Unleashing the Power of Partnership for Learning

WE MUST EMPOWER YOUTH to innovate, collaborate and lead by providing opportunities for young people to be change agents in partnership with adults.

WHY?

The **lost potential** of too many of our young people who do not reach their full capacity, and are negatively impacted by a **widening opportunity gap**.

RESULT:

- ↑ Sense of **HOPELESSNESS**
- ↓ Decrease in **CRITICAL LIFE SKILL** development
- ↓ Decrease in high school completion and **POST-SECONDARY OPTIONS**
- ↓ Decrease in **CIVIC ENGAGEMENT**

THE SOLUTION...

UP for Learning empowers youth to *innovate, collaborate & lead*

UP for Learning is a nonprofit dedicated to amplifying the role of youth as partners and agents of change in education to ensure that youth:

- **Participate actively in school change**
- **Have personal power and purpose**

- **Are civically engaged**

To achieve these outcomes, UP for Learning crafts innovative, student-centered education initiatives and supports schools with customized training, coaching, graduate courses, professional development, and online resources. —Russell Quaglia

OUR MISSION is to shift the youth-adult relationship at the heart of education to partnership and to increase youth agency. This ensures that all young people have opportunities, support, knowledge and skills to pursue active roles in their learning, their lives and their community.

WE ENVISION a time when all youth will take responsibility for their own learning by collaborating with adults in the educational system to reach their own goals.
