

1        Evaluation of fees. The Department and the Commission shall jointly  
2        evaluate the allocation of the expenses incurred in reviewing the applications  
3        to the applicant for in-state facilities under section 248 of this title for projects  
4        that produce 5MW or more of electricity. The Department and the  
5        Commission shall, on or before the third Tuesday of each annual legislative  
6        session, submit electronically a report to the House Committee on Ways and  
7        Means and to the House Committee on Energy and Technology with their  
8        findings.
