12 presumed abandoned three years after the later of:

13 (1) the date a second consecutive communication to contact the  
14 custodian by first-class U.S. mail is returned to the holder undelivered by the  
15 U.S. Postal Service; or

16 (2) the date established by subdivision (a)(3) of this section.

17 (d) When the property in the account described in subsection (a) of this  
18 section is transferred to the minor on whose behalf an account was opened or  
19 to the minor's estate, the property in the account is no longer subject to this  
20 section.

2                    Tangible property held in a safe-deposit box and proceeds from a sale of the  
3                    property by the holder permitted by law of this State other than this chapter are  
4                    presumed abandoned if the property remains unclaimed by the apparent owner  
5                    five years after the earlier of the:

6                    (1) expiration of the lease or rental period for the box; or

7                    (2) earliest date when the lessor of the box is authorized by law of this  
8                    State other than this chapter to enter the box and remove or dispose of the  
9                    contents without consent or authorization of the lessee.

10                   § 1466. WHEN STORED-VALUE CARD PRESUMED ABANDONED

11                   (a) Subject to section 1469 of this title, the net card value of a stored-value

14                   (1) December 31 of the year in which the card is issued or additional  
15                   funds are deposited into it;

16                   (2) the most recent indication of interest in the card by the apparent  
17                   owner; or

18                   (3) a verification or review of the balance by or on behalf of the  
19                   apparent owner.

20                   (b) The amount presumed abandoned in a stored-value card is the net card  
21                   value at the time it is presumed abandoned.

1     § 1467. WHEN SECURITY PRESUMED ABANDONED

2           (a) Subject to section 1469 of this title, a security is presumed abandoned  
3     three years after:

4           (1) the date a second consecutive communication sent by the holder by  
5     first-class U.S. mail to the apparent owner is returned to the holder undelivered  
6     by the U.S. Postal Service; or

7           (2) if the second communication is made later than 30 days after the first  
8     communication is returned, the date the first communication is returned  
9     undelivered to the holder by the U.S. Postal Service.

10          (b) If the holder does not send communications to the apparent owner of a  
11     security by first-class U.S. mail, the holder shall attempt to confirm the  
12     apparent owner's interest in the security by sending the apparent owner an  
13     electronic-mail communication not later than two years after the apparent  
14     owner's last indication of interest in the security. However, the holder  
15     promptly shall attempt to contact the apparent owner by first-class U.S. mail if:

16           (1) the holder does not have information needed to send the apparent  
17     owner an electronic-mail communication or the holder believes that the  
18     apparent owner's electronic-mail address in the holder's records is not valid;

19           (2) the holder receives notification that the electronic-mail  
20     communication was not received; or

1           (3) the apparent owner does not respond to the electronic-mail  
2           communication not later than 30 days after the communication was sent.

3           (c) If first-class U.S. mail sent under subsection (b) of this section is  
4           returned to the holder undelivered by the U.S. Postal Service, the security is  
5           presumed abandoned three years after the date the mail is returned.

6           § 1468. WHEN RELATED PROPERTY PRESUMED ABANDONED

7           At and after the time property is presumed abandoned under this chapter,  
8           any other property right or interest accrued or accruing from the property and  
9           not previously presumed abandoned is also presumed abandoned.

10          § 1469. INDICATION OF APPARENT OWNER INTEREST IN

11                   PROPERTY

12          (a) The period after which property is presumed abandoned is measured  
13          from the later of:

14                  (1) the date the property is presumed abandoned under this subchapter;

15          or

16                  (2) the latest indication of interest by the apparent owner in the property.

17          (b) Under this chapter, an indication of an apparent owner's interest in  
18          property includes:

19                  (1) a record communicated by the apparent owner to the holder or agent  
20          of the holder concerning the property or the account in which the property is  
21          held;

1           (2) an oral communication by the apparent owner to the holder or agent  
2           of the holder concerning the property or the account in which the property is  
3           held, if the holder or its agent contemporaneously makes and preserves a  
4           record of the fact of the apparent owner’s communication;

5           (3) presentment of a check or other instrument of payment of a dividend,  
6           interest payment, or other distribution, or evidence of receipt of a distribution  
7           made by electronic or similar means, with respect to an account, underlying  
8           security, or interest in a business association.

9           (4) activity directed by an apparent owner in the account in which the  
10          property is held, including accessing the account or information concerning the  
11          account, or a direction by the apparent owner to increase, decrease, or  
12          otherwise change the amount or type of property held in the account;

13          (5) a deposit into or withdrawal from an account at a financial  
14          organization, including an automatic deposit or withdrawal previously  
15          authorized by the apparent owner other than an automatic reinvestment of  
16          dividends or interest;

17          (6) subject to subsection (e) of this section, payment of a premium on an  
18          insurance policy;

19          (7) in the case of any demand, savings, or matured time deposits with a  
20          banking or financial organization, including deposits that are automatically  
21          renewable, the holder has sent the owner by first-class U.S. mail a statement of

1 account or other associated mailing from the bank or financial institution,  
2 which has not been returned by the U.S. Postal Service as undeliverable. In the  
3 event the mailing was returned as undeliverable, the property shall be  
4 considered abandoned three years after the return, unless the owner during that  
5 three years takes any action described in subsection (b) of this section; and

6 (8) any other action by the apparent owner that reasonably demonstrates  
7 to the holder that the apparent owner knows that the property exists.

8 (c) An action by an agent or other representative of an apparent owner,  
9 other than the holder acting as the apparent owner's agent, is presumed to be  
10 an action on behalf of the apparent owner.

11 (d) A communication with an apparent owner by a person other than the  
12 holder or the holder's representative is not an indication of interest in the  
13 property by the apparent owner unless a record of the communication  
14 evidences the apparent owner's knowledge of a right to the property.

15 (e) If the insured dies or the insured or beneficiary of an insurance policy  
16 otherwise becomes entitled to the proceeds before depletion of the cash  
17 surrender value of the policy by operation of an automatic-premium-loan  
18 provision or other nonforfeiture provision contained in the policy, the  
19 operation does not prevent the policy from maturing or terminating.

1     § 1470. KNOWLEDGE OF DEATH OF INSURED OR ANNUITANT

2           (a) In this section, “Death Master File” means the U.S. Social Security  
3     Administration Death Master File or other database or service that is at least as  
4     comprehensive as the U.S. Social Security Administration Death Master File  
5     for determining that an individual reportedly has died.

6           (b) With respect to a life or endowment insurance policy or annuity  
7     contract for which an amount is owed on proof of death, but which has not  
8     matured by proof of death of the insured or annuitant, the company has  
9     knowledge of the death of an insured or annuitant when:

10           (1) the company receives a death certificate or court order determining  
11     that the insured or annuitant has died;

12           (2) due diligence, performed as required pursuant to 8 V.S.A. part 3, to  
13     maintain contact with the insured or annuitant or determine whether the  
14     insured or annuitant has died, validates the death of the insured or annuitant;

15           (3) the company conducts a comparison for any purpose between a  
16     Death Master File and the names of some or all of the company’s insureds or  
17     annuitants, finds a match that provides notice that the insured or annuitant has  
18     died, and validates the death;

19           (4) the Administrator or the Administrator’s agent conducts a  
20     comparison for the purpose of finding matches during an examination  
21     conducted under subchapter 10 of this chapter between a Death Master File

1 and the names of some or all of the company's insureds or annuitants, finds a  
2 match that provides notice that the insured or annuitant has died, and the  
3 company validates the death; or

4 (5) the company:

5 (A) receives notice of the death of the insured or annuitant from an  
6 administrator, beneficiary, policy owner, relative of the insured, or trustee or  
7 from a personal representative, guardian, executor, or other legal representative  
8 of the insured's or annuitant's estate; and

9 (B) validates the death of the insured or annuitant.

10 (c) The following rules apply under this section:

11 (1) A Death Master File match under subdivision (b)(3) or (4) of this  
12 section occurs if the criteria for an exact or partial match are satisfied as  
13 provided by:

14 (A) law of this State other than this chapter;

15 (B) a rule or policy adopted by the Commissioner of the Vermont  
16 Department of Financial Regulation pursuant to 3 V.S.A. chapter 25; or

17 (C) section 1472 of this title.

18 (2) The Death Master File match does not constitute proof of death for  
19 the purpose of submission to an insurance company of a claim by a  
20 beneficiary, annuitant, or owner of the policy or contract for an amount due  
21 under an insurance policy or annuity contract.

1           (3) The Death Master File match or validation of the insured's or  
2           annuitant's death does not alter the requirements for a beneficiary, annuitant,  
3           or owner of the policy or contract to make a claim to receive proceeds under  
4           the terms of the policy or contract.

5           (4) If no provision in 8 V.S.A. part 3 establishes a time for validation of  
6           a death of an insured or annuitant, the insurance company shall make a good  
7           faith effort using other available records and information to validate the death  
8           and document the effort taken not later than 90 days after the insurance  
9           company has notice of the death.

10          (d) This chapter does not affect the determination of the extent to which an  
11          insurance company before the effective date of this chapter had knowledge of  
12          the death of an insured or annuitant or was required to conduct a Death Master  
13          File comparison to determine whether amounts owed by the company on a life  
14          or endowment insurance policy or annuity contract were presumed abandoned  
15          or unclaimed.

