# H.525. An Act Relating to Miscellaneous Agricultural Subjects

As Passed the House	As Proposed by Senate
* * * Seed Sales; Reporting * * *	* * * Seed Sales; Reporting * * *
	Sec. 1. 6 V.S.A. § 642 is amended to read:
	§ 642. DUTIES AND AUTHORITY OF THE
	SECRETARY
	(a) The Secretary shall enforce and carry out the
	provisions of this subchapter, including:
	(1) Sampling, inspecting, making analysis of, and
	testing seeds subject to the provisions of this subchapter that
	are transported, sold, or offered or exposed for sale within
	the State for sowing purposes. The Secretary shall notify
	promptly a person who sells, offers, or exposes seeds for sale
	and, if appropriate, the person who labels or transports seeds,
	of any violation and seizure of the seeds, or order to cease
	sale of the seeds under section 643 of this title.
	(2) Making or providing for purity and germination
	tests of seed for farmers and dealers on request and to fix
	and collect charges for the tests made.
	(3) Cooperating with the U.S. Department of
	Agriculture and other agencies in seed law enforcement.
	(4) Prior to sale, distribution, or use of a new
	genetically engineered seed in the State and after
	consultation with a seed review committee convened under
	subsection (c) of this section, review the traits of the new
	genetically engineered seed. The Secretary may prohibit,
	restrict, condition, or limit the sale, distribution, or use of the
	seed in the State when determined necessary to prevent an
	adverse effect on agriculture in the State.
	(b) The Secretary shall establish rules to carry out the
	provisions of this subchapter, including those governing the
	methods of sampling, inspecting, analyzing, testing, and
	examining seeds and reasonable standards for seed.
	(c)(1) The Secretary shall convene a seed review
	committee to review the seed traits of a new genetically

As Passed the House	As Proposed by Senate
	engineered seed proposed for sale, distribution, or use in the
	State.
	(2) A seed review committee convened under this
	subsection shall be composed of the Secretary of
	Agriculture, Food and Markets or designee and the following
	members appointed by the Secretary:
	(A) a certified commercial agricultural pesticide
	applicator;
	(B) an agronomist or relevant crop specialist from
	the University of Vermont or Vermont Technical College;
	(C) a licensed seed dealer; and
	(D) a member of a farming sector affected by the
	new genetically engineered seed.
	(3) A majority of the seed review committee shall
	approve of the sale, distribution, or use of a new genetically
	engineered seed prior to sale, distribution, or use in the State.
	In order to ensure the appropriate use or traits of a new
	genetically engineered seed in the State, a seed review
	committee may propose to the Secretary limits or conditions
	on the sale, distribution, or use of a seed or recommend a
	limited period of time for sale of the seed.
Sec. 1. 6 V.S.A. § 648(g) is amended to read:	Sec. 2. 6 V.S.A. § 648 is amended to read:
	§ 648. INSPECTIONS

	* * * Raw Milk * * *
	Sec. 4. 6 V.S.A. §§ 2777 and 2778 are amended to read:
	§ 2777. STANDARDS FOR THE SALE OF
	UNPASTEURIZED (RAW)
	MILK
	(a) Unpasteurized milk shall be sold directly from the
	producer to the consumer for personal consumption only and
	shall not be resold.
	(b) Unpasteurized milk shall be sold only from the farm
	on which it was produced except when delivery is arranged
	in conformance with sale or delivery off the farm is allowed
	under section 2778 of this chapter. Unpasteurized milk shall
	not be-sold or offered as free samples at any location other
	than on the farm on which the milk was produced.

