

Crescendo

Lyndon Town School Rock Band

Project Leaders: Colin Ulrich and Macey Mawhinney

School: Lyndon Town School

Grant Proposal: \$750.00

Costs: T-shirts, Guest Artists, Band Equipment

What do we do?

We are a middle rock band that meets twice a week to rehearse popular pieces of music. During this time, students have the opportunity to learn an instrument and gain more performance experience. Students play instruments like the guitar, piano, bass, ukulele, and drums. This ensemble allows students the opportunity to work together and build their musicianship skills.

Our Performers

Students involved in rock band range from 6th to 8th grade. Currently, we have ten students participating in rock and more that wish to learn.

Our Performances

Our rock band is given many opportunities to perform for the community. The first performance we will be doing is our annual Lyndon Town School Talent Show that will be happening at the end of March. Our second performance will be Lyndon Town School, Spring Fling. Spring Fling is when the community comes to the school and students showcase what they are learning in school. Lastly, our final performance will be our Middle School Spring Concert which will happen in the middle of May.

Thank you for taking the time to read our grant and we appreciate your support!
