MEMORANDUM

To: Rep. Kitty Toll, Chair, House Committee on Appropriations

From: Rep. Curt McCormack, Chair, House Committee on Transportation

Date: February 21, 2020

Subject: Governor's Proposed FY 2021 Budget

Thank you for the opportunity to provide input to your committee regarding the items you mention in your memo to me dated January 31, 2020. The Transportation Committee continues to work on the Transportation Program Bill (T-Bill) and look forward to presenting that bill to your committee. The items in your memo are all in the Governor's Recommended FY 2021 State Budget related to transportation as well as several transfers from the Transportation Fund and the Transportation Infrastructure Bond Fund (TIB). We may have changes in amounts of dollars we recommend while working on the T-Bill, but are in support of all of the policies in your memo with the following recommendations:

Sec. B. 1100

Having started the Electric Vehicle (EV) Incentive Program last year and recently successfully launched, the committee asked me to mention that we enthusiastically support this section.

Sec. E. 915