(c) Unpasteurized milk operations shall conform to

reasonable sanitary standards, including:

As Passed the House	As Proposed by Senate
	(1)(A) Unpasteurized milk shall be derived from
	healthy animals which that are subject to appropriate
	veterinary care, including rabies vaccination according to
	accepted vaccination standards established by the Agency.
	(B) A producer shall ensure that all ruminant
	animals are tested for brucellosis and tuberculosis, according
	to accepted testing standards established by the Agency,
	prior to the sale of unpasteurized milk.
	(C) A producer shall ensure that dairy animals
	entering the producer's milking herd, including those born
	on the farm, are tested for brucellosis and tuberculosis,
	according to accepted testing standards established by the
	Agency, prior to the animal's milk being sold to consumers,
	unless:
	(i) The dairy animal has a negative U.S.
	Department of Agriculture approved test for brucellosis
	within 30 days prior to importation into the State, in which
	case a brucellosis test shall not be required;
	(ii) The dairy animal has a negative U.S.
	Department of Agriculture approved tuberculosis test within
	60 days prior to importation into the State, in which case a
	tuberculosis test shall not be required;
	(iii) The dairy animal leaves and subsequently
	reenters the producer's herd from a state or Canadian
	province that is classified as "certified free" of brucellosis
	and "accredited free" of tuberculosis or an equivalent
	classification, in which case a brucellosis or tuberculosis test
	shall not be required.
	(D) A producer shall post test results and
	verification of vaccinations on the farm in a prominent place
	and make results available to customers and the Agency.
	(d) Unpasteurized milk shall conform to the following
	production and marketing standards:
	(1) Record keeping and reporting.
	(A) A producer shall collect one composite sample
	VT LEG #341824 v.1

As Passed the House	As Proposed by Senate
	of unpasteurized milk each day and keep the previous 14
	days' samples frozen. The producer shall provide samples to
	the Agency if requested.
	(B) A producer shall maintain a current list of all
	customers, including addresses, telephone numbers, and,
	when available, e-mail addresses.
	(C) The producer shall maintain a list of
	transactions for at least one year which that shall include
	customer names, the date of each purchase, and the amount
	purchased.
	(2) Labeling. Unpasteurized (raw) milk shall be
	labeled as such, and the label shall contain:
	(A) The date the milk was obtained from the
	animal.
	(B) The name, address, zip code, and telephone
	number of the producer.
	(C) The common name of the type of animal
	producing the milk, such as cattle, goat, sheep, or an image
	of the animal.
	(D) The words "Unpasteurized (Raw) Milk. Not
	pasteurized. Keep Refrigerated." on the container's
	principal display panel, and these words shall be clearly
	readable in letters at least one-eighth inch in height and
	prominently displayed.
	(E) The words "This product has not been
	pasteurized and therefore may contain harmful bacteria that
	can cause illness particularly in children, elders, and persons
	with weakened immune systems and in pregnant women can
	cause illness, miscarriage, or fetal death, or death of a
	newborn." "Consuming raw unpasteurized milk may cause
	illness, particularly in children, seniors, persons with
	weakened immune systems, and pregnant women." on the
	container's principal display panel and clearly readable in
	letters at least one-sixteenth inch in height.
	(3) Temperature. Unpasteurized milk shall be cooled

to 40 degrees Fahrenheit or lower v	within two hours of the
	.,
finish of milking and so maintained	d until it is obtained by the
consumer. All farms shall be able	to demonstrate to the
Agency's inspector that they have to	the capacity to keep the
amount of milk sold on the highest	volume day stored and
kept at 40 degrees Fahrenheit or lo	wer in a sanitary and
effective manner.	
(4) Storage. An unpasteuriz	zed milk bulk storage
container shall be cleaned and sani	tized after each emptying.
Each container shall be emptied wi	ithin 24 hours of the first
removal of milk for packaging. Mi	ilk may be stored for up to
72 hours, but all storage containers	must shall be emptied
and cleaned at least every 72 hours	. Unless milk storage
containers are cleaned and sanitized	d daily, a written log of
dates and times when milking, clea	nning, and sanitizing occur
shall be posted in a prominent place	e and be easily visible to
customers.	
(5) Shelf life. Unpasteurize	ed milk shall not be
transferred to a consumer after four	r days from the date on
the label.	
(6) Customer inspection and	d notification.
(A) The producer shall p	provide the customer with
the opportunity to tour the farm and	d any area associated with
the milking operation. The produc	er shall permit the
customer to return to the farm at a	reasonable time and at
reasonable intervals to reinspect an	y areas associated with
the milking operation.	
(B)(i) A sign that is not s	smaller than 8 and one
half inches by 11 inches with the w	vords "Unpasteurized
(Raw) Milk. Not pasteurized. Keep	Refrigerated." and "This
product has not been pasteurized as	nd therefore may contain
harmful bacteria that can cause illn	ess particularly in
children, elders, and persons with v	weakened immune
systems and in pregnant women ca	n cause illness,
miscarriage, or fetal death, or death	1 of a newborn."

