in an
7 application for the Health Care Provider Stabilization Grant Program should
8 not exceed the minimum necessary to demonstrate the applicant’s need for the
9 grant funds requested and the degree to which the provider satisfies some or all
10 of the criteria in subsection (d) of this section, to the extent applicable.

11 (C) The Agency shall consider each application received and shall
12 prioritize applications and the amount of each grant award based on the
13 applicant’s level of financial need and on the extent to which the applicant
14 satisfies some or all of the criteria set forth in subsection (d) of this section, to
15 the extent applicable.

16 (2) Grants to be awarded pursuant to this section may be requested and
17 disbursed as a single payment or as multiple payments, depending on the needs
18 of the applicant and the proposed uses of the funds, provided that all funds
19 shall be disbursed, and cover costs incurred, on or before December 30, 2020
20 as required by the CARES Act.

1 (3) Notwithstanding any provision of this section to the contrary, of the
2 funds appropriated pursuant to subsection (a) of this section:

3 (A) at least \$5,000,000.00 in grant funds shall be awarded to nursing
4 homes; and

5 (B) at least \$8,500,000.00 in grant funds shall be awarded and
6 divided between residential and nonresidential substance use disorder
7 treatment programs, home health and hospice agencies, and designated and
8 specialized services agency programs specific to individuals with intellectual
9 and developmental disabilities and traumatic brain injuries.

10 (f)(1) On or before July 31, 2020, the Agency of Human Services shall
11 provide information to the House Committees on Appropriations, on Health
12 Care, and on Human Services and the Senate Committees on Appropriations
13 and on Health and Welfare regarding its distribution of Health Care Provider
14 Stabilization Program grant funds to date, including the types of providers
15 awarded funds, the aggregate amounts awarded by provider type, and the
16 aggregate amounts awarded by geographic region of the State.

17 (2) On or before September 1, 2020, the Agency of Human Services shall
18 provide information to the House Committees on Appropriations, on Health
19 Care, and on Human Services and the Senate Committees on Appropriations
20 and on Health and Welfare regarding its distribution of Health Care Provider
21 Stabilization Program grant funds since those included in the report required in

1 subdivision (1) of this subsection, including the types of providers awarded
2 funds, the aggregate amounts awarded by provider type, and the aggregate
3 amounts awarded by geographic region of the State, and any amounts
4 remaining for allocation.

5 (3) On or before January 15, 2021, the Agency of Human Services shall
6 report to the House Committees on Appropriations, on Health Care, and on
7 Human Services and the Senate Committees on Appropriations and on Health
8 and Welfare the specific grant amount or amounts awarded to each recipient of
9 funds under the Health Care Provider Stabilization Program.

10 * * * Community Health Investments * * *

11 Sec. 7. COMMUNITY HEALTH INVESTMENTS; CORONAVIRUS

12 RELIEF FUND; APPROPRIATION

13 (a) The sum of \$9,000,000.00 is appropriated from the Coronavirus Relief
14 Fund to the Agency of Human Services in fiscal year 2021 in order to sustain
15 existing population health management programs.

16 (b) The General Assembly determines that the expenditure of monies from
17 the Coronavirus Relief Fund as set forth in this section is necessary to promote
18 the health of Vermonters, including identifying patients most at risk from
19 COVID-19, providing outreach and education regarding prevention of and
20 testing for COVID-19, expanding access to telehealth, and maintaining care
21 management programs to help patients manage chronic conditions while access

1 to health care services is limited as a result of the COVID-19 public health
2 emergency.

3 * * * COVID-19-Related Health Disparities * * *

4 Sec. 8. ADDRESSING HEALTH DISPARITIES; CORONAVIRUS RELIEF
5 FUND; APPROPRIATION

6 (a) The sum of \$1,000,000.00 is appropriated from the Coronavirus Relief
7 Fund to Department of Health in fiscal year 2021 for purposes of addressing
8 health disparities in Vermont as they relate to COVID-19 by providing direct
9 services to affected populations and conducting outreach to isolated individuals
10 at high risk of adverse outcomes from COVID-19.

11 (b) The General Assembly determines that the expenditure of monies from
12 the Coronavirus Relief Fund as set forth in this section is necessary to reduce
13 health disparities that disproportionately affect individuals who belong to or
14 identify with certain social categories by providing all Vermont residents with
15 an equal opportunity to be healthy and to protect themselves and others from
16 COVID-19.

