**Note 1:** Projects with \$0 (or less than what was requested on the application) are also on a prior year's priority list, but have not yet been awarded funds and are therefore included on the list in the event the project is bypassed on the prior priority list due to lack of readiness. Should this occur, to the extent funds are available, funds will be made available from this priority list for the project.

**Note 2:** Projects have until fall 2019 to apply for a loan off this priority list

**Note 3:** A loan to the State on behalf of Bennington for \$4.7M may be added to this list as an emergency project.