As Passed the House	As Proposed by Senate
	"Consuming raw unpasteurized milk may cause illness,
	particularly in children, seniors, persons with weakened
	immune systems, and pregnant women." shall be displayed
	prominently on the farm in a place where it can be easily
	seen by customers. The lettering shall be at least one inch in
	height and shall be clearly readable.
	(ii) The Secretary of Agriculture, Food and
	Markets shall design a template of the sign required under
	subdivision (6)(B)(i) of this section and shall post the
	template to the website of the Agency of Agriculture, Food
	and Markets for use by producers.
	(e) A producer selling 87.5 or fewer gallons (350 quarts)
	of unpasteurized milk per week shall meet the requirements
	of subsections (a) through (d) of this section and shall sell
	unpasteurized milk only from the farm on which it was
	produced. A producer selling 87.5 or fewer gallons of
	unpasteurized milk may choose to meet the requirements of
	subsection (f) of this section, in which case the producer may
	deliver or sell in accordance with section 2778 of this title.
	(f) A producer selling more than 87.5 gallons to 350
	gallons (more than 350 to 1,400 quarts) of unpasteurized
	milk per week shall meet the requirements of subsections (a)
	through (d) of this section as well as the following standards:
	(1) Inspection. The Agency shall annually inspect the
	producer's facility and determine that the producer is in
	compliance with the sanitary standards listed in subsection
	(c) of this section.
	(2) Bottling. Unpasteurized milk shall be sold in
	containers which that have been filled by the producer.
	Containers shall be cleaned by the producer except that the
	producer may allow customers to clean their own containers
	only if each customer's container is labeled with the
	customer's name and address and the customers use their
	own containers. Producers shall ensure that only clean
	bottles are filled and distributed.

gistration. Each producer operating under this
all register with the Agency.
porting. On or before March 1 of each year,
shall submit to the Agency a statement of the
f unpasteurized milk sold in the previous 12
F-farm sale and delivery. The sale and delivery

As Passed the House	As Proposed by Senate
	of unpasteurized milk is permitted and shall be in
	eompliance with as provided for under section 2778 of this
	title.
	(g) The sale of more than 350 gallons (1,400 quarts) of
	unpasteurized milk in any one week is prohibited.
	§ 2778. SALE OR DELIVERY OF UNPASTEURIZED
	(RAW) MILK
	(a) Delivery Sale or delivery of unpasteurized milk off
	the farm is permitted only within the State of Vermont and
	only of milk produced by a producer meeting the
	requirements of subsection 2777(f) of this chapter.
	(b) Delivery Sale or delivery of unpasteurized milk off
	the farm shall conform to the following requirements:
	(1) Delivery shall be to a customer who has
	purchased milk in advance either by a one time payment or
	through a subscription. Milk is purchased in advance of
	delivery when payment is provided prior to delivery at the
	customer's home or prior to commencement of the farmers'
	market where the customer receives delivery Vendors shall
	verbally inform each customer of the need to keep milk
	refrigerated.
	(2) A producer may <u>sell or</u> deliver <u>unpasteurized milk</u>
	directly to the customer:
	(A) at the customer's home or <u>may deliver it to the</u>
	customer's home when delivery is into a refrigerated unit at
	the customer's home if such unit is capable of maintaining
	the unpasteurized milk at 40 degrees Fahrenheit or lower
	until obtained by the customer; or
	(B) at a farmers' market, as that term is defined in
	section 5001 of this title, where the producer is a vendor.
	(3) During delivery or storage prior to sale,
	unpasteurized milk shall be protected from exposure to
	direct sunlight.
	(4) During delivery or storage prior to sale,
	unpasteurized milk shall be kept at 40 degrees Fahrenheit or VT LEG #341824 v.1