17 (c)(1) The Department of Health shall use the funds appropriated in this
18 section to provide up to 10 grants to community agencies to provide direct
19 services to populations most likely to experience adverse outcomes from
20 COVID-19 based on factors such as race or ethnicity, immigrant status, sexual
21 orientation, gender identity, disability, age, and geographic location. Grantees

1 shall work directly with affected populations and conduct outreach to isolated
2 individuals at high risk of adverse outcomes from COVID-19 to assess and
3 identify their needs during the COVID-19 public health emergency in order to
4 help them protect themselves and others from the disease, such as by providing
5 education and resources regarding prevention of COVID-19 in languages and
6 formats appropriate to the population, assisting with access to COVID-19
7 testing and treatment, and identifying and addressing difficulties in safely
8 meeting essential needs, including food, shelter, health care, and emotional
9 support, during the public health emergency.

10 (2) The Department shall select grantees based on prior demonstrated
11 work with the affected population, membership as part of the affected
12 population, and ability to rapidly implement programming in response to the
13 COVID-19 public health emergency.

14 (d)(1) The grantees under the program established in this section shall
15 provide insights gathered from their work under the grant, and
16 recommendations for further actions based on those insights, to the Department
17 to inform the Department’s future efforts to address health disparities in
18 Vermont.

19 (2) The Department of Health shall use the insights and
20 recommendations provided by the grantees, along with the recommendations
21 from the Governor’s Racial Equity Task Force expected on or before August

1 15, 2020, to enhance and expand upon the Department’s previous work in
2 addressing health disparities in Vermont and shall consider ways to continue
3 involving members of the affected populations in the Department’s health
4 equity planning processes and action plans going forward.

5 * * * Mental Health Services * * *

6 Sec. 9. SUICIDE PREVENTION; CORONAVIRUS RELIEF FUND;

7 APPROPRIATION

8 (a) The sum of \$800,000.00 is appropriated from the Coronavirus Relief
9 Fund to Department of Mental Health in fiscal year 2021 for purposes of
10 implementing suicide prevention initiatives focused on individuals at
11 heightened risk of death by suicide due to economic stress, social isolation, or
12 other impacts of the COVID-19 public health emergency.

13 (b) The General Assembly determines that the expenditure of monies from
14 the Coronavirus Relief Fund as set forth in this section is necessary to mitigate
15 the negative effects of COVID-19 on Vermonters’ mental health as economic
16 stress, social isolation, and other impacts of the COVID-19 public health
17 emergency have increased many individuals’ feelings of panic, fear, anxiety,
18 depression, loneliness, and other mental health concerns.

1 Sec. 10. PEER WARM LINE; CORONAVIRUS RELIEF FUND;

2 APPROPRIATION

3 (a) The sum of \$200,000.00 is appropriated from the Coronavirus Relief
4 Fund to the Department of Mental Health in fiscal year 2021 for purposes of a
5 grant to Pathways Vermont to operate its peer warm line 24 hours per day,
6 seven days per week until December 30, 2020 and to conduct outreach to
7 health care providers and others across Vermont to make them aware of the
8 warm line and encourage them to use it.

9 (b) The General Assembly determines that the expenditure of monies from
10 the Coronavirus Relief Fund as set forth in this section is necessary because
11 call volume to Pathways Vermont’s warm line has increased substantially as a
12 result of the COVID-19 public health emergency, including significantly
13 increased numbers of calls regarding suicidality; the warm line provides an
14 essential service to Vermonters on which their mental health and, in some
15 cases, their lives may depend; and currently, Pathways only has sufficient
16 funds to continuing operating the warm line 24 hours per day, seven days per
17 week through June 30, 2020. In addition, responding to the COVID-19 public
18 health emergency has taken an enormous toll on the mental health of health
19 care providers across the State, and it is vital that they be aware of the support
20 available to them through the warm line.

1 (c) Pathways Vermont shall use the funds received pursuant to this section
2 to:

3 (1) operate its warm line 24 hours per day, seven days per week, until
4 December 30, 2020;

5 (2) conduct outreach to health care providers across provider types in all
6 geographic regions of the Vermont to make them aware of the warm line and
7 of existing hotline options in Vermont and encourage them to use those
8 resources; and

9 (3) conduct outreach to Vermonters all across the State to make them
10 aware of the warm line and of existing hotline options in Vermont and
11 encourage them to use those resources.