16          § 1471. DEPOSIT ACCOUNT FOR PROCEEDS OF INSURANCE POLICY  
17                           OR ANNUITY CONTRACT

18          If proceeds payable under a life or endowment insurance policy or annuity  
19          contract are deposited into an account with check or draft-writing privileges for  
20          the beneficiary of the policy or contract and, under a supplementary contract  
21          not involving annuity benefits other than death benefits, the proceeds are

1 retained by the insurance company or the financial organization where the  
2 account is held, the policy or contract includes the assets in the account.

3 § 1472. UNCLAIMED LIFE INSURANCE BENEFITS

4 (a) As used in this section:

5 (1) “Contract” means an annuity contract. The term “contract” shall not  
6 include an annuity used to fund an employment-based retirement plan or

10 pay death benefits to the beneficiaries of specific plan participants.

11 (2) “Death Master File” means the U.S. Social Security  
12 Administration’s Death Master File or any other database or service that is at

14 Master File for determining that an individual reportedly has died.

15 (3) “Death Master File match” means a search of the Death Master File  
16 that results in a match of the Social Security number or the name and date of  
17 birth of an insured, annuity owner, or retained asset account holder.

18 (4) “Knowledge of death” shall mean

19 (A) receipt of an original or valid copy of a certified death  
20 certificate; or

1           (B) a Death Master File match validated by the insurer in accordance  
2 with (b)(1)(A) of this section.

3           (5) “Policy” means any policy or certificate of life insurance that  
4 provides a death benefit. The term “Policy” shall not include:

5           (A) any policy or certificate of life insurance that provides a death  
6 benefit under an employee benefit plan:

7           (i) subject to The Employee Retirement Income Security Act  
8 of 1974, Pub.L. No. 93-406, as may be amended, or

9           (ii) under any Federal employee benefit program;

10          (B) any policy or certificate of life insurance that is used to fund a  
11 preneed funeral contract or prearrangement;

12          (C) any policy or certificate of credit life or accidental death  
13 insurance; or

14          (D) any policy issued to a group master policyholder for which the  
15 insurer does not provide record-keeping services.

16          (6) “Record-keeping services” means those circumstances under which  
17 the insurer has agreed with a group policy or contract customer to be  
18 responsible for obtaining, maintaining, and administering in its own or its  
19 agents’ systems information about each individual insured under an insured’s  
20 group insurance contract, or a line of coverage thereunder, at least the  
21 following information:

1           (A) Social Security number or name and date of birth;

2           (B) beneficiary designation information;

3           (C) coverage eligibility;

4           (D) benefit amount; and

5           (E) premium payment status.

6           (7) “Retained Asset Account” means any mechanism whereby the  
7           settlement of proceeds payable under a Policy or Contract is accomplished by  
8           the insurer or an entity acting on behalf of the insurer depositing the proceeds  
9           into an account with check or draft writing privileges, where those proceeds  
10           are retained by the insurer or its agent, pursuant to a supplementary contract  
11           not involving annuity benefits other than death benefits.

12           (b) An insurer shall perform a comparison of its insureds’ in-force Policies,  
13           Contracts, and Retained Asset Accounts against a Death Master File, on at  
14           least a semi-annual basis, by using the full Death Master File once and  
15           thereafter using the Death Master File update files for future comparisons to  
16           identify potential matches of its insureds. For those potential matches  
17           identified as a result of a Death Master File Match, the insurer shall:

18           (1) within 90 days of a Death Master File Match:

19           (A) complete a good faith effort, which shall be documented by the  
20           insurer, to confirm the death of the insured or retained asset account holder  
21           against other available records and information;

1           (B) determine whether benefits are due in accordance with the  
2           applicable policy or contract; and if benefits are due in accordance with the  
3           applicable policy or contract:

5                   insurer, to locate the beneficiary or beneficiaries; and

6                   (ii) provide the appropriate claims forms or instructions to the  
7                   beneficiary or beneficiaries to make a claim including the need to provide an  
8                   official death certificate, if applicable under the policy or contract.

9           (2) With respect to group life insurance, insurers are required to confirm  
10           the possible death of an insured when the insurers maintain at least the  
11           following information of those covered under a policy or certificate:

12                   (A) Social Security number or name and date of birth, and

13                   (B) beneficiary designation information,

14                   (C) coverage eligibility,

16                   (E) premium payment status.

17           (3) Every insurer shall implement procedures to account for:

18                   (A) common nicknames, initials used in lieu of a first or middle

6           (4) To the extent permitted by law, the insurer may disclose minimum  
7           necessary personal information about the insured or beneficiary to a person  
8           who the insurer reasonably believes may be able to assist the insurer locate the  
9           beneficiary or a person otherwise entitled to payment of the claims proceeds.

10          (c) An insurer or its service provider shall not charge any beneficiary or  
11          other authorized representative for any fees or costs associated with a Death  
12          Master File Search or verification of a Death Master File Match conducted  
13          pursuant to this section.

14          (d) The benefits from a Policy, Contract, or a Retained Asset Account, plus  
15          any applicable accrued contractual interest, shall first be payable to the  
16          designated beneficiaries or owners and, in the event said beneficiaries or  
17          owners cannot be found, shall be reportable to the Administrator as unclaimed  
18          property pursuant to this chapter. Interest payable under 8 V.S.A. § 3665 shall  
19          not be payable as unclaimed property under this chapter.

20          (e) An insurer shall notify the Administrator upon the expiration of the  
21          statutory time period for the property to be presumed abandoned that:

1           (1) a Policy or Contract beneficiary or Retained Asset Account holder  
2           has not submitted a claim with the insurer; and

3           (2) the insurer has complied with subsection (a) of this section and has

6           (f) Upon such notice, an insurer shall immediately submit the unclaimed  
7           Policy or Contract benefits or unclaimed Retained Asset Accounts, plus any  
8           applicable accrued interest, to the Administrator.

9           (g) Failure to meet any requirement of this section with such frequency as  
10          to constitute a general business practice is a violation of 8 V.S.A. § 4724(9).  
11          Nothing herein shall be construed to create or imply a private cause of action  
12          for a violation of this section.

13          § 1473. WHEN ABANDONMENT PERIOD IS ACCELERATED

14          Notwithstanding sections 1461 through 1469 of this title, and subject to  
15          section 1469 of this title:

16               (1) If the holder has imposed a charge against property for reason of  
17               owner inactivity or the failure of the owner to claim the property within a  
18               specified period of time, and the abandonment period for the property as  
19               specified in sections 1461 through 1469 of this chapter is greater than two  
20               years, the property shall instead be presumed abandoned two years from the  
21               date of the owner's last indication of interest in the property.

1           (2) A deceased owner cannot indicate interest in his or her property. If  
2           the holder has reason to believe that the owner’s deceased, and the  
3           abandonment period for the owner’s property in sections 1461 through 1469 of  
4           this title is greater than two years, the property shall instead be presumed  
5           abandoned two years from the date of the owner’s last indication of interest in  
6           the property. If the owner’s property is subject to section 1462 or 1463 of this  
7           title, the two-year presumption of abandonment shall run from the earliest of  
8           the date of distribution or attempted distribution of the property, the date of the  
9           required distribution as stated in the plan or trust agreement governing the  
10           plan, or the date, if determinable by the holder, specified in the income tax  
11           laws of the United States by which distribution of the property must begin in  
12           order to avoid a tax penalty.

13                           Subchapter 3. Rules for Taking Custody of Property

14   Presumed Abandoned

15           § 1481. ADDRESS OF APPARENT OWNER TO ESTABLISH PRIORITY

16           In this subchapter, the following rules apply:

17           (1) The last-known address of an apparent owner is any description,  
18           code, or other indication of the location of the apparent owner that identifies  
19           the state, even if the description, code, or indication of location is not sufficient  
20           to direct the delivery of first-class U.S. mail to the apparent owner.

1           (2) If the U.S. postal zip code associated with the apparent owner is for  
2           a post office located in this State, this State is deemed to be the state of the  
3           last-known address of the apparent owner unless other records associated with  
4           the apparent owner specifically identify the physical address of the apparent  
5           owner to be in another state.

6           (3) If the address under subdivision (2) of this section is in another state,  
7           the other state is deemed to be the state of the last-known address of the  
8           apparent owner.

9           (4) The address of the apparent owner of a life or endowment insurance  
10           policy or annuity contract or its proceeds is presumed to be the address of the  
11           insured or annuitant if a person other than the insured or annuitant is entitled to  
12           the amount owed under the policy or contract and the address of the other  
13           person is not known by the insurance company and cannot be determined  
14           under section 1482 of this title.

15           § 1482. ADDRESS OF APPARENT OWNER IN THIS STATE

16           The Administrator may take custody of property that is presumed  
17           abandoned, whether located in this State, another state, or a foreign country if:

18           (1) the last-known address of the apparent owner in the records of the  
19           holder is in this State; or

1           (2) the records of the holder do not reflect the identity or last-known  
2           address of the apparent owner, but the Administrator has determined that the  
3           last-known address of the apparent owner is in this State.

4           § 1483. IF RECORDS SHOW MULTIPLE ADDRESSES OF APPARENT  
5           OWNER

6           (a) Except as in subsection (b) of this section, if records of a holder reflect  
7           multiple addresses for an apparent owner and this State is the state of the most  
8           recently recorded address, this State may take custody of property presumed  
9           abandoned, whether located in this State or another state.

10          (b) If it appears from records of the holder that the most recently recorded  
11          address of the apparent owner under subsection (a) of this section is a  
12          temporary address and this State is the state of the next most-recently recorded  
13          address that is not a temporary address, this State may take custody of the  
14          property presumed abandoned.