As Passed the House	As Proposed by Senate
	lower at all times.
	(c) A producer may contract with another individual to
	deliver the unpasteurized milk in accordance with this
	section. The producer shall be jointly and severally liable
	for the delivery of the unpasteurized milk in accordance with
	this section.
	(d) Prior to delivery at a farmers' market under this
	section, a producer shall submit to the Agency of
	Agriculture, Food and Markets written or electronic notice of
	intent to deliver unpasteurized milk at a farmers' market.
	The notice shall:
	(1) include the producer's name and proof of
	registration;
	(2) identify the farmers' market or markets where the
	producer will deliver milk; and
	(3) specify the day or days of the week on which
	delivery will be made at a farmers' market.
	(e) A producer selling or delivering unpasteurized milk
	at a farmers' market under this section shall display the
	registration required under subdivision 2777(f)(4) of this title
	and the sign required under subdivision 2777(d)(6) on the
	farmers' market stall or stand in a prominent manner that is
	clearly visible to consumers.

(b) A school, a school district, a consortium of schools, a consortium of school districts, or registered or licensed child care providers, or a service provider that offers technical assistance to other eligible entities may apply to the Secretary of Agriculture, Food and Markets for a grant award to:

\* \* \*

# As Proposed by Senate

- (b) A school, a school district, a consortium of schools, a consortium of school districts, or a registered or licensed child care providers provider, or an organization administering or assisting the development of farm-to-school programs may apply to the Secretary of Agriculture, Food and Markets for a grant award to:
- (1) fund equipment, resources, training, and materials that will help to increase use of local foods in child nutrition programs;
- (2) fund items, including local food products, gardening supplies, field trips to farms, gleaning on farms, and stipends to visiting farmers, that will help educators to use hands-on educational techniques to teach children about nutrition and farm-to-school connections;
- (3) fund professional development and technical assistance, in partnership with the Agency of Education and farm-to-school technical service providers, to help teachers, child nutrition personnel, <u>organizations administering or assisting the development of farm-to-school programs</u>, and members of the farm-to-school community educate students about nutrition and farm-to-school connections and assist schools and licensed or registered child care providers in developing a farm-to-school program; and
- (4) fund technical assistance or support strategies to increase participation in federal child nutrition programs that increase the viability of sustainable meal programs.
- (c) The Secretaries of Agriculture, Food and Markets and of Education and the Commissioner of Health, in consultation with farmers, child nutrition staff, educators, organizations administering or assisting the development of farm-to-school programs, and farm-to-school technical service providers jointly shall adopt procedures relating to the content of the grant application and the criteria for making awards.
  - (d) The Secretary shall determine that there is significant

As Passed the House	As Proposed by Senate
	interest in the school community before making an award
	and shall give priority consideration to schools, school
	districts, and registered or licensed child care providers that
	are developing farm-to-school connections and education,
	that indicate a willingness to make changes to their child
	nutrition programs to increase student access and
	participation, and that are making progress toward the
	implementation of the Vermont School Wellness Policy
	Guidelines developed by the Agency of Agriculture, Food
	and Markets, the Agency of Education, and the Department
	of Health, updated in June 2015 or of the successor of these
	guidelines.