12 * * * Child Care and Family Supportive Services * * *

13 Sec. 11. PARENT CHILD CENTER NETWORK; CORONAVIRUS RELIEF
14 FUND; APPROPRIATION

15 (a) The sum of \$3,900,000.00 is appropriated from the Coronavirus Relief
16 Fund to the Department for Children and Families' Child Development
17 Division in fiscal year 2021 for distribution to the Parent Child Center Network
18 for the purpose of supporting parent child centers' response to an increased
19 demand for services, such as supporting clients with housing and food
20 insecurity; responding to child development inquiries; and providing parental

1 supports, technology support and training, and other supplies and services to
2 meet families’ immediate needs.

3 (b) The General Assembly determines that the expenditure of monies from
4 the Coronavirus Relief Fund as set forth in this section is necessary because the
5 Parent Child Center Network serves many of Vermont’s most vulnerable
6 families, and the COVID-19 public health emergency has rendered the State’s
7 most vulnerable families even less secure in terms of food, housing, and
8 parental and other educational supports.

9 Sec. 12. CHILD CARE, SUMMER CAMP, AND AFTERSCHOOL

10 PROGRAM RESTART GRANTS; CORONAVIRUS RELIEF

11 FUND; APPROPRIATION

12 (a) The sum of \$9,000,000.00 is appropriated from the Coronavirus Relief
13 Fund to the Department for Children and Families’ Child Development
14 Division in fiscal year 2021 for purposes of providing additional restart grants
15 to summer camps, afterschool programs, and child care providers through the
16 month of August. Of the sum appropriated, \$3,000,000.00 shall be designated
17 for summer camps and afterschool programs and \$6,000,000.00 shall be
18 designated for child care providers.

19 (b) The General Assembly determines that the expenditure of monies from
20 the Coronavirus Relief Fund as set forth in this section is necessary to ensure
21 that summer camps, afterschool programs, and child care providers are able to

1 conform to health and safety standards designed to mitigate the risk of
2 COVID-19 infections, such as altering staffing patterns, securing personal
3 protective equipment and cleaning supplies, and retrofitting facilities. This
4 appropriation is also necessary to cover budgetary shortfalls resulting from the
5 inability of a summer camp, afterschool program, or child care provider to
6 open at full capacity, which is due to or resulting from COVID-19, because
7 families are either unenrolling children to prevent transmission of the virus or
8 summer camps, afterschool programs, and child care providers are reducing
9 their capacity to conform with required health and safety standards.

10 Sec. 13. CHILDREN’S INTEGRATED SERVICES; CORONAVIRUS
11 RELIEF FUND; APPROPRIATION

12 (a) The sum of \$100,000.00 is appropriated from the Coronavirus Relief
13 Fund to the Department for Children and Families’ Child Development
14 Division in fiscal year 2021 for purposes of addressing immediate needs
15 related to providing Children’s Integrated Services, including information
16 technology training and the provision of equipment necessary for telehealth
17 services.

18 (b) The General Assembly determines that the expenditure of monies from
19 the Coronavirus Relief Fund as set forth in this section is necessary to provide
20 remote services because the risk of COVID-19 infection has limited the
21 provision of in-person Children’s Integrated Services.

1 Sec. 14. INFANT SUPPLIES; CORONAVIRUS RELIEF FUND;

2 APPROPRIATION

3 (a) The sum of \$50,000.00 is appropriated from the Coronavirus Relief
4 Fund to the Department for Children and Families in fiscal year 2021 for
5 distribution to the Junior League of Champlain Valley Diaper Bank for
6 purposes of providing supplies to families statewide who are facing economic
7 hardship as a result of the COVID-19 pandemic.

8 (b) The General Assembly determines that the expenditure of monies from
9 the Coronavirus Relief Fund as set forth in this section is necessary because
10 many families with infants and young children are in need of diapering and
11 other supplies and the COVID-19 pandemic has created economic hardships
12 for many families, including loss of employment, that render them unable to
13 procure these supplies.