15          § 1484. HOLDER DOMICILED IN THIS STATE

16          (a) Except as in subsection (b) of this section or section 1482 or 1483 of  
17          this title, the Administrator may take custody of property presumed abandoned,  
18          whether located in this State, another state, or a foreign country, if the holder is  
19          domiciled in this State or is this State or a governmental subdivision, agency,  
20          or instrumentality of this State, and

1           (1) another state or foreign country is not entitled to the property  
2           because there is no last-known address of the apparent owner or other person  
3           entitled to the property in the records of the holder; or

4           (2) the state or foreign country of the last-known address of the apparent  
5           owner or other person entitled to the property does not provide for custodial  
6           taking of the property.

7           (b) Property is not subject to custody of the Administrator under  
8           subsection (a) of this section if the property is specifically exempt from  
9           custodial taking under the law of this State or the state or foreign country of the  
10           last-known address of the apparent owner.

11           (c) If a holder's state of domicile has changed since the time property was  
12           presumed abandoned, the holder's state of domicile in this section is deemed to  
13           be the state where the holder was domiciled at the time the property was  
14           presumed abandoned.

15           § 1485. CUSTODY IF TRANSACTION TOOK PLACE IN THIS STATE

16           Except as in section 1482, 1483, or 1484 of this title, the Administrator may  
17           take custody of property presumed abandoned whether located in this State or  
18           another state if:

19           (1) the transaction out of which the property arose took place in this  
20           State;

1           (2) the holder is domiciled in a state that does not provide for the  
2           custodial taking of the property, except that if the property is specifically  
3           exempt from custodial taking under the law of the state of the holder’s  
4           domicile, the property is not subject to the custody of the Administrator; and

5           (3) the last-known address of the apparent owner or other person entitled  
6           to the property is unknown or in a state that does not provide for the custodial  
7           taking of the property, except that if the property is specifically exempt from  
8           custodial taking under the law of the state of the last-known address, the  
9           property is not subject to the custody of the Administrator.

10           § 1486. TRAVELER’S CHECK, MONEY ORDER, OR SIMILAR

11                   INSTRUMENT

12           The Administrator may take custody of sums payable on a traveler’s check,  
13           money order, or similar instrument presumed abandoned to the extent  
14           permissible under 12 U.S.C. Sections 2501 through 2503, as may be amended.

15           § 1487. BURDEN OF PROOF TO ESTABLISH ADMINISTRATOR’S

16                   RIGHT TO CUSTODY

17           If the Administrator asserts a right to custody of unclaimed property, the  
18           Administrator has the burden to prove:

19                   (1) the existence and amount of the property;

20                   (2) the property is presumed abandoned; and

21                   (3) the property is subject to the custody of the Administrator.

1                                Subchapter 4. Report by Holder

2            § 1491. REPORT REQUIRED BY HOLDER

3            (a) A holder of property presumed abandoned and subject to the custody of  
4 the Administrator shall report in a record to the Administrator concerning the  
5 property. The Administrator may not require a holder to file a paper report.

6            (b) A holder may contract with a third party to make the report required  
7 under subsection (a) of this section.

8            (c) Whether or not a holder contracts with a third party under subsection  
9 (b) of this section, the holder is responsible:

10            (1) to the Administrator for the complete, accurate, and timely reporting  
11 of property presumed abandoned; and

12            (2) for paying or delivering to the Administrator property described in  
13 the report.

14            § 1492. CONTENT OF REPORT

15            (a) The report required under section 1491 of this title must:

16            (1) be signed by or on behalf of the holder and verified as to its  
17 completeness and accuracy;

18            (2) if filed electronically, be in a secure format approved by the  
19 Administrator that protects confidential information of the apparent owner in  
20 the same manner as required of the Administrator and the Administrator's  
21 agent under subchapter 14 of this chapter;

1           (3) describe the property;

2           (4) except for a traveler’s check, money order, or similar instrument,  
3           contain the name, if known; last-known address, if known; and Social Security  
4           number or taxpayer identification number, if known or readily ascertainable, of  
5           the apparent owner of property with a value of \$50.00 or more;

6           (5) for an amount held or owing under a life or endowment insurance  
7           policy or annuity contract, contain the name and last-known address of the  
8           insured, annuitant, or other apparent owner of the policy or contract and of the  
9           beneficiary;

10           (6) for property held in or removed from a safe-deposit box, indicate the  
11           location of the property, where it may be inspected by the Administrator, and  
12           any amounts owed to the holder under section 1516 of this title;

13           (7) contain the commencement date for determining abandonment under  
14           subchapter 2 of this chapter;

15           (8) state that the holder has complied with the notice requirements of  
16           section 1501 of this title;

17           (9) identify property that is a non–freely transferable security and  
18           explain why it is a non–freely transferable security; and

19           (10) contain other information the Administrator prescribes by rules.

20           (b) A report under section 1491 of this title may include in the aggregate  
21           items valued under \$25.00 each. If the report includes items in the aggregate

1 valued under \$25.00 each, the Administrator may not require the holder to  
2 provide the name and address of an apparent owner of an item unless the  
3 information is necessary to verify or process a claim in progress by the  
4 apparent owner.

5 (c) A report under section 1491 of this title may include personal  
6 information as defined in section 1611 of this title about the apparent owner or  
7 the apparent owner's property to the extent not otherwise prohibited by federal  
8 law.

9 (d) If a holder has changed its name while holding property presumed  
10 abandoned or is a successor to another person that previously held the property  
11 for the apparent owner, the holder must include in the report under section  
12 1491 of this title its former name or the name of the previous holder, if any,  
13 and the known name and address of each previous holder of the property.

14 § 1493. WHEN REPORT TO BE FILED

15 (a) Except as otherwise provided in subsection (b) of this section and  
16 subject to subsection (c) of this section of this section, the report under  
17 section 1491 of this title must be filed before May 1 of each year and cover the  
18 12 months preceding January 1 of that year.

19 (b) Subject to subsection (c) of this section, the report under section 1491  
20 of this title to be filed by an insurance company must be filed before May 1 of  
21 each year for the immediately preceding calendar year.

1        (c) Before the date for filing the report under section 1491 of this title, the  
2        holder of property presumed abandoned may request the Administrator to  
3        extend the time for filing. The Administrator may grant an extension. If the  
4        extension is granted, the holder may pay or make a partial payment of the  
5        amount the holder estimates ultimately will be due. The payment or partial  
6        payment terminates accrual of interest on the amount paid.

7        § 1494. RETENTION OF RECORDS BY HOLDER

8        A holder required to file a report under section 1491 of this title shall retain  
9        records for 10 years after the later of the date the report was filed or the last  
10       date a timely report was due to be filed, unless a shorter period is provided by  
11       rule of the Administrator. The holder may satisfy the requirement to retain  
12       records under this section through an agent. The records must contain:

13            (1) the information required to be included in the report;

14            (2) the date, place, and nature of the circumstances that gave rise to the  
15       property right;

16            (3) the amount or value of the property;

17            (4) the last address of the apparent owner, if known to the holder; and

18            (5) if the holder sells, issues, or provides to others for sale or issue in  
19       this State traveler's checks, money orders, or similar instruments, other than  
20       third-party bank checks, on which the holder is directly liable, a record of the

1 instruments while they remain outstanding indicating the state and date of  
2 issue.

3 § 1495. PROPERTY REPORTABLE AND PAYABLE OR DELIVERABLE  
4 ABSENT OWNER DEMAND

5 Property is reportable and payable or deliverable under this chapter even if  
6 the owner fails to make demand or present an instrument or document  
7 otherwise required to obtain payment.

8 § 1496. ELECTRIC UTILITY COOPERATIVES

9 (a) Electric utility cooperatives organized under or otherwise subject to  
10 30 V.S.A. chapter 81 shall report capital credits that have been retired and  
11 declared payable by the cooperative’s board of directors, but that have not been  
12 claimed by the owner in accordance with the provisions of this chapter.  
13 Electric utility cooperatives shall not pay or deliver the unclaimed capital  
14 credits to the Administrator. As used in this section, “capital credits” means  
15 those credits to a capital account of a member of an electric utility cooperative  
16 that the cooperative is obliged to pay after operating costs and expenses have  
17 been paid.

18 (b) The Administrator shall provide notice of unclaimed capital credit  
19 properties reported by electric utilities in accordance with the provisions of  
20 section 1503 of this title. In the event of a claim for a capital credit property,  
21 the Administrator shall refer the claimant to the appropriate electric utility

1 cooperative who shall evaluate the claim and upon provision of satisfactory  
2 proof of ownership shall pay the claimant.

3 (c) The electric utility cooperative shall notify the Administrator of the  
4 resolution of all claims for unclaimed property.

5 Subchapter 5. Notice to Apparent Owner of Property

6 Presumed Abandoned

7 § 1501. NOTICE TO APPARENT OWNER BY HOLDER

8 (a) Subject to subsection (b) of this section, the holder of property  
9 presumed abandoned shall send to the apparent owner notice by first-class  
10 U.S. mail that complies with section 1502 of this title in a format acceptable to  
11 the Administrator not more than 180 days nor less than 60 days before filing  
12 the report under section 1491 of this title if:

13 (1) the holder has in its records an address for the apparent owner that  
14 the holder's records do not disclose to be invalid and is sufficient to direct the  
15 delivery of first-class U.S. mail to the apparent owner; and

16 (2) the value of the property is \$50.00 or more.

