V. 4A!

First I want to say thank you for letting me talk and hear ing what I say.

I would like to say how far I have com I could not walk or swallow I wa feeding my self with a tube.

I can say I would not be here if not for southweston Vermont Council on aging I wou not be able to say all I have to say today.

The Council was here to hold my hand for the bad times. and now I like having <sup>them</sup> hold di my hand or a hand on my back. with the good time

The other I want to talk about money for millegage it would be good to give som one some gas money. Gas Fund?

I am doing some what good now from 1-7 it maybe 6 or 7 better to day at the lest I can eat and walk.

When I frist meet Dana I was on Catastrophic Care. now I have been up grade do to the help to Council on aging. I still need some help with some things and I get that help through the council on aging.

I was so sick. that I could not think if I wanted too. I was confused and I do need some help being that sick I can not think if I wanted too.

Thank you  
The Council on Aging