14 * * * Addressing Food Insecurity * * *

15 Sec. 15. CHARITABLE FOOD SYSTEM; CORONAVIRUS RELIEF

16 FUND; APPROPRIATION

17 (a) The sum of \$4,600,000.00 is appropriated from the Coronavirus Relief
18 Fund to the Department of Health in fiscal year 2021 for distribution to the
19 Vermont Foodbank for purpose of addressing food insecurity throughout the
20 State, including purchasing more food, providing subgrants to partner food
21 shelves and meal sites, and for additional personnel, supplies, materials,

1 warehouse space, delivery services, and equipment to meet the increased need
2 of Vermonters for access to food as a result of the COVID-19 public health
3 emergency.

4 (b) The General Assembly determines that the expenditure of monies from
5 the Coronavirus Relief Fund as set forth in this section is necessary because the
6 Vermont Foodbank has experienced a 46 percent increase in demand for
7 services resulting from high unemployment rates, business closures, and
8 significant business interruptions during the COVID-19 public health
9 emergency. In addition, the Vermont Foodbank will also incur significant
10 expenses to access the food assistance funds available from the U.S.
11 Department of Agriculture’s Coronavirus Food Assistance Program, especially
12 if the availability of the Vermont National Guard to support food distribution
13 changes, because the Vermont Foodbank does not currently have the resources
14 needed to independently manage food distributions on its own.

15 Sec. 16. SUMMER MEALS TO CHILDREN; CORONAVIRUS RELIEF

16 FUND; APPROPRIATION

17 (a) The sum of \$12,000,000.00 is appropriated from the Coronavirus Relief
18 Fund to the Agency of Education for distribution to Summer Meal Sponsors in
19 fiscal year 2021 for purposes of continuing meal delivery services to children
20 during the months of June, July, and August.

1 (b) The General Assembly determines that the expenditure of monies from
2 the Coronavirus Relief Fund as set forth in this section is necessary to provide
3 meal delivery services to children, including the preparation, packaging, and
4 delivery of meals. Food insecurity has increased significantly during the
5 COVID-19 pandemic, and settings that often provide meals during summer
6 months, like congregate settings, may not be available in the summer of 2020
7 due to public health considerations. This appropriation shall assist in the
8 payment of costs incurred by Sponsors to address one or both of the following:

9 (1) compliance with COVID-19 public health precautions; or

10 (2) accommodation of increased participation in the Program due to the
11 increase in number of eligible participants due to the negative economic effects
12 of the COVID-19 public health emergency.

13 (c)(1) The Agency of Education shall continue to seek waivers from the
14 U.S. Department of Agriculture for the Summer Food Service Program to
15 enable the State to draw down federal funds for the delivery of meals in
16 accordance with this section.

17 (2) The provision of summer meals to children is not compensable under
18 this section to the extent that the same costs or expenses have been or will be
19 covered by other federal grant funds.

1 Sec. 17. FOOD DISTRIBUTION TO OLDER VERMONTERS AND
2 OTHER VULNERABLE POPULATIONS; CORONAVIRUS
3 RELIEF FUND; APPROPRIATION

4 (a) The sum of \$2,000,000.00 is appropriated from the Coronavirus Relief
5 Fund to the Department of Disabilities, Aging, and Independent Living in
6 fiscal year 2021 for distribution to the Area Agencies on Aging for the purpose
7 of providing nutrition services to older Vermonters and other vulnerable
8 populations in compliance with public health or social distancing requirements
9 implemented in response to the COVID-19 public health emergency.

10 (b) The General Assembly determines that the expenditure of monies from
11 the Coronavirus Relief Fund as set forth in this section is necessary to address
12 the increased demand for nutrition services and the added costs of public
13 health precautions incurred by the Area Agencies on Aging due to or resulting
14 from COVID-19 because the public health emergency has increased food
15 insecurity in Vermont and has restricted the availability of congregate settings
16 in which many older Vermonters and other vulnerable populations are
17 typically served.

* * * Adult Day Programs * * *

1
2 Sec. 18. ADULT DAY PROGRAMS; CORONAVIRUS RELIEF FUND;
3 APPROPRIATION

4 (a) The sum of \$850,000.00 is appropriated from the Coronavirus Relief
5 Fund to the Department of Disabilities, Aging, and Independent Living in
6 fiscal year 2021 to provide sustainability payments to adult day programs
7 during the months of July, August, and September to ensure that these
8 programs remain viable and will be able to reopen once the risk of COVID-19
9 transmission in congregate settings dissipates.