17 (b) If an apparent owner has consented to receive electronic-mail delivery  
18 from the holder, the holder shall send the notice described in subsection (a) of  
19 this section both by first-class U.S. mail to the apparent owner's last-known  
20 mailing address and by electronic mail, unless the holder believes that the  
21 apparent owner's electronic-mail address is invalid.

1     § 1502. CONTENTS OF NOTICE BY HOLDER

2           (a) Notice under section 1501 of this title must contain a heading that reads  
3     substantially as follows: “Notice. The State of Vermont requires us to notify  
4     you that your property may be transferred to the custody of the State Treasurer  
5     if you do not contact us before (insert date that is 30 days after the date of this  
6     notice).”.

7           (b) The notice under section 1501 of this title must:

8           (1) identify the nature and, except for property that does not have a fixed  
9     value, the value of the property that is the subject of the notice;

10          (2) state that the property will be turned over to the Administrator;

11          (3) state that after the property is turned over to the Administrator an  
12     apparent owner that seeks return of the property must file a claim with the  
13     Administrator;

14          (4) state that property that is not legal tender of the United States may be  
15     sold by the Administrator; and

16          (5) provide instructions that the apparent owner must follow to prevent  
17     the holder from reporting and paying or delivering the property to the  
18     Administrator.

1     § 1503. NOTICE BY ADMINISTRATOR

2           (a) The Administrator shall give notice to an apparent owner that property  
3     presumed abandoned and appears to be owned by the apparent owner is held  
4     by the Administrator under this chapter.

5           (b) In providing notice under subsection (a) of this section, the  
6     Administrator shall:

7           (1) except as otherwise provided in subdivision (2) of this subsection,  
8     send written notice by first-class U.S. mail to each apparent owner of property  
9     valued at \$50.00 or more held by the Administrator, unless the Administrator  
10    determines that a mailing by first-class U.S. mail would not be received by the  
11    apparent owner, and, in the case of a security held in an account for which the  
12    apparent owner had consented to receiving electronic mail from the holder,  
13    send notice by electronic mail if the electronic-mail address of the apparent  
14    owner is known to the Administrator instead of by first-class U.S. mail; or

15           (2) send the notice to the apparent owner’s electronic-mail address if the  
16    Administrator does not have a valid U.S. mail address for an apparent owner,  
17    but has an electronic-mail address that the Administrator does not know to be  
18    invalid.

19           (c) In addition to the notice under subsection (b) of this section, the  
20    Administrator may use any of the following to provide additional notice to the  
21    apparent owners:

1           (1) publication in a newspaper of general circulation:

2           (A) in the area of the state in which the last known address of a  
3 person to be named in the notice is located;

4           (B) in the area in which the holder has its principal place of business  
5 in the state; or

6           (C) in the area the Administrator deems to provide the best  
7 opportunity to reach the apparent owner;

8           (2) individual contact by regular or electronic mail, or by telephone, if  
9 the treasurer has current contact information on file;

10           (3) any other manner and method that the treasurer considers effective  
11 for providing notice and publication.

12           (d) In addition to the notice under subsection (b) of this section, the  
13 Administrator shall maintain a website or database accessible by the public and  
14 electronically searchable that contains the names reported to the Administrator  
15 of all apparent owners for whom property is being held by the Administrator.

16           The website or database maintained under this subsection must include  
17 instructions for filing with the Administrator a claim to property and a  
18 printable claim form with instructions for its use.

19           (e) In addition to giving notice under subsection (b) of this section,  
20 publishing the information under subdivision (c)(1) of this section and  
21 maintaining the website or database under subdivision (d)(2) of this section,

1 the Administrator may use other printed publication, telecommunication, the  
2 Internet, or other media to inform the public of the existence of unclaimed  
3 property held by the Administrator.

4 § 1504. COOPERATION AMONG STATE OFFICERS AND AGENCIES  
5 TO LOCATE APPARENT OWNER

6 Unless prohibited by law of this State other than this chapter, on request of  
7 the Administrator, each officer, agency, board, commission, division, and  
8 department of this State, any body politic and corporate created by this State  
9 for a public purpose, and each political subdivision of this State shall make its  
10 books and records available to the Administrator and cooperate with the  
11 Administrator to determine the current address of an apparent owner of  
12 property held by the Administrator under this chapter.

13 Subchapter 6. Taking Custody of Property by Administrator

14 § 1511. DEFINITION OF GOOD FAITH

15 In this subchapter, payment or delivery of property is made in good faith if  
16 a holder:

17 (1) had a reasonable basis for believing, based on the facts then known,  
18 that the property was required or permitted to be paid or delivered to the  
19 Administrator under this chapter; or

1           (2) made payment or delivery:

2           (A) in response to a demand by the Administrator or Administrator's  
3           agent; or

4           (B) under a guidance or ruling issued by the Administrator that the  
5           holder reasonably believed required or permitted the property to be paid or  
6           delivered.

7           § 1512. DORMANCY CHARGE

8           (a) A holder may deduct a dormancy charge from property required to be  
9           paid or delivered to the Administrator if:

10           (1) a valid contract between the holder and the apparent owner  
11           authorizes imposition of the charge for the apparent owner's failure to claim  
12           the property within a specified time; and

13           (2) the holder regularly imposes the charge and regularly does not  
14           reverse or otherwise cancel the charge.

15           (b) The amount of the deduction under subsection (a) is limited to an  
16           amount that is not unconscionable considering all relevant factors, including  
17           the marginal transactional costs incurred by the holder in maintaining the  
18           apparent owner's property and any services received by the apparent owner.

1     § 1513. PAYMENT OR DELIVERY OF PROPERTY TO

2                     ADMINISTRATOR

3             (a) Except as otherwise provided in this section, on filing a report under  
4             section 1491 of this title, the holder shall pay or deliver to the Administrator  
5             the property described in the report.

6             (b) If property in a report under section 1491 of this title is an automatically  
7             renewable deposit and a penalty or forfeiture in the payment of interest would  
8             result from paying the deposit to the Administrator at the time of the report, the  
9             date for payment of the property to the Administrator is extended until a  
10            penalty or forfeiture no longer would result from payment, if the holder  
11            informs the Administrator of the extended date.

12            (c) Tangible property in a safe-deposit box may not be delivered to the  
13            Administrator until 120 days after filing the report under section 1491 of this  
14            title.

15            (d) If property reported to the Administrator under section 1491 of this title  
16            is a security, the Administrator may:

17                (1) make an endorsement, instruction, or entitlement order on behalf of  
18                the apparent owner to invoke the duty of the issuer, its transfer agent, or the  
19                securities intermediary to transfer the security; or

20                (2) dispose of the security under section 1532 of this title.

1       (e) If the holder of property reported to the Administrator under section  
2       1491 of this title is the issuer of a certificated security, the Administrator may  
3       obtain a replacement certificate in physical or book-entry form under  
4       9A V.S.A. § 8-405. An indemnity bond is not required.

5       (f) The Administrator shall establish procedures for the registration,  
6       issuance, method of delivery, transfer, and maintenance of securities delivered  
7       to the Administrator by a holder.

8       (g) An issuer, holder, and transfer agent or other person acting under this  
9       section under instructions of and on behalf of the issuer or holder is not liable  
10       to the apparent owner for, and must be indemnified by the State against, a  
11       claim arising with respect to property after the property has been delivered to  
12       the Administrator.

13       (h) A holder is not required to deliver to the Administrator a security  
14       identified by the holder as a non-freely transferable security. If the  
15       Administrator or holder determines that a security is no longer a non-freely  
16       transferable security, the holder shall deliver the security on the next regular  
17       date prescribed for delivery of securities under this chapter. The holder shall  
18       make a determination annually whether a security identified in a report filed  
19       under section 1491 of this title as a non-freely transferable security is no  
20       longer a non-freely transferable security.

1     § 1514. EFFECT OF PAYMENT OR DELIVERY OF PROPERTY TO

2             ADMINISTRATOR

3             On payment or delivery of property to the Administrator under this chapter,  
4             the Administrator as agent for the State assumes custody and responsibility for  
5             safekeeping the property. A holder that pays or delivers property to the  
6             Administrator in good faith and substantially complies with sections 1501 and  
7             1502 of this title is relieved of liability arising thereafter with respect to  
8             payment or delivery of the property to the Administrator.

9     § 1515. RECOVERY OF PROPERTY BY HOLDER FROM

10            ADMINISTRATOR

11            (a) A holder that under this chapter pays money to the Administrator may  
12            file a claim for reimbursement from the Administrator of the amount paid if the  
13            holder:

14                (1) paid the money in error; or

15                (2) after paying the money to the Administrator, paid money to a person  
16            the holder reasonably believed entitled to the money.

17            (b) If a claim for reimbursement under subsection (a) of this section is  
18            made for a payment made on a negotiable instrument, including a traveler's  
19            check, money order, or similar instrument, the holder must submit proof that  
20            the instrument was presented and payment was made to a person the holder  
21            reasonably believed entitled to payment. The holder may claim reimbursement

1 even if the payment was made to a person whose claim was made after  
2 expiration of a period of limitation on the owner's right to receive or recover  
3 property, whether specified by contract, statute, or court order.

4 (c) If a holder is reimbursed by the Administrator under subdivision (a)(2)  
5 of this section, the holder may also recover from the Administrator income or  
6 gain under section 607 that would have been paid to the owner if the money  
7 had been claimed from the Administrator by the owner to the extent the  
8 income or gain was paid by the holder to the owner.

