Sec. 2. OUTDOOR RECREATION BUSINESS ASSISTANCE PROGRAM; COVID-19 PUBLIC HEALTH PRECAUTIONS

(a) Purpose. The purpose of this section is to provide financial assistance to outdoor recreation businesses in the State to assist with compliance with or implementation of COVID-19 public health precautions.

(b) Definitions. As used in this section:

(1) “Outdoor recreation business” means any person conducting a business or a service within the State that offers outdoor recreation as the principle part of the business or service, including outdoor outfitters, fishing guides, snowmobile tours, ski tours, and other eligible activities approved by the Secretary. An “outdoor recreation business” includes for-profit businesses, not-for-profit businesses, and charitable organizations organized under 26 U.S.C. § 501(c)(3).

(2) “Secretary” means the Secretary of Natural Resources.

(c) Program establishment.

(1) The Secretary shall establish an Outdoor Recreation Business Assistance Program (Program) to provide grants to outdoor recreation
businesses for costs or expenses necessary to comply with or implement COVID-19 public health precautions, including costs or expenses related to one or more of the following:

For the purposes of the Program, the public health risk posed by COVID-19 shall be deemed to be an emergency situation that justifies the execution of a sole source contract pursuant to Bulletin 3.5, the State’s Procurement and Contracting Procedures.

(e) Application; processing.

(1) The Secretary or the Secretary’s designee shall create an application form that outdoor recreation businesses shall utilize when applying for an
award. Applicants shall certify that all information they provide is truthful and
accurate to the best of their knowledge, information, and belief.

(2) The Secretary or the Secretary’s designee shall, based on the amount
of cost or expense documented by the outdoor recreation business on the date
the application is received, provide up to the maximum award authorized under
this section. Applications shall be processed in the order received, but an
application shall not be ready for evaluation until the Secretary or the
Secretary’s designee determines that the application is administratively
complete and includes required proof of costs or expenses incurred in response
to the COVID-19 public health emergency.

(3) Once an outdoor recreation business submits a complete application
and demonstrates eligible costs or expenses, the Secretary or the Secretary’s
designee shall promptly issue a payment, provided that the appropriated funds
have not been expended. The last payment may be a partial payment

recreation businesses shall not submit more than one application.

(f) Payment; maximum. The maximum amount of an award that may be
awarded under this section shall be $30,000.00.

(g) Program terms and limitations.
(1) The Secretary shall attempt to award grants equitably on a geographic basis across the State. After equity of geographic distribution is accounted for, grant payments under the Program shall be issued on a first-come, first-served basis until all funds are awarded or December 20, 2020, whichever occurs first, provided that the costs or expenses are incurred and the funds fully expended on or before December 30, 2020.

(2) The name of an outdoor recreation business that receives an award under the Program and the amount of the award are public records subject to inspection and copying under the Public Records Act.

(3) Any application documents of an outdoor recreation business containing federal identification numbers and sales amounts are subject to the confidentiality provisions of 32 V.S.A. § 3102 and are return information under that section.

(4) Data submitted by an outdoor recreation business under this section to demonstrate costs or expenses shall be a trade secret exempt from public inspection and copying under 1 V.S.A. § 317(c)(9), provided that the Secretary may use and disclose submitted information in summary or aggregated form that does not directly or indirectly identify an outdoor recreation business.

The contribution rate for self-insured workers’ compensation losses and workers’ compensation losses of corporations approved under 21 V.S.A. chapter 9 shall remain at one percent.