10 (b) The General Assembly determines that the expenditure of monies from
11 the Coronavirus Relief Fund as set forth in this section is necessary to provide
12 financial stability to Vermont’s adult day programs while clients remain
13 socially distanced to prevent the risk of COVID-19 transmission in congregate
14 settings and to ensure that programs are able to reopen once the risk of
15 COVID-19 transmission in congregate settings dissipates.

16 * * * Supports for New Americans, Refugees, and Immigrants * * *

17 Sec. 19. SUPPORTS FOR NEW AMERICANS, REFUGEES, AND
18 IMMIGRANTS; CORONAVIRUS RELIEF FUND;
19 APPROPRIATION

20 (a) The sum of \$700,000.00 is appropriated from the Coronavirus Relief
21 Fund to the Agency of Human Services in fiscal year 2021 for distribution in

1 equal amounts to the Association of Africans Living in Vermont and the U.S.
2 Committee for Refugees and Immigrants’ Vermont Refugee Resettlement
3 Program for various purposes related to COVID-19, including:

4 (1) hiring outreach staff to communicate health and hygiene information
5 related to COVID-19 in many languages, including the of symptoms of
6 COVID-19, how to access health care, and the importance of social distancing;

7 (2) preparing and delivering care packages of food, clothing, and
8 cleaning and hygiene products to persons experiencing economic hardship as a
9 result of high unemployment rates, business closure, or significant business
10 interruption during the COVID-19 pandemic;

11 (3) providing navigation of case management services to clients in need
12 of unemployment insurance, Reach Up, the Supplemental Nutrition Assistance
13 Program, and other benefits as a result of high unemployment rates, business
14 closure, or significant business interruption during the COVID-19 pandemic;
15 and

16 (4) hiring a coach to collaborate with the Department for Children and
17 Families’ Child Development Division to assist New Americans interested in
18 becoming registered family child care providers, including gaining a better
19 understanding of the challenges facing New Americans in accessing child care
20 as a result of the COVID-19 public health emergency and providing a career
21 path for New Americans who have lost employment as a result of COVID-19.

1 (b) The General Assembly determines that the expenditure of monies from
2 the Coronavirus Relief Fund as set forth in this section is necessary because
3 many members of Vermont’s New American, refugee, and immigrant
4 populations have been unable to access information related to:

5 (1) the prevention of COVID-19 transmission; and

6 (2) support services for persons experiencing either symptoms of the
7 virus or financial hardship as a result of high unemployment rates, business
8 closure, or significant business interruption due to the COVID-19 public health
9 emergency.

10 * * * Peer Supports for Persons with Intellectual Disabilities * * *

11 Sec. 20. PEER SUPPORTS FOR PERSONS WITH INTELLECTUAL
12 DISABILITIES; CORONAVIRUS RELIEF FUND;
13 APPROPRIATION

14 (a) The sum of \$50,000.00 is appropriated from the Coronavirus Relief
15 Fund to the Department for Disabilities, Aging, and Independent Living in
16 fiscal year 2021 for distribution to the Green Mountain Self Advocates for the
17 purposes of providing peer outreach services to persons with intellectual
18 disabilities regarding:

19 (1) health and hygiene precautions related to avoiding exposure to and
20 transmission of COVID-19;

1 (2) resources and services for persons impacted by financial hardship as
2 a result of high unemployment rates, business closure, or significant business
3 interruption during the COVID-19 pandemic; and

4 (3) training, assistance, and acquisition of digital equipment to access
5 the supports described in subdivisions (1) and (2) of this subsection.

6 (b) The General Assembly determines that the expenditure of monies from
7 the Coronavirus Relief Fund as set forth in this section is necessary to ensure
8 that persons with intellectual disabilities understand how to:

9 (1) reduce the risk of exposure to and transmission of COVID-19; and

10 (2) access health, social, and financial supports necessitated due to
11 infection from COVID-19, social distancing, or financial hardship as a result of
12 the high unemployment rates, business closure, or significant business
13 interruption during the COVID-19 pandemic.