9 (d) A holder that under this chapter delivers property other than money to  
10 the Administrator may file a claim for return of the property from the  
11 Administrator if:

12 (1) the holder delivered the property in error; or

13 (2) the apparent owner has claimed the property from the holder.

14 (e) If a claim for return of property under subsection (d) of this section is  
15 made, the holder shall include with the claim evidence sufficient to establish  
16 that the apparent owner has claimed the property from the holder or that the  
17 property was delivered by the holder to the Administrator in error.

18 (f) The Administrator may determine that an affidavit submitted by a  
19 holder is evidence sufficient to establish that the holder is entitled to  
20 reimbursement or to recover property under this section.

1       (g) A holder is not required to pay a fee or other charge for reimbursement  
2       or return of property under this section.

3       (h) Not later than 90 days after a claim is filed under subsection (a) or (d)  
4       of this section, the Administrator shall allow or deny the claim and give the  
5       claimant notice of the decision in a record. If the Administrator does not take  
6       action on a claim during the 90-day period, the claim is deemed denied.

7       (i) The claimant may initiate a proceeding under 3 V.S.A. chapter 25  
8       for review of the Administrator’s decision or the deemed denial under  
9       subsection (h) of this section not later than:

10       (1) 30 days following receipt of the notice of the Administrator’s  
11       decision; or

12       (2) 120 days following the filing of a claim under subsection (a) or (d)  
13       of this section in the case of a deemed denial under subsection (h) of this  
14       section.

15       (j) A final decision in an administrative proceeding initiated under  
16       subsection (i) of this section may be appealed to the Civil Division of the  
17       Washington County Superior Court, which shall hear the appeal de novo.

18       § 1516. PROPERTY REMOVED FROM SAFE-DEPOSIT BOX

19       Property removed from a safe-deposit box and delivered under this chapter  
20       to the Administrator under this chapter is subject to the holder’s right to  
21       reimbursement for the cost of opening the box and a lien or contract providing

1 reimbursement to the holder for unpaid rent charges for the box. The  
2 Administrator shall reimburse the holder from the proceeds remaining after  
3 deducting the expense incurred by the Administrator in selling the property.

4 § 1517. CREDITING INCOME OR GAIN TO OWNER’S ACCOUNT

5 If property other than money is delivered to the Administrator, the owner is  
6 entitled to receive from the Administrator income or gain realized or accrued  
7 on the property before the property is sold.

8 § 1518. ADMINISTRATOR’S OPTIONS AS TO CUSTODY

9 (a) The Administrator may decline to take custody of property reported  
10 under section 1491 of this title if the Administrator determines that:

11 (1) the property has a value less than the estimated expenses of notice  
12 and sale of the property; or

13 (2) taking custody of the property would be unlawful.

14 (b) A holder may pay or deliver property to the Administrator before the  
15 property is presumed abandoned under this chapter if the holder:

16 (1) sends the apparent owner of the property notice required by  
17 section 1501 of this title and provides the Administrator evidence that the  
18 holder sent such notice;

19 (2) includes with the payment or delivery a report regarding the property  
20 conforming to section 1492 of this title; and

2 payment or delivery.

3           (c) A holder’s request for the Administrator’s consent under subdivision  
4 (b)(3) of this section must be in a record. If the Administrator fails to respond  
5 to the request not later than 30 days after receipt of the request, the  
6 Administrator is deemed to consent to the payment or delivery of the property  
7 and the payment or delivery is considered to have been made in good faith.

8           (d) On payment or delivery of property under subsection (b), the property  
9 is presumed abandoned.

10           § 1519. DISPOSITION OF PROPERTY HAVING NO SUBSTANTIAL  
11           VALUE; IMMUNITY FROM LIABILITY

12           (a) If the Administrator takes custody of property delivered under this  
13 chapter and later determines that the property has no substantial commercial  
14 value or that the cost of disposing of the property will exceed the value of the  
15 property, the Administrator may return the property to the holder or destroy or  
16 otherwise dispose of the property.

17           (b) An action or proceeding may not be commenced against the state, an  
18 agency of the state, the Administrator, another officer, employee, or agent of

20 section, except for intentional misconduct or malfeasance.

1        § 1520. PERIODS OF LIMITATION AND REPOSE

2            (a) Expiration, before, on, or after the effective date of this chapter, of a  
3        period of limitation on an owner’s right to receive or recover property, whether  
4        specified by contract, statute, or court order, does not prevent the property  
5        from being presumed abandoned or affect the duty of a holder under this  
6        chapter to file a report or pay or deliver property to the Administrator.

7            (b) The Administrator may not commence an action or proceeding to  
8        enforce this chapter with respect to the reporting, payment, or delivery of  
9        property more than five years after the holder filed a non–fraudulent report  
10       under section 1491 of this title with the Administrator. The parties may agree  
11       in a record to extend the limitation in this subsection.

12           (c) The Administrator may not commence an action, proceeding, or

2           (2) a reasonable description of the property.

3           (c) A sale under subsection (a) of this section must be to the highest bidder:

4           (1) at public sale at a location in this State that the Administrator

5 determines to be the most favorable market for the property;

6           (2) on the Internet; or

7           (3) on another forum the Administrator determines is likely to yield the

8 highest net proceeds of sale.

9           (d) The Administrator may decline the highest bid at a sale under this  
10 section and reoffer the property for sale if the Administrator determines the  
11 highest bid is insufficient.

12           (e) If a sale held under this section is to be conducted other than on the  
13 Internet, the Administrator must publish at least one notice of the sale, at least  
14 three weeks but not more than five weeks before the sale, in a newspaper of

16           § 1532. DISPOSAL OF SECURITIES

17           (a) The Administrator may not sell or otherwise liquidate a security until

20 security.

1        (b) The Administrator may not sell a security listed on an established stock  
2        exchange for less than the price prevailing on the exchange at the time of sale.  
3        The Administrator may sell a security not listed on an established exchange by  
4        any commercially reasonable method.

5        § 1533. RECOVERY OF SECURITIES OR VALUE BY OWNER

6        (a) If the Administrator sells a security before the expiration of six years  
7        after delivery of the security to the Administrator, an apparent owner that files  
8        a valid claim under this chapter of ownership of the security before the six-year  
9        period expires is entitled, at the option of the Administrator, to receive:

10        (1) replacement of the security; or

11        (2) the market value of the security at the time the claim is filed, plus  
12        dividends, interest, and other increments on the security up to the time the  
13        claim is paid.

14        (b) Replacement of the security or calculation of market value under  
15        subsection (a) must take into account a stock split, reverse stock split, stock  
16        dividend, or similar corporate action.

17        (c) A person that makes a valid claim under this chapter of ownership of a  
18        security after expiration of six years after delivery of the security to the  
19        Administrator is entitled to receive:

1 on the security up to the time the Administrator delivers the security to the  
2 person; or

3 (2) the net proceeds of the sale of the security, plus dividends, interest,  
4 and other increments on the security up to the time the security was sold.

6 A purchaser of property at a sale conducted by the Administrator under this  
7 chapter takes the property free of all claims of the owner, a previous holder, or  
8 a person claiming through the owner or holder. The Administrator shall  
9 execute documents necessary to complete the transfer of ownership to the  
10 purchaser.

11 § 1535. MILITARY MEDAL OR DECORATION

12 (a) The Administrator may not sell a medal or decoration awarded for  
13 military service in the U.S. Armed Forces.

16 subsection, or entity under subdivision (3) of this subsection, may deliver a  
17 medal or decoration described in subsection (a) to be held in custody for the  
18 owner to:

9 separate fund an amount not exceeding \$100,000.00 or 55 percent of the funds  
10 received during the previous year, whichever is greater, from which he or she  
11 shall make prompt payment of claims duly allowed by him or her as provided  
12 in this section.

13           (b) The Administrator shall maintain an account with an amount of funds  
14 the Administrator reasonably estimates is sufficient to pay claims allowed  
15 under this chapter. If the aggregate amount of claims by owners allowed at  
16 any time exceeds the amount held in the account, an excess claim must be paid  
17 by the Administrator.

1        § 1542. ADMINISTRATOR TO RETAIN RECORDS OF PROPERTY

2            The Administrator shall:

6           Endowment Trust Fund created by 16 V.S.A. § 2885 under authority of this  
7           subdivision. For purposes of this subdivision, the value of the abandoned

18           Administrator shall:

19                   (1) report and pay or deliver the property to the other state; or

20                   (2) return the property to the holder so that the holder may pay or

2        property to the other state under subsection (a) of this section.

3        § 1552. WHEN PROPERTY SUBJECT TO RECOVERY BY ANOTHER  
4        STATE

5        (a) Property held under this chapter by the Administrator is subject to the  
6        right of another state to take custody of the property if:

7                (1) the property was paid or delivered to the Administrator because the  
8                records of the holder did not reflect a last-known address in the other state of  
9                the apparent owner and:

10                (A) the other state establishes that the last-known address of the  
11                apparent owner or other person entitled to the property was in the other  
12                state; or

13                (B) under the law of the other state, the property has become subject  
14                to a claim by the other state of abandonment;

15                (2) the records of the holder did not accurately identify the owner of the

18                other state of abandonment;

19                (3) the property was subject to the custody of the Administrator of this  
20                State under section 1485 of this title and, under the law of the state of domicile

1 of the holder, the property has become subject to a claim by the state of  
2 domicile of the holder of abandonment; or

3 (4) the property:

4 (A) is a sum payable on a traveler’s check, money order, or similar  
5 instrument that was purchased in the other state and delivered to the  
6 Administrator under section 1486 of this title; and

7 (B) under the law of the other state, has become subject to a claim by  
8 the other state of abandonment.

