

**Vermont Training Program
Participant Data - 5 years (FY '15 - FY '19)**

Company	FY15	FY16	FY17	FY18	FY19	# of Employees	Description	Headquarters
1 American Meadows		X				5-9	American Meadows is one of the most respected online retailers of wildflower seeds, perennial plants, flower bulbs and vegetable seeds in all of North America. Our people have been helping supply gardeners since 1981. We seek to be a trusted gardening partner for creative gardeners—those who are willing to combine new ideas and products with classic favorites. Our customers range from some of the most experienced horticulturists in the country, to those who simply want to add a little color to their life, and everyone in between.	2438 Shelburne Road Suite 1 Shelburne, VT 05482
2 American Rail Dispatch		X				0-19		2 Federal Street Suite 201 St. Albans, VT 05478
3 Apex Sealing			X			0-19	Apex Sealing was established in Jeffersonville, Vermont in the fall of 2004. Since that time, the company has realized substantial growth in sales, customer base and product diversity. With two decades in the international seal arena, we have a very clear vision of the issues and opportunities before us in a rapidly changing market. Most pump shops, mechanical seal distribution outlets, OEM's and end users are under more industry pressure than ever in regards to cost reductions and delivery immediacy. Apex' focused commitment to establishing the industry's broadest in-stock inventory of mechanical seals has successfully satisfied a very diverse base of customers. A regularly updated online inventory and our detailed cross reference tools allow our customers to find what they are looking for quickly and reliably. That approach coupled with the most aggressive price structures in the industry have been key ingredients to a business level that has gone beyond all expectations.	164 Yankee Park Rd Fairfax, VT 05454-5448
4 Aris Solutions		X				20-49	Transforming communities through empowerment, inclusion, and awareness. ARIS Solutions provides innovative and efficient financial and administrative services to individuals, families and non-profit entities using a person-centered approach.	72 S Main St # 350 White River Jct, VT 05001-7154
5 Asic North					X	100+	asicNorth provides comprehensive VLSI design services to the semiconductor industry, and offers a wide range of innovative and well-managed solutions, technical and efficient skill sets, and flexible engagement models.	291 Hurricane Lane, Suite 100 Williston, VT 05495
6 Autumn Harp			X			100+	Autumn Harp is a specialized R&D and manufacturing partner for natural cosmetics and personal products. We collaborate with major brands and retailers and share our expertise and resources to produce innovative, high-quality products. Our passion is color printing and design. We love working on projects with creative people and partnering to make your vision come to life. Our Customer Service team is here to help you with any questions you may have, from file prep, estimating or to schedule an appointment. Our primary interest is developing long-lasting relationships and delivering a great experience through both our products and our service. We believe in our beautiful state and the surrounding areas and serve New England, but we have customers all over the world. We continually support our local chambers and are members of the Rutland, Okemo, Brandon, Addison and Killington Chamber of Commerce. We are also members of BNI Middlebury chapter.	26 Thompson Dr. Essex, VT 05452
7 Awesome Graphics				X		0-19	For three generations, our family business has served the USA, Canada and Europe by providing comprehensive weight management solutions for healthcare providers and their patients, as well as innovative and customized nutritional products for the health and wellness industry. With obesity being recognized for the serious disease and epidemic it is, offering your patients a supportive path to obtaining and maintaining a healthier lifestyle is more important than ever. Our extensive research and development division and state-of-the-art manufacturing capabilities provide products and dietary programs to help take the weight off, and keep it off.	77 Woodstock Ave Rutland, VT 05701-3535
8 Bariatrix Nutrition			X			20-49	Barrows and Fisher Oil Company is proud to be locally owned and operated for over 125 years!	4905 Fairway Street Lachine, Quebec H8t 1B7
9 Barrows and Fisher Oil					X	0-19	The Bennington Rescue Squad is comprised of dedicated, skilled and compassionate professionals, whose mission is to provide quality emergency medicine and specialty services, while promoting a healthier community through patient care, education, and public service.	PO Box 496 55 Depor Street Brattleboro, VT 05302
10 Bennington Rescue					X	20-49	Beta Air is a small, cross-functional team focused on rapid prototyping of electric aircraft and recharging systems. Beta is an extremely fast-moving, hands-on environment, and we are always eager to hear from candidates who share our passion for electric aviation and have the skills and experience to match that ambition. Located both in Canada (Quebec) and in the United States of America (Vermont), the company develops & manufactures composite & hybrid products for Original Equipment Manufacturers (OEMs). At BHS Composites, we believe in building durable relationships with our clients. We know the challenges they face and stay flexible enough to adapt quickly. Indeed, businesses experience rapid and constant changes and need to rethink often the way they work in order to remain competitive. BHS Composites is a proactive and flexible partner that allows its clients to consistently evolve towards its competitiveness and differentiation objectives.	120 McKinley Street Bennington, VT 05201
11 Beta Technologies					X	20-49	Jeff & Bill Birnn (pronounced "Burnn") have an ironclad bond. It's one that's developed through brotherhood, chocolate and an understanding of relationships -- even when they include cows. As third generation confectioners, they've transformed their family's business from 11 retail stores to an exclusive manufacturer of premium, wholesale truffles. One of the most important ingredients to their success is using fresh, heavy cream from Vermont cows, and gently blending it into the truffle's ganache center. Birnn Chocolates of Vermont offers over 100 different truffles to retailers nationwide.	228 Aviation Ave South Burlington, VT 05403
12 BHS Composites			X			0-19	Bouchard-Pierce is a family-owned Appliance and Kitchen & Bath dealer based in Essex Junction, VT. Since 1976, Bouchard-Pierce has served customers in Essex Junction, Berlin, Williston, Burlington, Colchester, Barre, Montpelier, Shelburne and Jericho with low prices on appliances and kitchen & bath products.	2880 Boulevard Industriel Sherbrooke, Quebec J1L 1V8