14 * * * Supplemental Reach Up Assistance * * *

15 Sec. 21. SUPPLEMENTAL REACH UP ASSISTANCE; CORONAVIRUS

16 RELIEF FUND; APPROPRIATION

17 (a)(1) The sum of \$300,000.00 is appropriated from the Coronavirus Relief
18 Fund to the Department for Children and Families' Economic Services
19 Division in fiscal year 2021 for purposes of providing small supplemental
20 grants to families in the Reach Up program experiencing extraordinary

1 financial hardship due to the COVID-19 public health emergency for expenses

2 such as:

3 (A) cleaning supplies and personal protective equipment to prevent
4 infection by transmission of COVID-19;

5 (B) cash assistance to families with children under six years of age,
6 which is linked to better health outcomes for young children;

7 (C) expenses related to remote learning or employment, including
8 access to the Internet; and

9 (D) transportation-related expenses to offset limited public
10 transportation options during the COVID-19 public health emergency.

11 (2) The Department shall distribute the supplemental grants in
12 accordance with its standard process for distributing supplemental Reach Up
13 financial assistance.

14 (b) The General Assembly determines that the expenditure of monies from
15 the Coronavirus Relief Fund as set forth in this section is necessary because
16 Vermont’s most vulnerable families, many of whom are Reach Up
17 participants, have been especially susceptible to financial hardship as a result
18 of the high unemployment rates, business closures, and significant business
19 interruptions due to the COVID-19 public health emergency and may require
20 supplemental funds to provide COVID-19-related resources for their families.

* * * Recovery Residences * * *

Sec. 22. RECOVERY RESIDENCES; CORONAVIRUS RELIEF FUND;
APPROPRIATION

(a) The sum of \$350,000.00 is appropriated from the Coronavirus Relief Fund to the Department of Health in fiscal year 2021 for distribution to recovery residences for the purposes of:

(1) providing rental payments on behalf of residents who are unable to pay rent due to unemployment as a result of COVID-19; and

(2) purchasing cleaning supplies and personal protective equipment necessary to mitigate the transmission of COVID-19 within a recovery residence.

(b) The General Assembly determines that the expenditure of monies from the Coronavirus Relief Fund as set forth in this section is necessary to ensure that residents are able to remain in recovery residences despite experiencing unemployment as a result of COVID-19 and to ensure that recovery residences have the cleaning and other supplies necessary to mitigate the transmission of COVID-19.

1 * * * COVID-19 Public Health Precautions on State Lands * * *

2 Sec. 23. AGENCY OF NATURAL RESOURCES; COVID-19 PUBLIC
3 HEALTH EXPENSES ON STATE LANDS;
4 APPROPRIATIONS

5 In addition to any other funds appropriated to the Agency of Natural
6 Resources in fiscal year 2021, the amount of \$3,500,000.00 is appropriated
7 from the Coronavirus Relief Fund in fiscal year 2021 for necessary
8 expenditures incurred by the Agency for the purpose of implementing COVID-
9 19 public health precautions on lands owned or controlled by the Agency of
10 Natural Resources. Eligible projects to implement COVID-19 public health
11 precautions include:

12 (1) updating of signage or information provided at entry to or access to
13 trails, access areas, forests, parks, or other areas where information regarding
14 COVID-19 public health precautions would be available to the users;

15 (2) temporary campsites or structures to allow for proper social
16 distancing of users and staff;

17 (3) the cost or expense of services or equipment required to clean or
18 sanitize public spaces; and

19 (4) expanding, improving, or adding public access to State lands and
20 public waters to allow greater social distancing among users, including
21 purchasing, building, repairing, or expanding parking areas, boat ramps,

1 restrooms, trail heads, visitor centers, and other amenities.

2 * * * Legislative Branch; Health and Safety * * *

3 Sec. 24. LEGISLATIVE BRANCH; SPACE AND HEALTH AND SAFETY
4 ASSESSMENT; COVID-19 MITIGATION PREPARATION;
5 CORONAVIRUS RELIEF FUND; APPROPRIATION

6 (a) The sum of up to \$750,000.00 is appropriated from the Coronavirus
7 Relief Fund to the Sergeant at Arms in fiscal year 2021 as described below.

8 (1) Of the amount appropriated in this section, the Sergeant at Arms
9 may use up to \$100,000.00 for a short-term and long-term space and health and
10 safety needs assessment for the Legislative Branch for COVID-19 mitigation
11 and meeting social distancing requirements. Any funds not expended for the
12 assessment shall be used for the purpose described in subdivision (2) of this
13 subsection (a).

