Total Grant Need			800,000	9,879,000	11,610,900		
Total Grant Available			800,000	3,337,400	TBD		

*These projects receive priority because they were specifically named in the capital bill

**Denotes a project that has already received funding under the current or previous IUP and is included on this list should additional funding be needed

Note: \$200,000 is proposed for planning advances with FY18 & FY19 Funds

Grey shading denotes projects in the fundable range as of 2/20/2019, which includes projects already funded

Green shading denotes projects below the fundable range as of 2/20/2019

Red text denotes project bypass based on lack of readiness in FY19 with need moved to FY20

Brattleboro (No FY19 Application)

WWTF Sludge and Septage Improvements Completed Circa 2013

Grant Awarded: \$2,368,442 Eligible Grant Amount: \$5,051,189 Remaining Need: \$2,682,747