	Sec. 10. 6 V.S.A. § 4828 is amended to read:
	§ 4828. CAPITAL EQUIPMENT ASSISTANCE
	PROGRAM
	(a) It is the purpose of this section to provide assistance
	to contract applicators, nonprofit organizations, and farms to
	purchase or use innovative equipment that will aid in the
	reduction of surface runoff of agricultural wastes to State
	waters, improve water quality of State waters, reduce odors
	from manure application, separate phosphorus from manure,
	decrease greenhouse gas emissions, and reduce costs to
	farmers.
	(b) The capital equipment assistance program is created
	in the Agency of Agriculture, Food and Markets to provide
	farms, nonprofit organizations, and custom applicators in
	Vermont with State financial assistance for the purchase of
	new or innovative equipment to improve manure application,
	separation of phosphorus from manure, or nutrient
	management plan implementation.
	(c) Assistance under this section shall in each fiscal year
	be allocated according to the following priorities and as
	further defined by the Secretary:
	(1) First priority. Priority shall be given to capital
	equipment to be used on farm sites that are serviced by
	eustom applicators, multiple farms; equipment to be used for
	phosphorus <u>reduction</u> , separation, <u>or treatment</u> <del>equipment</del>
	providers,: and projects managed by nonprofit organizations
	and projects that are located in descending order within the
	boundaries of:
	(A)(1) the Lake Champlain Basin;
	(B)(2) the Lake Memphremagog Basin;
	(C)(3) the Connecticut River Basin; and
	( <del>D)(4)</del> the Hudson River Basin.
	(2) Next priority shall be given to capital equipment
	to be used at a farm site that is located in descending order
	within the boundaries of:

As Passed the House	As Proposed by Senate
	(A) the Lake Champlain Basin;
	(B) the Lake Memphremagog Basin;
	(C) the Connecticut River Basin; and
	(D) the Hudson River Basin.
	(d) An applicant for a State grant under this section to
	purchase or implement phosphorus removal reduction.
	separation, or treatment technology or equipment shall pay
	10 percent of the total eligible project cost. The dollar
	amount of a State grant to purchase or implement
	phosphorus <del>removal</del> <u>reduction</u> , <u>separation</u> , <u>or treatment</u>
	technology or equipment shall be equal to the total eligible
	project cost, less 10 percent of the total as paid by the
	applicant, and shall not exceed \$300,000.00.

Sec. 19. 6 V.S.A. § 329 is amended to read: § 329. RULES

- (a) The Secretary is authorized to adopt rules establishing procedures or standards, or both, for product registration, labeling, adulteration, reporting, inspection, sampling, guarantees, product analysis, or other conditions necessary for the implementation and enforcement of this chapter. Where appropriate, the rules shall be consistent with the model rules developed by the Association of American Feed Control Officials and regulations adopted by the federal Food, Drug and Cosmetic Act (, 21 U.S.C. § 301 et seq.).
- (b) The official definitions of feed ingredients and official feed terms adopted by the Association of American Feed Control Officials and published in the official

As Passed the House	As Proposed by Senate
	publication of that organization, together with any regulation
	promulgated pursuant to the authority of the federal Food,
	Drug and Cosmetic Act (, 21 U.S.C. § 301 et seq.), relevant
	to the subject matter of this chapter, are hereby adopted as
	rules under this chapter, together with all subsequent
	amendments. The Secretary may, by rule, amend or repeal
	any rule adopted under this subsection.
	(c) A person shall not manufacture or distribute raw milk
	as a commercial feed in the State for any species unless all
	of the following conditions are satisfied:
	(1) the raw milk shall be decharacterized using a
	sufficient method to render it distinguishable from products
	packaged for human consumption;
	(2) raw animal feed or pet food product shall be
	packaged in containers that are labeled "not for human
	consumption";
	(3) raw animal feed or pet food products shall not be
	stored or placed for retail sale with, or in the vicinity of, milk
	or milk products intended for human consumption; and
	(4) notwithstanding any rule adopted under
	subsection (b) of this section to the contrary of the
	provisions of this subsection, the manufacture and
	distribution of raw animal feed or pet food products shall
	comply with the requirements of this chapter.

