2 CONFERENCES

3 (a) In the event that the supervisors of a district find that the provisions of a
4 land-use ordinance adopted according to the provisions of this chapter are not
5 being observed on particular lands, and that such nonobservance tends
6 substantially to increase erosion on such lands and substantially interferes with
7 the prevention or control of erosion or conservation of natural resources on
8 other lands within the district, the supervisors may summon the owner of the
9 land to appear before them to discuss the failure of the owner to observe the
10 regulations, and to perform particular work, operations, or avoidances as
11 required by ordinance of the district, when the nonobservance tends
12 substantially to increase erosion on the lands and substantially interferes with
13 the prevention or control of erosion or conservation of natural resources on
14 other lands within the district.

15 (b) By conference thus convoked, the supervisors and the owner of land not
16 observing the ordinance adopted by the district, shall together make and sign a

21 hardship involved in the full observance of the ordinance of the district, the

1 ~~supervisor~~ supervisors shall endeavor to work out a program with the owner, as
2 shall be acceptable to the owner and shall enable the owner to comply with the
3 ordinance.

4 (2)(A) Alternatively, upon the basis of their findings, the supervisors
5 may authorize such variance from the ordinances in their application to the
6 lands of the owner who has not complied with the ordinance of the district,
7 when such variance will relieve practical difficulties or unnecessary hardship
8 to that owner and when such variance is not contrary to public interest and is in
9 accordance with the purpose of land use regulations.

10 (B) The supervisors may request the landowner not complying with
11 an ordinance to sign a stipulation setting forth the conditions agreed upon by
12 the landowner and supervisors so that the practical difficulties or unnecessary
13 hardship may be overcome and the work proceed by the consent of such
14 landowner upon the land.

15 (d) Nothing in this chapter shall be construed so as to make ineffective any
16 remedies available under the laws of the State.

18 ~~ADJUSTMENT; COMPOSITION OF BOARD; TERMS,~~

19 ~~COMPENSATION, CONDUCT~~

11 ~~board upon vouchers signed by the chair of the board. The board shall adopt~~
12 ~~rules to govern its procedure, which rules shall be in accordance with the~~
13 ~~provisions of this chapter and with the provisions of any recommendations~~
14 ~~made by the State Council. Any two members of the board shall constitute a~~
15 ~~quorum. The chair, or in the chair's absence such other member of the board as~~
16 ~~the chair may designate to serve as acting chair, may administer oaths and~~
17 ~~compel the attendance of witnesses. All meetings of the board shall be open to~~
18 ~~the public. The board shall keep an accurate record of its proceedings, and~~
19 ~~shall file all documents and memoranda of proceedings with the state council,~~
20 ~~when each grievance has been adjusted. [Repealed.]~~

1 § 733. ~~POWERS OF BOARD~~

2 ~~Upon the basis of such inquiry as it deems it necessary to conduct, and upon~~
3 ~~the basis of findings resulting therefrom, the board of adjustment shall have~~
4 ~~authority by order to authorize such variance from the ordinances in their~~
5 ~~application to the lands of the owner who has not complied with the ordinance~~
6 ~~of the district, when such variance will relieve practical difficulties or~~
7 ~~unnecessary hardship to such owner and when such variance is not contrary to~~
8 ~~public interest and is in accordance with the purpose of land use regulations.~~

9 ~~The board of adjustment may request the landowner not complying with an~~

15 [Repealed.]

16 § 734. SUPERVISORS MAY PETITION SUPERIOR COURT, ~~WHEN~~

17 If a landowner does not sign such stipulation, the supervisors may petition
18 the Superior Court to require such landowner to bring his or her land into
19 conformity with the ordinance, and the ~~Court~~ court shall order such relief as it
20 may deem necessary in the interest of public health, safety, and welfare.

21 However, no landowner shall by ordinance or otherwise be required to pay any

2 land nor shall he or she be required to pay any money, perform any act, or
3 carry out any practice that shall not be in just proportion to the benefits that he
4 or she will receive and further provided that he or she shall not be required to
