To Members of The Committee:

We are a Catering Company of 25+ years, catering events throughout Vermont & New Hampshire.

Unlike a restaurant, we do not have a building we call our own, we are travelers; creating events of celebrations, corporate dinners and fundraisers, and parties for family, wherever our client may choose. This may be in a field, a barn, a hillside, around a pond, at an Inn, at someone's home in their backyard.

We embrace the nature of this work and it's challenges; logistics and creativity necessary. We cannot provide these amazing events and venues alone. We are Chefs, Servers, Dishwashers, we come to provide a beautiful event for our clients.

Our company cooks fresh & on location. This requires a kitchen set up, sometimes simple, sometimes elaborate creating a kitchen worthy of the highest dining facility.

We cannot do this alone. We are Caterers; we have to have companies that work alongside us to create the space, the look, the theme, that our events require.

We cannot do this without our TENT & RENTAL COMPANIES who are now at risk!!! We rely on them to provide the essential needs for us to Cater. The majority of our income is in the large event arena, we go down, if our Tent Companies go down.

Who will provide the tents, tables, chairs, place settings and kitchen for the unique experiences throughout Vermont? They are essential to our business success.

We ask you to support these companies to sustain them through this pandemic, so that we may celebrate with them in the future!

Thank you,
Carolyn & Chris Sailer