9 (b) A claim by another state to recover property under this section must be  
10 presented in a form prescribed by the Administrator, unless the Administrator  
11 waives presentation of the form.

12 (c) The Administrator shall decide a claim under this section not later than  
13 90 days after it is presented. If the Administrator determines that the other  
14 state is entitled under subsection (a) to custody of the property, the  
15 Administrator shall allow the claim and pay or deliver the property to the other  
16 state.

17 (d) The Administrator may require another state, before recovering  
18 property under this section, to agree to indemnify this State and its agents,  
19 officers, and employees against any liability on a claim to the property.

6             and accuracy.

7             (b) The Administrator may waive the requirement in subsection (a) of this  
8             section and may pay or deliver property directly to a person if:

9                 (1) the person receiving the property or payment is shown to be the  
10                apparent owner included on a report filed under section 1491 of this title;

11                (2) the Administrator reasonably believes the person is entitled to  
12                receive the property or payment; and

13                (3) the property has a value of less than \$250.00.

14     § 1554. WHEN ADMINISTRATOR MUST HONOR CLAIM FOR

15             PROPERTY

16             (a) The Administrator shall pay or deliver property to a claimant under  
17             subsection 1553(a) of this title if the Administrator receives evidence sufficient  
18             to establish to the satisfaction of the Administrator that the claimant is the  
19             owner of the property.

1        (b) Not later than 90 days after a claim is filed under subsection 903(a), the  
2        Administrator shall allow or deny the claim and give the claimant notice in a  
3        record of the decision.

4        (c) If the claim is denied under subsection (b) of this section:

5            (1) the Administrator shall inform the claimant of the reason for the  
6            denial and specify what additional evidence, if any, is required for the claim to  
7            be allowed;

8            (2) the claimant may file an amended claim with the Administrator or  
9            commence an action under section 1556 of this title; and

10           (3) the Administrator shall consider an amended claim filed under  
11           subdivision (2) of this subsection as an initial claim.

12        (d) If the Administrator does not take action on a claim during the 90-day  
13        period following the filing of a claim under subsection 1553(a) of this title, the  
14        claim is deemed denied.

15        § 1555. ALLOWANCE OF CLAIM FOR PROPERTY

16        (a) Not later than 30 days after a claim is allowed under subsection 1554(b)  
17        of this title, the Administrator shall pay or deliver to the owner the property or  
18        pay to the owner the net proceeds of a sale of the property, together with  
19        income or gain to which the owner is entitled under section 1517 of this title.

20        On request of the owner, the Administrator may sell or liquidate a security and  
21        pay the net proceeds to the owner, even if the security had been held by the

1 Administrator for less than three years or the Administrator has not complied  
2 with the notice requirements under section 1532 of this title.

3 (b) Property held under this chapter by the Administrator is subject to a

13 (c) Before delivery or payment to an owner under subsection (a) of this  
14 section of property or payment to the owner of net proceeds of a sale of the

2 Administrator first shall apply the property or net proceeds of a sale of  
3 property held by the Administrator to a debt under subsection (b) of this

20 less than \$5,000.00, in accordance with the Probate Division of the Superior  
21 Court decree of distribution.

1           (3) In the absence of an open estate or Probate Division of the Superior  
2           Court decree of distribution, and the unclaimed property is valued at less than

4           surviving spouse, then to the next of kin according to 14 V.S.A. § 314.

5           (4) In all other cases where the Administrator holds property in the  
6           name of a deceased owner, a probate estate shall be opened by the claimant, or  
7           other interested party, in order to determine the appropriate distribution of the  
8           unclaimed property. Where an estate is opened solely to distribute unclaimed

1           Subchapter 10. Verified Report of Property; Examination of Records

2           § 1561. VERIFIED REPORT OF PROPERTY

3           If a person does not file a report required by section 1491 of this title or the  
4           Administrator believes that a person may have filed an inaccurate, incomplete,  
5           or false report, the Administrator may require the person to file a verified  
6           report in a form prescribed by the Administrator. The verified report must:

7           (1) state whether the person is holding property reportable under this

10           Administrator has inquired;

7           estimation, extrapolation, and statistical sampling in conducting an  
8           examination.

9           (b) An examination under section 1562 of this title must be performed  
10           under rules adopted under subsection (a) of this section and with generally  
11           accepted examination practices and standards applicable to an unclaimed-  
12           property examination.

13           (c) If a person subject to examination under section 1562 of this title has  
14           filed the reports required under sections 1491 and 1561 of this title and has

16           apply:

17           (1) The examination must include a review of the person's records.

9           subchapter 14 of this chapter and are not public records;

10           (2) may be used by the Administrator in an action to collect property or  
11           otherwise enforce this chapter;

12           (3) may be used in a joint examination conducted with another state, the  
13           United States, a foreign country or subordinate unit of a foreign country, or any  
14           other governmental entity if the governmental entity conducting the  
15           examination is legally bound to maintain the confidentiality and security of

9 OBLIGATION

10 (a) A record of a putative holder showing an unpaid debt or undischarged  
11 obligation is prima facie evidence of the debt or obligation.

12 (b) A putative holder may establish by a preponderance of the evidence that  
13 there is no unpaid debt or undischarged obligation for a debt or obligation  
14 described in subsection (a) of this section or that the debt or obligation was not,  
15 or no longer is, a fixed and certain obligation of the putative holder.

16 (c) A putative holder may overcome prima facie evidence under  
17 subsection (a) of this section by establishing by a preponderance of the  
18 evidence that a check, draft, or similar instrument was:

19 (1) issued as an unaccepted offer in settlement of an unliquidated  
20 amount;

1           (2) issued but later was replaced with another instrument because the  
2           earlier instrument was lost or contained an error that was corrected;

3           (3) issued to a party affiliated with the issuer;

4           (4) paid, satisfied, or discharged;

5           (5) issued in error;

6           (6) issued without consideration;

7           (7) issued but there was a failure of consideration;

8           (8) voided not later than 90 days after issuance for a valid business  
9           reason set forth in a contemporaneous record; or

10           (9) issued but not delivered to the third-party payee for a sufficient  
11           reason recorded within a reasonable time after issuance.

12           (d) In asserting a defense under this section, a putative holder may present  
13           evidence of a course of dealing between the putative holder and the apparent  
14           owner or of custom and practice.

15           § 1566. FAILURE OF PERSON EXAMINED TO RETAIN RECORDS

16           If a person subject to examination under section 1562 of this title does not  
17           retain the records required by section 1494 of this title, the Administrator may  
18           determine the value of property due using a reasonable method of estimation  
19           based on all information available to the Administrator, including extrapolation  
20           and use of statistical sampling when appropriate and necessary, consistent with

1 examination procedures and standards adopted under subsection 1563(a) of  
2 this title and in accord with subsection 1563(b) of this title.

3 § 1567. REPORT TO PERSON WHOSE RECORDS WERE EXAMINED

4 At the conclusion of an examination under section 1002 of this title, the  
5 Administrator shall provide to the person whose records were examined a  
6 complete and unredacted examination report that specifies:

7 (1) the work performed;

8 (2) the property types reviewed;

9 (3) the methodology of any estimation technique, extrapolation, or  
10 statistical sampling used in conducting the examination;

11 (4) each calculation showing the value of property determined to be  
12 due; and

13 (5) the findings of the person conducting the examination.

14 (b) If an examination of the records of a person results in the disclosure of  
15 property reportable under this chapter, the Administrator may assess the cost of  
16 the examination against the holder at the rate of \$200.00 per day for each  
17 examiner, or a greater amount that is reasonable and was incurred, but the  
18 assessment may not exceed the value of the property found to be reportable.

1     § 1568. COMPLAINT TO ADMINISTRATOR ABOUT CONDUCT OF  
2             PERSON CONDUCTING EXAMINATION

3             (a) If a person subject to examination under section 1562 of this title  
4             believes the person conducting the examination has made an unreasonable or  
5             unauthorized request or is not proceeding expeditiously to complete the  
6             examination, the person in a record may ask the Administrator to intervene and  
7             take appropriate remedial action, including countermanding the request of the  
8             person conducting the examination, imposing a time limit for completion of  
9             the examination, or reassigning the examination to another person.

10            (b) If a person in a record requests a conference with the Administrator to  
11            present matters that are the basis of a request under subsection (a), the  
12            Administrator shall hold the conference not later than 30 days after receiving  
13            the request. The Administrator may hold the conference in person, by  
14            telephone, or by electronic means.

15            (c) If a conference is held under subsection (b), not later than 30 days after  
16            the conference ends, the Administrator shall provide a report in a record of the  
17            conference to the person that requested the conference.

18     § 1569. ADMINISTRATOR’S CONTRACT WITH ANOTHER TO  
19             CONDUCT EXAMINATION

20             (a) As used in this section, “related to the Administrator” refers to an  
21             individual who is:

1           (1) the Administrator’s spouse, partner in a civil union, domestic  
2 partner, or reciprocal beneficiary;

3           (2) the Administrator’s child, stepchild, grandchild, parent, stepparent,  
4 sibling, stepsibling, halfsibling, aunt, uncle, niece, or nephew;

5           (3) a spouse, partner in a civil union, domestic partner, or reciprocal  
6 beneficiary of an individual under subdivision (2) of this subsection; or

7           (4) any individual residing in the Administrator’s household.