	* * * Pumpout Tank * * *
	Sec. 21. 10 V.S.A. § 1979 is amended to read:
	(b)(1) The Secretary shall approve the use of sewage
	holding and pumpout tanks for existing or proposed
	buildings or structures that are owned by a charitable,
	religious, or nonprofit organization when he or she
	determines that:
	(A) the plan for construction and operation of the
	holding tank will not result in a public health hazard or
	environmental damage;
	(B) a designer demonstrates that an economically
	feasible means of meeting current standards is significantly
	more costly than the construction and operation of sewage
	holding and pumpout tanks, based on a projected 20-year life
	of the project; and
	(C) the design flows do not exceed 600 gallons per
	day or the existing or proposed building or structure shall not
	be used to host events on more than 28 days in any calendar
	year.
	(2) Before constructing a holding tank permitted
	under this subsection, the applicant shall post a bond or other
	financial surety sufficient to finance maintenance of the
	holding tank for the life of the system, which shall be at least
	20 years.
	(3)(A) A permit issued under this subsection shall run
	with the land for the duration of the permit and shall apply to
	all subsequent owners of the property being served by the
	holding tank regardless of whether the owner is a charitable,
	religious, or nonprofit organization.
	(B) All permit conditions, including the financial
	surety requirement of subdivision (2) of this subsection (b),
	shall apply to a subsequent owner.
	(C) A subsequent owner shall not increase the
	design flows of the holding and pumpout tank system
	without approval from the Secretary.

	Sec. 22. LEGISLATIVE STUDY COMMITTEE ON
	WETLANDS; REPORT
	(a) Creation. There is created the Legislative Study
	Committee on Wetlands to clarify State wetlands statutes
	and permitting under the statutes.
	(b) Membership. The Legislative Study Committee on
	Wetlands shall be composed of the following members:
	(1) two current members of the Senate Committee on
	Agriculture, who shall be appointed by the Committee on
	Committees;
	(2) two current members of the Senate Committee on
	Natural Resources and Energy, who shall be appointed by
	the Committee on Committees;
	(3) two current members of the House Committee on
	Agriculture and Forestry, who shall be appointed by the
	Speaker of the House; and
	(4) two current members of the House Committee on
	Natural Resources, Fish and Wildlife, who shall be
	appointed by the Speaker of the House.
	(c) Assistance. The Legislative Study Committee on
	Wetlands shall have the administrative, technical, and legal
	assistance of the Office of Legislative Council and the Joint
	Fiscal Office.
	(d) Report. On or before January 15, 2020, the
	Legislative Study Committee on Wetlands shall submit a
	written report to the General Assembly to update and clarify
	the requirements for the regulation of wetlands under State
	statute. The Study Committee shall submit the report in the
	form of draft legislation and shall include:
	(1) whether the definition of "wetlands" should be
	amended, including whether the definition of wetlands under
	State wetlands law should be based on objective criteria such
	as size or location;
	(2) the standard by which the State shall review a
	VT LEG #341824 v.1