14 (2) Of the amount appropriated in this section, the Sergeant at Arms
15 may use up to \$150,000.00 for COVID-mitigation equipment or upgrades to
16 the State House, including personal protective equipment (PPE) and other
17 health and safety equipment or infrastructure; and

18 (3) Of the amount appropriated in this section, the Sergeant at Arms
19 may use up to \$500,000 for the costs to purchase any equipment or implement
20 upgrades or space transfers recommended in the assessment described in
21 subdivision (1) of this subsection (a).

1 (b) The General Assembly determines that the expenditure of monies from
2 the Coronavirus Relief Fund as set forth in this section is necessary for
3 addressing the health and safety of legislators, staff, and the public in the State
4 House and other legislative space for the purpose of COVID-19 mitigation.

5 (c) On or before July 10, 2020, the Sergeant at Arms, in consultation with
6 the Department of Buildings and General Services, shall contract with an
7 independent third party for a short-term and long-term space and health and
8 safety needs assessment for the Legislative Branch for COVID-19 mitigation.

9 The assessment shall include:

10 (1) recommendations for health and safety infrastructure measures
11 needed to protect staff, legislators, and the public, mitigate COVID-19, and
12 meet social distancing requirements in the State House, and any other
13 Legislative Branch space;

14 (2) short and long-term options for use of space or development of
15 additional space in the Capitol Complex for legislators, committee meetings,
16 and legislative staff offices, including 133 State Street; and

17 (3) short and long-term options for use of space for legislators,
18 committee meetings, and legislative staff offices Statewide.

19 (d) On or before August 19, 2020, the Sergeant at Arms shall submit the
20 assessment described in subsection (a) of this section to the House Committee
21 on Corrections and Institutions and the Senate Committee on Institutions. The

1 assessment shall include cost estimates for the recommendations and options
2 described in subdivisions (a)(1)-(3).

3 (e) Notwithstanding any provision of law to the contrary, the Sergeant at
4 Arms may enter into a contract with an independent third party for the
5 assessment described in this section without the need to competitively bid such
6 contracts. For the purposes of the assessment, the public health risk posed by
7 COVID-19 shall be deemed to be an emergency situation that justifies the
8 execution of sole source contracts pursuant to Bulletin 3.5, the State’s
9 Procurement and Contracting Procedures.

10 Sec. 25. LEGISLATIVE INFORMATION TECHNOLOGY;

11 CORONAVIRUS RELIEF FUND; APPROPRIATION

12 (a) The sum of \$250,000.00 is appropriated from the Coronavirus Relief
13 Fund to the Office of Legislative Information Technology in fiscal year 2021
14 for legislative information technology equipment, including any networking
15 set-up required for the State House or new legislative space, camera and video
16 set-up, and purchasing hardware, such as laptops and tablets.

17 (b) The General Assembly determines that the expenditure of monies from
18 the Coronavirus Relief Fund as set forth in this section is necessary for
19 addressing upgrades to the State House information technology infrastructure,
20 the potential transition to a new legislative space to meet social distancing
21 requirements, to support a remote work environment for legislators and

1 legislative staff, and to ensure remote public access to legislative meetings
2 resulting from the COVID-19 emergency.

3 * * * Strategic Plan for Equity and Inclusion * * *

4 Sec. 26. OFFICE OF THE ATTORNEY GENERAL’S STRATEGIC PLAN
5 FOR EQUITY AND INCLUSION PROJECT; CORONAVIRUS
6 RELIEF FUND; APPROPRIATION

7 (a) The sum of \$30,000.00 is appropriated from the Coronavirus Relief
8 Fund to the Office of the Attorney General in fiscal year 2021 for purposes of
9 the Office’s Strategic Plan for Equity and Inclusion project.

10 (b) The General Assembly determines that the expenditure of monies from
11 the Coronavirus Relief Fund as set forth in this section:

12 (1) is necessary because race-based disparities and implicit bias continue
13 to persist throughout the State of Vermont; and

14 (2) is due to COVID-19 because its proven disproportionate impact on
15 people of color, which has resulted in substantially greater difficulties in their
16 abilities during the pandemic to find and obtain such services as access to
17 justice, housing, employment, transportation, and emergency relief, has
18 exacerbated the impact of existing race-based disparities and implicit bias so
19 severely that immediate action is necessary.