8           (b) The Administrator may contract with a person to conduct an  
9 examination under this subchapter. The contract may be awarded only under  
10 contracting policies and standards approved by the Vermont Secretary of  
11 Administration.

12           (c) If the person with which the Administrator contracts under  
13 subsection (b) of this section is:

14           (1) an individual, the individual may not be related to the Administrator;  
15 or

16           (2) a business entity, the entity may not be owned in whole or in part by  
17 the Administrator or an individual related to the Administrator.

18           (d) At least 60 days before assigning a person under contract with the  
19 Administrator under subsection (b) of this section to conduct an examination,  
20 the Administrator shall demand in a record that the person to be examined  
21 submit a report and deliver property that is previously unreported.

1       (e) If the Administrator contracts with a person under subsection (b) of this  
2       section:

3           (1) the contract may provide for compensation of the person based on a  
4       fixed fee, hourly fee, or contingent fee;

5           (2) a contingent fee arrangement may not provide for a payment that  
6       exceeds 10 percent of the amount or value of property paid or delivered as a  
7       result of the examination; and

8           (3) on request by a person subject to examination by a contractor, the  
9       Administrator shall deliver to the person a complete and unredacted copy of  
10       the contract and any contract between the contractor and a person employed or  
11       engaged by the contractor to conduct the examination.

12       § 1570. LIMIT ON FUTURE EMPLOYMENT

13       The Administrator or an individual employed by the Administrator who  
14       participates in, recommends, or approves the award of a contract under  
15       subsection 1569(b) of this title on or after the effective date of this chapter may  
16       not be employed by, contracted with, or compensated in any capacity by the  
17       contractor or an affiliate of the contractor for one year after the latest of  
18       participation in, recommendation of, or approval of the award or conclusion of  
19       the contract.

1     § 1571. REPORT BY ADMINISTRATOR TO GENERAL ASSEMBLY

2             Not later than January 15 of each year, the Administrator shall compile and  
3     submit a report to the General Assembly. The report must contain the  
4     following information about property presumed abandoned for the preceding  
5     fiscal year for the State:

6             (1) the total amount and value of all property paid or delivered under  
7     this chapter to the Administrator, separated into:

8                 (A) the part voluntarily paid or delivered; and

9                 (B) the part paid or delivered as a result of an examination under  
10     section 1002 of this title, separated into the part recovered as a result of an  
11     examination conducted by:

12                     (i) a State employee; and

13                     (ii) a contractor under section 1569 of this title;

14             (2) the name of and amount paid to each contractor under section 1569  
15     of this title and the percentage the total compensation paid to all contractors  
16     under section 1569 of this title bears to the total amount paid or delivered to  
17     the Administrator as a result of all examinations performed under section 1569  
18     of this title;

19             (3) the total amount and value of all property paid or delivered by the  
20     Administrator to persons that made claims for property held by the  
21     Administrator under this chapter and the percentage the total payments made

1 and value of property delivered to claimants bears to the total amounts paid  
2 and value delivered to the Administrator; and

3 (4) the total amount of claims made by persons claiming to be  
4 owners that:

5 (A) were denied;

6 (B) were allowed; and

7 (C) are pending.

8 § 1572. DETERMINATION OF LIABILITY FOR UNREPORTED  
9 REPORTABLE PROPERTY

10 If the Administrator determines from an examination conducted under  
11 section 1562 of this title that a putative holder failed or refused to pay or  
12 deliver to the Administrator property which is reportable under this chapter,  
13 the Administrator shall issue a determination of the putative holder's liability  
14 to pay or deliver and give notice in a record to the putative holder of the  
15 determination.

16 Subchapter 11. Determination of Liability; Putative Holder Remedies

17 § 1581. INFORMAL CONFERENCE

18 (a) Not later than 30 days after receipt of a notice under section 1572 of  
19 this title, the putative holder may request an informal conference with the  
20 Administrator to review the determination. Except as otherwise provided in

1 this section, the Administrator may designate an employee to act on behalf of  
2 the Administrator.

3 (b) If a putative holder makes a timely request under subsection (a) for an  
4 informal conference:

5 (1) not later than 20 days after the date of the request, the Administrator  
6 shall set the time and place of the conference;

7 (2) the Administrator shall give the putative holder notice in a record of  
8 the time and place of the conference;

9 (3) the conference may be held in person, by telephone, or by electronic  
10 means, as determined by the Administrator;

11 (4) the request tolls the 90-day period under sections 1583 and 1584 of  
12 this title until notice of a decision under subdivision (7) of this subsection has  
13 been given to the putative holder or the putative holder withdraws the request  
14 for the conference;

15 (5) the conference may be postponed, adjourned, and reconvened as the  
16 Administrator determines appropriate;

17 (6) the Administrator or Administrator's designee with the approval of  
18 the Administrator may modify a determination made under section 1012 of this  
19 title or withdraw it; and

1           (7) the Administrator shall issue a decision in a record and provide a  
2           copy of the record to the putative holder and examiner not later than 20 days  
3           after the conference ends.

4           (c) A conference under subsection (b) of this section is not an  
5           administrative remedy and is not a contested case subject to 3 V.S.A. § 809.  
6           An oath is not required and rules of evidence do not apply in the conference.

7           (d) At a conference under subsection (b) of this section, the putative holder  
8           must be given an opportunity to confer informally with the Administrator and  
9           the person that examined the records of the putative holder to:

10           (1) discuss the determination made under section 1572 of this title; and

11           (2) present any issue concerning the validity of the determination.

12           (e) If the Administrator fails to act within the period prescribed in  
13           subdivision (b)(1) or (7) of this section, the failure does not affect a right of the  
14           Administrator, except that interest does not accrue on the amount for which the  
15           putative holder was determined to be liable under section 1572 of this title  
16           during the period in which the Administrator failed to act until the earlier of:

17           (1) the date under section 1583 of this title the putative holder initiates  
18           administrative review or files an action under section 1584 of this title; or

19           (2) 90 days after the putative holder received notice of the  
20           Administrator's determination under section 1572 of this title if no review

1 was initiated under section 1583 of this title and no action was filed under  
2 section 1584 of this title.

3 (f) The Administrator may hold an informal conference with a putative  
4 holder about a determination under section 1572 of this title without a request  
5 at any time before the putative holder initiates administrative review under  
6 section 1583 of this title or files an action under section 1584 of this title.

7 (g) Interest and penalties under section 1594 of this title continue to accrue  
8 on property not reported, paid, or delivered as required by this chapter after the  
9 initiation, and during the pendency, of an informal conference under this  
10 section.

11 § 1582. REVIEW OF ADMINISTRATOR’S DETERMINATION

12 A putative holder may seek relief from a determination under section 1572  
13 of this title by:

- 14 (1) administrative review under section 1583 of this title; or  
15 (2) judicial review under section 1583 of this title.

16 § 1583. ADMINISTRATIVE REVIEW

17 (a) Not later than 90 days after receiving notice of the Administrator’s  
18 determination under section 1572 of this title, a putative holder may initiate a  
19 proceeding under 3 V.S.A. chapter 25, subchapter 2 for review of the  
20 Administrator’s determination.

1        (b) A final decision in an administrative proceeding initiated under  
2        subsection (a) of this section may be appealed to the Civil Division of the  
3        Washington County Superior Court, which shall hear the appeal de novo.

4        § 1584. JUDICIAL REMEDY

5        (a) Not later than 90 days after receiving notice of the Administrator's  
6        determination under section 1572 of this title, the putative holder may:

7            (1) file an action against the Administrator in the Civil Division of the  
8            Washington County Superior Court challenging the Administrator's  
9            determination of liability and seeking a declaration that the determination is  
10           unenforceable, in whole or in part; or

11           (2) pay the amount or deliver the property determined by the  
12           Administrator to be paid or delivered to the Administrator and, not later than  
13           six months after payment or delivery, file an action against the Administrator  
14           in the Civil Division of the Washington County Superior Court for a refund of  
15           all or part of the amount paid or return of all or part of the property delivered.

16           (b) If a putative holder pays or delivers property the Administrator  
17           determined must be paid or delivered to the Administrator at any time after the  
18           putative holder files an action under subdivision (a)(1) of this section, the court  
19           shall continue the action as if it had been filed originally as an action for a  
20           refund or return of property under subdivision (a)(2) of this section.

1        (c) On the final determination of an action filed under subsection (a) of this  
2        section, the court may, on application, award to the prevailing party its  
3        reasonable attorney’s fees, costs, and expenses, of litigation.

4        (d) A putative holder that is the prevailing party in an action under  
5        subdivision (a)(2) of this section for refund of money paid to the Administrator  
6        is entitled to interest on the amount refunded, at the same rate a holder is  
7        required to pay to the Administrator under subsection 1594(a) of this title, from  
8        the date paid to the Administrator until the date of the refund.

9                                Subchapter 12. Enforcement by Administrator

10        § 1591. JUDICIAL ACTION TO ENFORCE LIABILITY

11        (a) If a determination under section 1572 of this title becomes final and is  
12        not subject to administrative or judicial review, the Administrator may bring an  
13        action in the Civil Division of the Washington County Superior Court or in an  
14        appropriate court of another state to enforce the determination and secure  
15        payment or delivery of past due, unpaid, or undelivered property.

16        (b) In an action under subsection (a) of this section, if no court in this State  
17        has jurisdiction over the defendant, the Administrator may commence an  
18        action in any court having jurisdiction over the defendant.