As Passed the House	As Proposed by Senate
	permit application for the disturbance of a wetland or
	wetland buffer;
	(3) proposed exemptions from regulation under State
	wetlands law for specific activities, including:
	(A) whether land on which farming or a subset of
	farming is conducted should be excluded from the definition
	of "wetlands" subject to State regulation or should be
	exempt from wetlands permitting under State law; and
	(B) whether the exemptions under State wetlands
	law should be consistent or similar to the exemptions under
	federal wetlands law; and
	(4) proposed permitting fees for wetlands permits.
	(f) Meetings.
	(1) The Office of Legislative Council shall call the
	first meeting of the Legislative Study Committee on
	Wetlands to occur on or before August 1, 2019.
	(2) The Legislative Study Committee on Wetlands
	shall select a chair from among its members at the first
	meeting.
	(3) A majority of the Legislative Study Committee on
	Wetlands shall constitute a quorum.
	(4) The Legislative Study Committee on Wetlands
	shall cease to exist on January 15, 2020.
	(g) Compensation and reimbursement. For attendance at
	meetings during adjournment of the General Assembly, a
	legislative member of the Legislative Study Committee on
	Wetlands shall be entitled to per diem compensation and
	reimbursement of expenses pursuant to 2 V.S.A. § 406 for
	not more than six meetings. These payments shall be made
	from monies appropriated to the General Assembly.
	Sec. 23. 3 V.S.A. § 2822(j) is amended to read:
	(j) In accordance with subsection (i) of this section, the
	following fees are established for permits, licenses,
	certifications, approvals, registrations, orders, and other

As Passed the House	As Proposed by Senate
	actions taken by the Agency of Natural Resources.
	* * *
	(26) For individual conditional use determinations,
	for individual wetland permits, for general conditional use
	determinations issued under 10 V.S.A. § 1272, or for
	wetland authorizations issued under a general permit, an
	administrative processing fee assessed under subdivision (2)
	of this subsection and an application fee of:
	(A) \$0.75 per square foot of proposed impact to
	Class I or II wetlands.
	(B) \$0.25 per square foot of proposed impact to
	Class I or II wetland buffers.
	* * *
	(H) Maximum fee, for the construction of any
	water quality improvement project in any Class II wetland or
	buffer, \$200.00 per application. As used in this subdivision,
	"water quality improvement project" means projects
	specifically designed and implemented to reduce pollutant
	loading in accordance with the requirements of a Total
	Maximum Daily Load Implementation Plan or Water
	Quality Remediation Plan, or pursuant to a plan for reducing
	pollutant loading to a waterbody. These projects include:
	(i) the retrofit of impervious surfaces in
	existence as of January 1, 2019 for the purpose of addressing
	stormwater runoff;
	(ii) the replacement of stream-crossing
	structures necessary to improve aquatic organism passage,
	stream flow, or flood capacity;
	(iii) construction of the following conservation
	practices on farms, when constructed and maintained in
	accordance with Natural Resources Conservation Service
	Conservation Practice Standards for Vermont and the
	Agency of Agriculture, Food and Markets' Required
	Agricultural Practices:
	(I) construction of animal trails and
	VT LEG #341824 v.1

As Passed the House	As Proposed by Senate
	walkways:
	(II) construction of access roads;
	(III) designation and construction of a
	heavy-use protection area;
	(IV) construction of artificial wetlands; and
	(V) the relocation of structures, when
	necessary, to allow for the management and treatment of
	agricultural waste, as defined in the Required Agricultural
	Practices Rule.
	(I) Maximum fee for the construction of a
	permanent structure used for farming, \$5,000.00, provided
	that the maximum fee for waste storage facility or bunker
	silo shall be \$200.00 when constructed and maintained in
	accordance with Natural Resources Conservation Service
	Conservation Practice Standards for Vermont and the
	Agency of Agriculture, Food and Markets' Required
	Agricultural Practices. As used in this subdivision,
	"permanent structure," "farming," and "waste storage
	facility" have the same meaning as in 10 V.S.A. § 902.
	Sec. 24. WETLAND SCIENTIST LICENSURE
	REQUIREMENTS
	The Agency of Natural Resources shall commence a
	study of potential approaches to licensing and certifying
	qualified wetlands scientists, including developing a set of
	standard qualifications required for all professional wetland
	scientists. On or before January 1, 2024, the Agency shall
	submit a report to the Legislature summarizing its findings
	and providing recommendations for the development of a
	professional certification program for wetland scientists.
