2 Representative Colburn of Burlington moves that the bill be amended in
3 Sec. 10a by adding a subsection (e) to read:

4 (e) Eligibility.

5 (1) A recipient of monies appropriated from the Coronavirus Relief
6 Fund in this section shall not provide a grant or other assistance to a business
7 that has one or more full-time employees unless the total annual compensation
8 of the highest-paid owner or full-time employee of the business does not
9 exceed 20 times the total annual compensation of the lowest-paid full-time
10 employee.

11 (2) To be eligible for funding or other assistance, an agency,
12 department, or other administrator shall require that an applicant:

13 (A) submit financial records or other necessary documentation to
14 demonstrate compliance with this subsection (e); or

15 (B) submit an attestation that the business either currently complies
16 with this subsection (e) or commits to compliance with this subsection for not
17 less than five years following the date of an award.