1     § 1592. INTERSTATE AND INTERNATIONAL AGREEMENT;

2             COOPERATION

3     (a) Subject to subsection (b) of this section, the Administrator may:

4             (1) exchange information with another state or foreign country relating  
5     to property presumed abandoned or relating to the possible existence of  
6     property presumed abandoned; and

7             (2) authorize in a record another state or foreign country or a person  
8     acting on behalf of the other state or country to examine its records of a  
9     putative holder as provided in subchapter 10 of this chapter.

10            (b) An exchange or examination under subsection (a) of this section may be  
11    done only if the state or foreign country has confidentiality and security  
12    requirements substantially equivalent to those in subchapter 14 of this chapter,  
13    or agrees in a record to be bound by this State’s confidentiality and security  
14    requirements.

15     § 1593. ACTION INVOLVING ANOTHER STATE OR FOREIGN

16             COUNTRY

17     (a) The Administrator may join another state or foreign country to examine  
18    and seek enforcement of this chapter against a putative holder.

19     (b) On request of another state or foreign country, the Vermont Attorney  
20    General may commence an action on behalf of the other state or country to  
21    enforce, in this State, the law of the other state or country against a putative

1 holder subject to a claim by the other state or country, if the other state or  
2 country agrees to pay costs incurred by the Attorney General in the action.

3 (c) The Administrator may request the official authorized to enforce the  
4 unclaimed property law of another state or foreign country to commence an  
5 action to recover property in the other state or country on behalf of the  
6 Administrator. This State shall pay the costs, including reasonable attorney's  
7 fees and expenses, incurred by the other state or foreign country in an action  
8 under this subsection.

9 (d) The Administrator may pursue an action on behalf of this State to  
10 recover property subject to this chapter but delivered to the custody of another  
11 state if the Administrator believes the property is subject to the custody of the  
12 Administrator.

13 (e) The Administrator may retain an attorney in this State, another state, or  
14 a foreign country to commence an action to recover property on behalf of the  
15 Administrator and may agree to pay attorney's fees based in whole or in part  
16 on a fixed fee, hourly fee, or a percentage of the amount or value of property  
17 recovered in the action.

18 (f) Expenses incurred by this State in an action under this section may be  
19 paid from property received under this chapter or the net proceeds of the  
20 property. Expenses paid to recover property may not be deducted from the  
21 amount that is subject to a claim under this chapter by the owner.

1     § 1594. INTEREST AND PENALTY FOR FAILURE TO ACT IN TIMELY  
2             MANNER

3             (a) A holder that fails to report, pay, or deliver property within the time  
4             prescribed by this chapter shall pay to the Administrator interest at the higher  
5             of the annual rate established by the Vermont Tax Department for unpaid tax  
6             liabilities pursuant to 32 V.S.A. § 3108 or the prime rate as reported in the  
7             Money Rates section of the Wall Street Journal on the day the invoice for  
8             interest is issued by the Administrator on the property or value of the property  
9             from the date the property should have been reported, paid, or delivered to the  
10            Administrator until the date reported, paid, or delivered.

11            (b) Except as otherwise provided in section 1595 or 1596 of this title, the  
12            Administrator may require a holder that fails to report, pay, or deliver property  
13            within the time prescribed by this chapter to pay to the Administrator, in  
14            addition to interest included under subsection (a) of this section, a civil penalty  
15            of \$200.00 for each day the duty is not performed, up to a cumulative  
16            maximum amount of \$5,000.00.

17     § 1595. OTHER CIVIL PENALTIES

18            (a) If a holder enters into a contract or other arrangement for the purpose of  
19            evading an obligation under this chapter or otherwise willfully fails to perform  
20            a duty imposed on the holder under this chapter, the Administrator may require  
21            the holder to pay the Administrator, in addition to interest as provided in

1 subsection 1594(a), a civil penalty of \$1,000.00 for each day the obligation is  
2 evaded or the duty is not performed, up to a cumulative maximum amount of  
3 \$25,000.00, plus 25 percent of the amount or value of property that should  
4 have been but was not reported, paid, or delivered as a result of the evasion or  
5 failure to perform.

6 (b) If a holder makes a fraudulent report under this chapter, the  
7 Administrator may require the holder to pay to the Administrator, in addition  
8 to interest under subsection 1594(a) of this title, a civil penalty of \$1,000.00  
9 for each day from the date the report was made until corrected, up to a  
10 cumulative maximum of \$25,000.00, plus 25 percent of the amount or value of  
11 any property that should have been reported but was not included in the report  
12 or was underreported.

13 § 1596. WAIVER OF INTEREST AND PENALTY

14 The Administrator:

15 (1) may waive, in whole or in part, interest under subsection 1594(a) of  
16 this title and penalties under subsection 1594(b) or section 1595 of this title;  
17 and

18 (2) shall waive a penalty under subsection 1594(b) of this title if the  
19 Administrator determines that the holder acted in good faith and without  
20 negligence.

1           Subchapter 13. Agreement to Locate Property of Apparent Owner

2                           Held by Administrator

3           § 1601. WHEN AGREEMENT TO LOCATE PROPERTY ENFORCEABLE

4           An agreement by an apparent owner and another person, the primary  
5           purpose of which is to locate, deliver, recover, or assist in the location,  
6           delivery, or recovery of property held by the Administrator, is enforceable only  
7           if the agreement:

8                   (1) is in a record that clearly states the nature of the property and the  
9                   services to be provided;

10                   (2) is signed by or on behalf of the apparent owner; and

11                   (3) states the amount or value of the property reasonably expected to be  
12                   recovered, computed before and after a fee or other compensation to be paid to  
13                   the person has been deducted.

14           § 1602. WHEN AGREEMENT TO LOCATE PROPERTY VOID

15                   (a) Subject to subsection (b) of this section, an agreement under section  
16                   1601 of this title is void if it is entered into during the period beginning on the  
17                   date the property was paid or delivered by a holder to the Administrator and  
18                   ending 24 months after the payment or delivery.

19                   (b) If a provision in an agreement described in subsection (a) of this section  
20                   applies to mineral proceeds for which compensation is to be paid to the other  
21                   person based in whole or in part on a part of the underlying minerals or mineral

1 proceeds not then presumed abandoned, the provision is void regardless of  
2 when the agreement was entered into.

3 (c) An agreement under subsection (a) of this section that provides for  
4 compensation in an amount that is unconscionable is unenforceable except by  
5 the apparent owner. An apparent owner that believes the compensation the  
6 apparent owner has agreed to pay is unconscionable or the Administrator,  
7 acting on behalf of an apparent owner, or both, may bring an action in the  
8 appropriate court to reduce the compensation to the maximum amount that is  
9 not unconscionable. On the final determination of an action filed under this  
10 subsection, the court may, on application, award the prevailing party its  
11 reasonable attorney's fees, costs, and expenses of litigation.

12 (d) An apparent owner or the Administrator may assert that an agreement  
13 described in this section is void on a ground other than it provides for payment  
14 of unconscionable compensation.

15 (e) This section does not apply to an apparent owner's agreement with an  
16 attorney to pursue a claim for recovery of specifically identified property held  
17 by the Administrator or to contest the Administrator's denial of a claim for  
18 recovery of the property.

19 (f) An agreement between an owner and an asset locator, the primary  
20 purpose of which is to locate, deliver, recover, or assist in the recovery of  
21 property that is presumed abandoned and that provides for compensation that

1 exceeds 10 percent of the value of the unclaimed property, shall be  
2 unenforceable.

3 § 1603. RIGHT OF AGENT OF APPARENT OWNER TO RECOVER

4 PROPERTY HELD BY ADMINISTRATOR

5 (a) An apparent owner that contracts with another person to locate, deliver,  
6 recover, or assist in the location, delivery, or recovery of property of the  
7 apparent owner which is held by the Administrator may designate the person  
8 as the agent of the apparent owner. The designation must be in a record signed  
9 by the apparent owner.

10 (b) The Administrator shall give the agent of the apparent owner all  
11 information concerning the property that the apparent owner is entitled to  
12 receive, including information that otherwise is confidential information under  
13 section 1612 of this title.

14 § 1604. ASSET LOCATORS

15 (a) All asset locators seeking to interact with the Administrator on behalf of  
16 apparent owners shall first register with Administrator on forms prescribed by  
17 the Administrator. Registration information shall include an asset locator's  
18 previous business experience and whether the asset locator has a criminal  
19 record. In order to obtain and maintain registered status, all asset locators shall  
20 post a performance bond of not less than \$10,000.00 to insure the  
21 Administrator against any fraudulent or mistaken claims that may arise as a

1 result of an asset locator’s representation of an apparent owner. A copy of any  
2 agreement, or contract, between an asset locator and an apparent owner shall  
3 be filed with the Administrator, together with a signed by the apparent owner  
4 and notarized “notice to claimant” form, as prescribed by the Administrator,  
5 describing the rights of the apparent owner under this subchapter.

6 (b) An owner may not assign his or her rights, or property interests, under

1     § 1615. NO CONFIDENTIAL INFORMATION IN NOTICE

2             Except as otherwise provided in sections 1501 and 1502 of this title, a

21    their beneficiaries.

1        (c) The Administrator:

2            (1) after notice and comment, shall adopt and implement a security plan

5 others as required by law, the Administrator and the Administrator’s agent may  
6 not disclose, without the express consent in a record of the holder, an event  
7 described in subsection (a) of this section to a person whose confidential  
8 information was supplied by the holder.

9           (c) If an event described in subsection (a) of this section occurs, the  
10 Administrator and the Administrator’s agent shall:

11           (1) take action necessary for the holder to understand and minimize the
